STUDENT CHEM SOCIETY HEARS TALK ON ROCKETS

The second meeting of the Texas A. & M. Student Affiliate Chapter of the American Society was held at 7:00 p. m. Tuesday evening, April 16 in Room No. 10 of the Chemistry Building.

Mr. R. L. Bolin gave a very interesting discussion of Rocket Power, dealing with the history, practical application and future of jet propulsion as applied to rockets.

Plans were made for the next meeting of the Chapter, and the date has been tentatively set for May 8. Members of the Chapter are invited to attend the next regular meeting of the Texas A. & M. Section of the American Chemical Society which will be held at 8:00 p. m., Friday evening, April 26 in the Chemistry Lecture Room. Dr. Henry Eyring of Princeton University will be the speaker.
