

Aggie Nine Faces S. M. U. Here Today

Kyle Field

By Junior Canis

An interesting sidelight on the Southwest Conference track meet is a statement by T. U. Coach Clyde Littlefield that "the well rounded Aggie team could win the title". Hm...m...m—Now, there's an idea. How about it, Old Army?

This morning's shower will have a deterring effect on the time trials at Kyle Field this afternoon. But leave us be happy that it was this morning, and not tomorrow.

The American Sports Magazine, a national publication, gives the Texas Aggies a nice display in the issue currently on the newsstands with feature stories on the Texas Aggie football history, Col. Frank Anderson, the Aggie track coach, along with his record as a developer of javelin champions, a story on the Aggie baseball and swimming teams. It also carries a full page cartoon of Coach Norton giving thumbnail sketches of his record.

Copies have been scarce in this area since it hit the stands but the publishers, American Sports Publishing Co., 108 North Second, Dallas, Texas, have written that they still have a few copies on hand and will try to take care of any local fans who want a copy and can't find one left on the local stands. Price is 25 cents a copy.

Non-Regs, Non-Vets To Organize Club

All students who are not members of the corps and who are not veterans are requested to attend a meeting to be held in the Architecture Library, Academic Building next Monday night, May 13 at 7:00 p.m. for the purpose of organizing a club comparable to the Ex-Servicemens Club now on the campus.

As things now stand, those students have no representation whatsoever in campus affairs, because they have no organ through which their voice may be heard. The members of students in this category is estimated at between 150 and 200, which is a sizeable percentage of the enrollment.

SWC Coaches to Consider B Teams, Basketball Sked

The prospect of fielding a B team at all conference schools this fall, and increasing the present 12-game basketball schedule to an 18-game card will be considered by the faculty representatives forming the Southwest Conference governing body and coaches in meetings here on the campus Friday and Saturday.

In the event that the two proposals are accepted, B teams would have a six-game conference schedule, with contests to be played on the Friday afternoons preceding conference games. Basketball teams would have two games and one game alternating yearly as is done in baseball.

Also up for consideration is the matter of an increase in price of football tickets to pass on the Federal tax which all schools have been absorbing during the war years. Other matters may be brought up and passed upon at the Saturday morning meeting.

Forest Service Presents Dramatic Series on Radio

The Texas Forest Service of A. & M. College is now presenting a series of dramatic broadcasts over more than 40 Texas radio stations, according to S. L. Frost, chief of the education and information division.

The broadcasts are based on episode in Texas history which have a forestry significance. Included in the series are "The B. B. B. & C," the story of the first railroad in Texas; "The Three Trees," a story of Jean Lafitte and buried treasure; and "Mr. Boothe's Sawmill," concerning the construction of an early Texas sawmill which was interrupted by the Battle of San Jacinto.

The programs are produced and transcribed at Radio Station KRLD in Dallas with professional actors and musicians.

Handball Tournament Starts Monday With 23 Entered

By Bill Rippetoe

Entries for the open handball tournament are all in and play will begin Monday night at 7:00. Twelve men are entered in the doubles and eleven are signed up for singles. Glenn Bell, winner of the last tournament, is expected to take the singles crown, while Cavitt and Cooper should take the doubles.

Softball

Previously undefeated Dorm No. 12 was nosed out 2-1 Wednesday by Legget. Wilhelm, the winning pitcher, turned in a no hit pitching performance. The winning run came when Gramm scored from third base after the catcher made

a play for him. The Band came through with a run in the last of the seventh inning to beat A Battery 6-5. In the other game, C Cavalry walloped E Infantry 7-0.

Volleyball

In the only volleyball game Wednesday, Dorm No. 15 won two straight from C Infantry. B Battery won by a forfeit from Bizzell.

Tennis

The Infantry teams again came out ahead in the tennis matches as D, C, and E Companies won over A Battery, the Band, and C Battery.

Pinky Proclaims Coupon Books Not Valid for SWC Meet

Sorry to say, folks of Bryan and College Station, but season coupon books, both faculty and students, will not be good for the Southwest Conference track meet to be held on Kyle Field Saturday afternoon, May 11, starting at 1:30, P. L. Downs, Jr., athletic business manager at the college has announced. The meet is an annual affair held under the sponsorship of the

Southwest Athletic Conference, of which Texas A. & M. is a member. All receipts of the meet go to the conference treasury and not to the school holding the meet. The prices are set by the conference rules and are twenty-five cents for all students and faculty of Texas A. & M. College — fifty cents for all others, including wives of students.

"Much as we might like to admit the loyal Aggie followers on their coupon books, we are governed on this meet by the rules set by the conference member representatives", Downs explained.

Weight events will start at 1:30 and the running events at 2:00. Fans are advised to come early as some of the best events will be those run off first and if any (See PINKY, Page 4)

Beesley to Try For Sixth Win In Conference

By U. V. Johnston

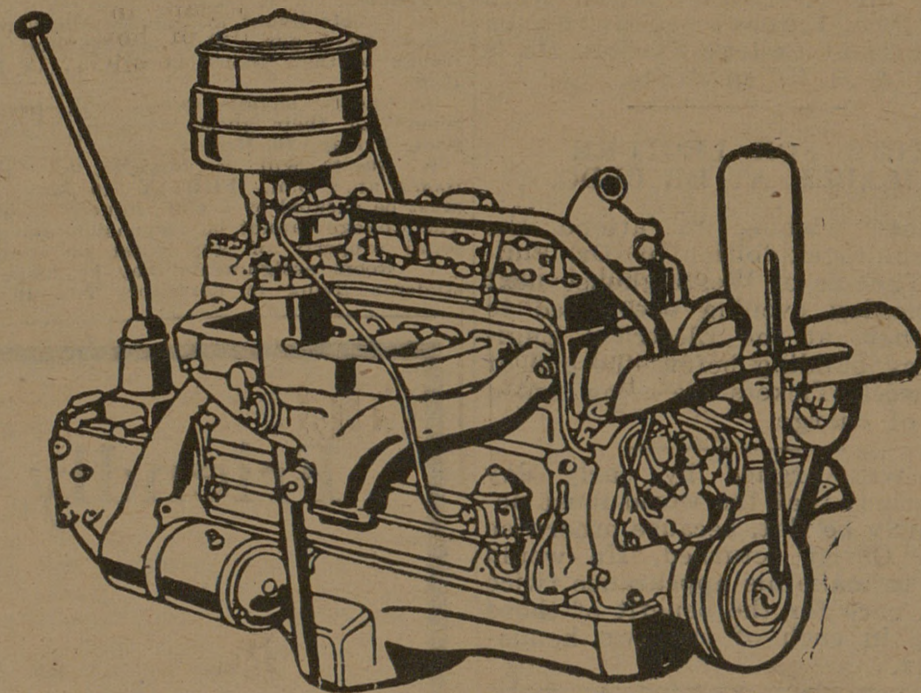

Earl Beesley will take the mound for the Aggies this afternoon at three-thirty against the SMU Mustangs. Beesley will be after his sixth conference win of the season, and barring all unforeseen difficulties he should be able to gather it in without too much trouble. To date he is leading the conference in the number of men struck-out with a total of 69, and you can be sure he will take a few of the Mustangs by the old strike-out route today.

The Dimmittmen haven't been doing so well at the plate for the past few games—especially against the hurling of Layne—but maybe they can get back in the swing of things today. The boys that are looking for the fat batting averages this season will have to get to work today with the hickory as there are only two more games—both with T. U.

We know a fellow who shaves forty or fifty times a day—but he's a barber.
