

T. u. Shades Aggies for SWC Track Title

Ziegler Wins Two Distance Events; Harnden Beats Kidd in 440 and Relay

The Texas university Longhorns placed in every event except the 220 low hurdles Saturday to win the Southwest Conference track and field championship for the third consecutive year.

A fighting Texas A. & M. squad took five first places to the Teasippers' three and a tie, but were short on the place and show winners that make up the difference in a close track meet. Of the Aggies' five first places, two were won by Johnny Ziegler and one each by Arthur Harnden and Bob Goode, while Harnden ran the anchor lap on the mile relay team which provided the other first. Total points for the Aggies were 46½, while the Austin team scored 53¾.

Running on a soggy track and in damp, brisk weather, the 1946 Conference performers not only failed to crack any existing records but failed in most events to approach the previous best times of the season. Lawler of Texas and Martineson of Baylor each tied the conference mark of 9.5 seconds in the 100-yard dash in Friday's qualifying heats, but the event was won in 9.9 on Saturday, with Martineson finishing third behind Lawler and Arkansas' Aubrey Fowler.

Ziegler won the mile run in 4:33.5, and came back to run a beautiful race in the two mile event, edging out T. C. U.'s Ed Donlan by two steps in a hotly contested finish. His time in the two-mile run was 10:15.0. Blond-haired Arthur Harnden beat off T. u.'s Desmond Kidd in the time of 49.1 in the 440, and beat off a determined effort by Kidd in the last lap of the mile relay to hold a lead picked up by Benson on the first circuit. Rob Goode's throwing arm was good for a winning toss of 178 feet, 11 inches in the javelin throw. Hill won the Aggies' only second place with a leap of 23 feet in the broad jump. A. & M. won six third places and placed two men in a six-way tie for third in the high jump. Three Aggies won fourth places, while two others were included in a four-way tie in the pole vault. 440-YARD DASH—Won by Harnden, Texas A. & M.; second, Kidd, Texas; third, Napier, Texas A. & M.; fourth, Ferrell,

AGGIE SWIMMERS

Members of the Texas Aggie swimming team will meet Tuesday afternoon at 5:15 at Downs Natatorium.

Announcement of varsity swimming letters will be made at the meeting, it was stated.

Veterans Tennis Is Scheduled to Begin When Weather Clears

Veterans and their wives are slated to begin play in mixed doubles tennis this week, weather permitting.

Six couples were scheduled to compete today and will start their schedule as soon as the courts are dry, according to "Spike" White, intramural director. Men's singles and doubles matches are also slated to be played this week. All matches will be unreel at 6:00 p.m. on the concrete courts.

Hart Hall got the jump on other veterans' dorms in intramural competition by being the first to elect an athletic officer, "Buck" Woly. Woly is reported to be busily gathering equipment at the Physical Education office this week. Other equipment is available for veterans now at the P. E. office, according to White, and other GI halls are urged to select their athletic officers as soon as possible.

Volleyball, softball and many other activities are on the agenda for veterans' groups.

FOREST SERVICE TO EXHIBIT IN FT. WORTH

An educational exhibit on Texas forestry conservation is being installed this week by the Texas Forest Service at the Fort Worth Flower Show, which opened Friday in the Will Rogers Memorial Coliseum, Director W. E. White said today.

Plans for the exhibit were worked up by S. L. Frost of the educational division, who left last week with Everett F. Evans and Sam Vardeman of the Lufkin forestry headquarters, to set up the display.

Mustangs Finish Strong To Beat Aggies 11-10 in 11 Innings

In a hectic, free-scoring contest, the Texas Aggie baseball team took another step down the Southwest Conference ladder Friday, dropping an 11-10 decision to the celarite S. M. U. Mustangs in 11 innings.

The Ponies got to Earl Beesley for four runs in the third, but the Aggies came back with five tallies in their half to take the lead. The Cadets scored two more in the fourth and two in the sixth, but the Mustangs ran across four in the seventh. Beesley left the game in the seventh, and was relieved by Newman. In the eighth, the Ponies scored again when Newman hit the batter with the bases full.

A. & M. went into the ninth trailing by one run, and the fans were leaving the stands with two down and two strikes on Pressly, when the Aggie third baseman poled a homer over the left field wall. Peck Vass singled and went to second on an outfield error. Hub Moon then singled sharply to right, and Red Maley's perfect throw-in caught Vass at the plate to retire the side.

The Aggies loaded the bases again in the tenth, but failed to score. In the eleventh Whatley walked for the Ponies, took second on Clyde's single, stole third and scored on Womack's long fly to left field. The Aggies failed to tally in their half, and the ball game was over.

Walt Willingham, playing center field for the Aggies, led the batting attack, getting a homer, a triple and a single in five trips. Pressly hit three for six, including his timely homer and a double, and Cotton Lindloff hit two for three, including one double. Beesley allowed 9 hits and 8 runs in 6 2/3 innings, whiffing four Ponies and issuing three walks and one wild pitch. Newman walked four and allowed one hit and three runs in 4 1/3 innings, and was charged with the loss. Napier was the winning pitcher for S. M. U.
