Longhorns Delayed Until 15 of July

After conferring with the Gulf Publishing Company, the LONGHORN Staff learned that the yearbook will be delayed until the 15th of July. This delay was necessary due to the fact that we had only ordered 2500 copies. This small number was ordered because at the time there were less than 3000 students in school. Now that the enrollment has swelled,

AVC Secretary to Speak to Veterans Tonight at Seven

Fred Schmidt, state field secretary for the American Veterans Committee, will address the A&M Ex-Servicemen's Club in the Assembly Hall tonight at 7:00, it has been announced. All Ex-Servicemen are urged to attend and hear an important message.

The Board of Representatives of the local club invited Schmidt to discuss "AVC, What is It, How It Started, What it Offers the World War II Veterans."

The AVC, although patterned after the American Legion, is a new organization designed to serve the servicemen of World War II with their numerous problems such as disability claims, educational benefits, pensions, and other matters. It has a rapidly growing membership, it was stated.

The Texas A&M Ex-Servicemen's Club is open to all student servicemen. Servicemen not actually paying membership dues are urged to participate on an inactive basis. Routine business matters likely will be discussed following the meeting, it was announced.

the staff deemed it necessary to order another thousand copies; so that everyone that desired a LONGHORN would be able to get one. This increase in the number of copies could not be handled by the publisher on his May quota of paper; so the publishing date has been moved up three weeks.

The LONGHORN Staff wishes to assure you that your yearbook WILL be here by the above date, and we will not, unless unforeseen difficulties arise, have another postponement.

Teahounds Take Two Game Series With Score of 6-4 and 7-0 Against Aggies

By O. V. Johnston

The trip down Austin way turned out to be a very non-profitable expedition for the A&M team. The Aggies dropped both games to the boys from T. u. by the scores of 6-4 and 7-0.

The game Friday was the best game I have seen the Aggies will all season. There was more life and spirit than there has been in any game to date. The Aggies played heads-up ball all afternoon and only lost control in the bottom of the third when the Longhorns nicked Newman for four hits and three runs.

Newman had held the boys well in check up to this time, but he lost out completely in the third. After Newman had given up three runs Purtle came in to relieve him and he did a very nice job of relief hurling until he was relieved in the eighth by Shuford.

The Aggies picked up three of their four runs in the second when Hub Moon started off the inning got to Layne for a walk, Arnold came through with a single, and Bradley pushed a long fly out to center, scoring Moon. Newman then came up to help his own cause with a single scoring Arnold and Thornton. The Aggies scored again in the ninth with doubles by Moon and Thornton.

The fielding honors for the day went to Williams, the Texas left fielder, who made a spectacular shoe-string catch in the fourth inning, robbing "Willie" Willingham of an extra base hit.

Saturday's game was everything that Friday's wasn't. The Aggies played pretty sloppy ball afield and were very poor at the plate. They made a total of five errors and only five hits. The team that put in their appearance Saturday had no resemblance to the team that gave the Steers so much trouble Friday. The support for the pitcher wasn't there either at

bat or afield. Beesley got off to a bad start Saturday giving up five hits and three runs in four innings. "The Kid" had settled down in the fourth and was pitching the brand of ball he is capable of when Dimmitt sent Shuford in to bat for him the top of the fifth.

Shuford didn't fare so well against the hitting of the Steers, as he gave up seven hits and four runs in one and one-third innings. Bardwell relieved Shuford and gave up only one hit in two and one-third innings.

The batting honors for the day were carried away by Jackson, the T. U. third baseman. Jackson got four hits, three singles and a homer, in five trips.

If the Aggies had played the brand of ball all season that they played Friday they would have been much higher in the conference standings today. When the team turns in such a stellar performance one day and just the opposite the next, there is something wrong. And it isn't the lack of material.
