First Track Meet In Norman Oct. 7

With the first cross county meet scheduled for Oct. 7th at Norman, Okla. Head Track Coach F. G. Anderson and his assistant, Ray Putnam, are running their thinny clads through the daily routine paces in preparation for the five scheduled meets and the Southwest Conference meet at Rice Institute in November.

In the past years North Texas State College, University of Texas, and University of Oklahoma have been the strongest contenders with Arkansas University and the other Conference schools trailing.

The team includes such men as: Webster Stone, the first man to come in for the Aggies in last year's conference meet, John D. Hampton, champion in 1944; and William Terrell, 1944 champion in the two mile. Other men with potentialities are: John Cheatum, John Hargis, Nathan Byrd, "DD" Williamson, letter man in the half mile last spring; Charles Hohn, William Garney, Delbert Shultz, Robert Allen, George Jenkins, and Jerry Bonnen.

Coach Anderson says that A. & M. should have one of the best teams in years and make a strong bid for the conference championship.

Champs Will Have to Be Tough

The opening game Saturday is the curtain raiser on what appears to be one of the greatest football years in the history of the conference, and the winner this year will be a real CHAMPION. From all pre-season dope available it appears that NO team will come through with an untarnished record, but the champs should still

rate a position among the first ten teams in the nation. At present all the sports writers in the state have put the finger on Dana X. Bible to bring in another championship cup, but to do this he has to eliminate the other six teams in the conference, and there will be no "soft-touches" this year as there have been during the war.

Only One Light Game On Schedule

The game this week is the only light one of the year, and Coach Norton is planning to use the maximum of players Saturday afternoon in the skirmish with the Eagles. After this one Saturday the Farmers are going to have some hard plowing throughout the remainder of the season, and

and some of the plowing may be in hard ground. In fact it will be some of the hardest ground in Texas. This one Saturday should be a soft touch, but this is the last one on the schedule as the conference schools are stronger this year than at any previous time. So come on Aggies, let's start out on this one and make it good.

Yours Truly Gets Out On a Limb

All the conference teams but Rice and SMU open their schedule Saturday afternoon with non-conference teams and all of these schools with the exception of T.C.U. should bring home a winner. T. C. U. could beat Kansas at that.

With my eyes on the crystal ball, and my brain on a vacation I may have to take: the Aggies over NTSC by five touchdowns,

Arkansas over Northwest Louisiana by two TD's, Baylor to bury Southwest Texas by at least three touchdowns, Texas to have a little trouble with Missouri but should take them. That will be a close one and it could very easily be a victory for Missouri. Kansas will have trouble cornering the Horned Frogs, but will emerge victorious by one touchdown, and Texas Tech will best West Texas State by 3 touchdowns.

A-Squad Has Field Day In Scrimmage

The Aggie "A" squad, anxious to redeem itself after the shellacking handed it last Saturday by it's "little brothers", displayed a startling comeback in the second scrimmage game on Saturday, September 14.

With a powerhouse that wouldn't quit, the "big boys" piled up yardage and scored almost at will against their "little brothers" who weren't given a chance to score as the coach kept them on the defensive throughout the afternoon. However, they were shown that they couldn't hold the first stringers as they did in the game on the previous week.

Sparked by Zapalac, Moncrief, Dickey, Goode and others, the "big boys" didn't give Charlie DeWare's boys a chance to regain their breath in between rushes.

At present, there is still some question as to whether Daniels or Hallmark will be in Quarterback position for the opening line-up. Also, there is a possibility that either Mercer or Dick Wright will replace Knight as center.

SECTION WILL BE ROPED OFF FOR CADET CORPS

Due to the fact that the Corps will march in a group to the football game Saturday, 2300 seats will be roped off for them. Their section will run north from the fifty yard to about the goal line, and will extend upward to include about the lower half of the section.

This arrangement was suggested to give both the veterans and the corps a chance to sit on the fifty yard line. As soon as the corps is seated, rope barriers will be removed.

Wichita A&M Club Elects Officers

Gerald Hodges was elected president of the Wichita County A. and M. Club at the first meeting of the semester, held on Wednesday, Sept. 11. Thurman Kennedy was elected vice-president, and Royce Riddle, treasurer. Reporters are Charlie Davis and Norman Luker.

Committees were appointed to make arrangements for the semester's activities, which will include the annual Christmas dance and banquet. Approximately thirty members attended. The next meeting of the Wichita County Club will be held on Thursday night, September 19. All Aggies from this county are urged to attend.

A readers' advisor is available for consultation in the required reading room, third floor of the A. & M. Library.
