

On Kyle Field

By U. V. JOHNSON

The Aggies will have a little more competition this week-end than they had with the Eagles last Saturday...

Rice should not have too much trouble with the Louisiana Tigers this week but the boys from down Houston way could get surprised as the Tigers might show up with more power at game time than the dopsters give them credit for having.

The dopsters are giving Baylor a win over Texas Christian this Saturday but after the showing the Horned Frogs made last week against the strong Kansas eleven I will have to stay with the Frogs.

The game this week for the Longhorns should be just another good workout. Although the Colorado boys are rated strong, I don't believe they can stop Bibles' teams. Colorado might be able to beat any one of the Texas teams but they will not stand a chance against all of them.

Southern Methodist has the hardest trip for the week as they journey all the way to Philadelphia to take on the boys from Temple. The Mustangs will get more competition for their opening game than any other conference team to date but they will come out on top.

All in all it looks like the Southwest Conference will come out on top this week with the exception of Baylor, and they are playing one of the fellow members so at least one of the teams will have to lose or tie anyway.

Norton Remodels Team Temporarily

After Saturday's game with North Texas, Coach Norton revamped his team, picked 43 players to work with him this week and sent the others to work with Charlie DeWare's crew.

The men he is going to work with this week include 7 ends, 7 tackles, 7 guards, 5 centers and 17 backfield men, and these include Howell, Higgins, Shefts, Wright, Yeargain, Prokop, and Hooker at the ends, Moncrief, Dickey, Tullis, Denton, Kadera, Hook and Steyman at tackle, Stautzenberger, Winkler, Overly, Powell, Sacra, Turley and Schmidt at guard, Gary, Knight, Flowers, Wright and Johnson at center, Hallmark, Baly, Daniels, Wallace, Welch, Hollmig, Pickett, Smith, Dew, Goode, Scott, Burditt, Zapalac, Flanagan, Sturcken, Ballentine, and Torno at backs.

Riddle Added As Assistant Coach

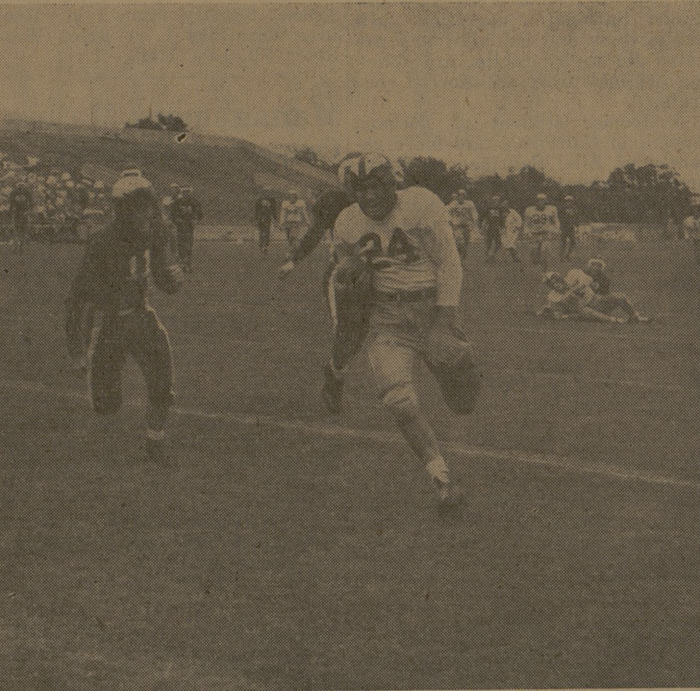

R. B. Riddle, class of '39 returned to A. & M. to assume the duties of assistant football coach and to continue his education.

Riddle, who is now residing at 305 Monclair Avenue, is formerly from Deatur, Texas and since his discharge from the Army in 1944 has been coaching at A. & M. Consolidated.

He graduated here in 1939, majoring in Economics and is now back taking Civil Engineering and minoring in Sanitary Engineering.

H. A. Powers, of the tests and demonstrations staff, Tennessee Valley Authority, Knoxville, Tenn., spent September 22-24 on the A. & M. campus, according to Dr. Roy L. Donahue, associate professor of agronomy, in charge of the state TVA Farm Unit Demonstration Program.

BATTALION Sports

Rob Goode, two hundred and two pound Aggie halfback demonstrates his prowess as he heads into pay territory to pave the way for the first touchdown of the game against NTSC after receiving a pass from Hallmark.

A letterman with three years eligibility ahead of him, Goode hails from Bastrop and, with his six foot, three and his two hundred pounds plus, he may make a name for himself on the Aggie eleven.

Aggie's Powerhouse Rolls Right Along to SW Crown

Aggies Bury NTSC With 47-0 Score

The Aggies romped to a 47-0 win over the North Texas Eagles using a total of 61 Aggie players to turn the trick. The stars were all over the field Saturday, as the Aggies all looked good, and a few were great.

The longest run of the day came late in the third quarter when Buryl Baty took Dinkle's punt on his own 20 and was trapped there. He then lateralled to Mann Scott back on the Aggie 15 who scampered 85 yards for a T. D. Marion Flanagan and Leo Daniels also ran punts back to pay territory making punting very unhealthy for the Eagles.

Only once did the Eagles threaten to score, and that was on a pass from Hudgins to Fambrough which put the ball on the Aggie seven yard line, but then the Aggie forward wall held and the farmers took over after fourth down on the 20.

Willie Zapalac made the old Aggies think of "Jarrin" John Kimbrough on several of his plays Saturday when he would plow through the line for four or five yards each try. He would appear stopped at the line of scrimmage and then he would burst through with Eagles hanging all over him. His total yards gained for the day was the second highest in the game with an impressive 46 yards rushing.

Hollmig made the final touchdown for the Aggies when he carried the ball over from the two yard line after a 15 yard penalty against the Eagles for unnecessary roughness.

The statistics don't give the Aggies nearly so great a margin as the final score did as the Eagles made 7 first downs to 10 for the Aggies. The Aggie forward wall held the Eagles to a net yardage gained by rushing of minus 3 yards but the nets for the total game were 93 yards for the Aggies and 71 for the Eagles.

INTRAMURALS

By Cliff Ackerman

Monday marked the official opening of the 1946 Fall Intramural program with 1,000 Aggies taking part as players and spectators. The largest schedule of games in A. & M. intramural history started play with 3 basketball games and 4 volleyball games in Class "A" competition, and 4 flag football games and 3 team tennis matches in Class "B" sports.

The chief of the Intramural office is "Buddy" Denton, former Infantry sergeant and a pre-war Intramural Manager. Buddy is in charge of all paper work and scheduling.

Harry Uthoff is a former member of the Air Force and in charge of Intramural officiating and managers. Harry is a Physical Education major.

Other intramural managers include: Leighton Lomax, who was the outstanding intramural boxer of last year's tournament; Tony High, an outstanding softball player this summer and a physical education major; Zeke Strange, who was a manager last year and an Aggie "T" man in baseball; Bill Rippetoe, who was a manager last year and a physical education major; Chuck Beyrle, who is newcomer from San Marino, California and a former Infantry Officer and Physical Training instructor; "Gib" Giblin, a good Athletic Officer of last year and a strong contender in the summer tennis matches; and L. E. Winder, who is a home town boy and an ex-marine. L. E. is the best softball pitcher in the Brazos area. Ross Lanier is a pre-war manager and an ex-navy radio technician. Bill Schaeper is another pre-war manager and former member of the 42nd Division. Les Palmer played pro-baseball and was a member of the '45 Fish football team. Philip Shelton is a former intramural manager in the class of '45. Another member of the 42nd Division, John Johnson is a pre-war manager and a former Combat Infantry Captain. John pitched in semi-pro baseball this summer. "Split" Spittenger was a very successful Fish Athletic Officer last year and a good intramural boxer. Freck Walker is another old time pre-war manager from Satin, Texas and of the class of '44. Jimmie O'Connell is a new member in our ranks but has had experience in all of the intramural sports. Harry Smith is another old hand as intramural manager and hails from New Orleans.

That's 18 and number 19 is yours truly.

Tech May Prove Tough Opponent

At 8:00 Saturday evening, September 28, the Aggie football eleven will face a real test and their team work and individual prowess will have the first trial.

The Red Raiders of Texas Tech are not to be taken lightly as they not only have a heavier team than the Aggies but are rated highly in the nation. According to the Williamson Rating, Texas Tech is number 24 which is twenty teams below the Aggies but still much higher than many other teams in the nation.

Tech may not have the manpower to draw upon that the Aggies have but it may take a large part of our team to hold them down. Though there is little doubt as to the outcome of the match, Coach Dell Morgan's Raiders may surprise everyone, including themselves and our line cannot be expected to hold them to a minimum of yardage as they did the North Texas Eagles.

Will Bo McMillin SAVE THE DAY?

Last season coach-of-the-year Bo McMillin led Indiana University to its first big ten football championship. Though the victim of a stunning upset in its first game last Saturday will Indiana still be the top team in the conference? Win or lose, Bo won't have to worry about his job. For, at Indiana, he's something more than a football coach—he's an institution. Don't miss the fascinating story of this most colorful coach in today's Saturday Evening Post.
