BEE TEAM

carried the ball over center for score one of the game. Beesley held and Crow kicked the extra point.

The first Cub threat failed to materialize when Red Burditt intercepted a pass on the Aggie 15 that enabled Beesley to punt out of danger to the Baylor 20. Following a pass from Beesley to Jim Boswell was completed and resulted in another T. D. Crow again kicked the extra point with Beesley holding.

As the second quarter drew to a close a fumble on the Cub 35 was recovered by Cal Dupree of Fort Worth and a pass from Burch to Anderson netted 19 yards. A second pass from Burch to Anderson was good for another first as the first half ended.

The Cubs playing on their own end of the field were repeatedly set back. Following a tackle by Brown and Pollack that stopped Cub right halfback McCann back of the line of scrimmage as he attempted a quick kick the Aggies took over on fourth down on the Cub 32.

Beesley carried the ball through the line to pick up five yards and a pass from Beesley to Pollack was good for an additional ten. Immediately following a repeat performance netted another ten and another first. Later in the quarter a quick kick by Torno from the Aggie 45 left the ball out of bounds on the Baylor 5.

In the fourth quarter Burditt carried the pigskin around left end for a first down on the Cub 20. Another run around left end by Anderson netted 8 yards and a short dash over center by Burditt chalked up another first down. A short pass from Burch to Hooker over center hit pay dirt and the kick was good.

REGULATIONS

collar, with an official discharge patch sewed on the shirt, jacket or blouse. When a veteran wears the A. & M. uniform, he is required to observe military courtesy, in such matters as saluting.

No Boots

That veterans not be permitted to wear cadet boots unless they are seniors in the Cadet Corps.

Classification

It was decided that all students, veterans included, be permitted to attend and participate in all functions of their respective classes. It was further decided that classes would be determined in the Cadet Corps according to the number of completed semesters, while among veterans, their academic classification would be used as a standard.

-YELL PRACTICES-

(Continued From Page 1)

of an out-of-town yell practice, so they will know just what is going on."

James Stanley Allega, Sophomore in B Company Infantry, while favoring yell practices, made a point blank attack on the amount of spirits (alcoholic, that is) floating around on the scene of yell practices. "Certainly we want to keep this tradition. But is it a tradition for the yell leaders to be in front of the public and ladies' polluted? I think I can speak for the majority when I say NO. If they must get lit, let them wait until after yell practice."

We understand that the nudists who recently held a convention in New York wouldn't even permit a book in camp if it had its jacket on.

LATEST IN FALL FASHIONS are modeled here by eight veterans' wives at the Style Show held October 22 in Sbsa Hall. Pictured from left to right are: Betty Wilson, Doris Walker, Dorothea Standberg, Beverly McCommant, Nettie Lamberth, Juanita Boyd, Nel Spradling, and Gloria Evans. The clothes were furnished by WSD, Beverly Braly, Collegiate, and Betsy Ross Shops of Bryan.
