Occupation PX's Sell Only Marshall Biographies

In Germany, post-exchange news stands are prominently displaying their first and only book for sale, and the Germans will probably find it a bitter pill to swallow.

The War Department approved this solitary selection, and sent 3,000 copies to post-exchanges in the European theater. "Only books of outstanding interest will be sold — we don't intend to get into the library business", said an Army spokesman. In the choice of the book, it is debatable whether or not the War Department intended to be satirical or not, but the book's popularity in Germany is likely to sag.

The book is "Together", a biography of George C. Marshall, written by his wife, Katherine Tupper Marshall.

Employee Relations Position Now Open

A Civil Service Examination for Employee Relations Officer is now open, according to a statement made by Paul H. Figg, Regional Director, Fourteenth U. S. Civil Service Region, Dallas, Texas. Salaries for this position, which will be filled in the various Federal agencies in the State of Texas, will range from \$3397 to \$4902 per year.

No written test is required for this examination, as applicants will be rated on the basis of their training and experience. Applicants must be between the ages of 18 and 62 on the closing date for receipt of applications. These age limits do not apply to persons entitled to veteran's preference, provided they have not reached the age for automatic retirement. Age limits will be waived for war service indefinite employees who on the closing date of this examination, are serving in positions which would be filled from the eligible register resulting from the examination.

Applications must be on file with the Fourteenth U. S. Civil Service Regional Office, not later than March 20, 1947.

Application forms and further information may be obtained from any first or second-class post office in which this notice is posted.
