

ON KYLE FIELD

by PAUL MARTIN

Plans are being made to reorganize the Aggie T Club that practically died out for lack of inertia during the war. Composed of Aggies who have lettered in one of the major sports, football, baseball, basketball or track, the organization has hopes of reviving some social activity on the campus.

A meeting for the purpose of reorganization will be held in the C. E. Lecture room on Wednesday, March 12 at 7:30 p.m.

Baseball Race to Be Well Balanced

If the first day of practice is any indication, the Aggies are going to have a baseball team this year. The first game of this season is less than two weeks away but most of the team is already in shape and with a bit more practice should develop that teamwork necessary to win.

Monday's drill was essentially a batting practice with each man getting his crack at the ball. Stan Holmig, slated for the key-stone sack, was continually knocking the ball over the new cyclone fence. Another strong hitter was Floyd Walker, who bats left-handed. Walker handles the catcher's slot. Leo Daniels, All-Conference fielder in '42 and '43, was also pushing the apple out against the fence.

Tex Thornton and Russell Mays were alternating at short-stop and both were becoming smooth ball handlers. Two men who handled the second base spot were Cotton Lindloff and Red Burditt and both looked well in their positions. Julian Pressly, who looked good both in the batter's box and on the diamond, will probably take over the third base slot.

With a well rounded infield and a fast developing outfield, Lil Dimmitt may have a conference winner for a baseball team. One big question mark is always pitching, but Lil has several hurlers on hand, such as Bing Turner, Earl Beesley, and Leroy Gibbon, and several more in the developing stage.

Coach Dimmitt was notified Wednesday that the tilts with Brooks Army Air Field on March 14-15 have been canceled and the scheduled matches with Southwestern University had also been cancelled that were originally slated for March 21-22.

No opponent has as yet been found to fill the latter dates but the Brooke Medics will fill in the 14 and 15 dates as well as two more games on March 20 and 24.

News From the Enemy Camps

Competition will be rougher this season as in most sports. Baylor, who finished high up in the race last year, seems to have gone after high school stars and should make a better showing than in the past. Rice, TCU and SMU will also be making strong bids for honors according to reports from the north and Texas, the perennial strong contender, will be just as

hard as ever to beat. Bibb Falk has in his line-up five '46 All-Conference players plus a couple of reputedly hot freshmen. The Steers, defending their 26th Conference title will have a strong battery of hurlers and indications are that Bobby Layne, winner of nine conference games last year, will be top man in the pitchers slot.

Dorm Number 1 Wins Upperclass Intramural Football Championship

Winners of last years Intramural Upperclass Football competition were the boys from Dorm 1. Members of the team, pictured in the usual order, are: front row, Brueck, Cotton, Jones, Cox; back row, Honaker, Redditt, Halbrook, Rettig and Amons.

Smith Paces Aggie Roundball Scoring

Lynn Smith, 6 foot, 5 inch Aggie center who joined the cage squad at mid-term, after three conference games had already been played was high-point man for the Cadets for conference scoring.

Veteran cager Homer Adams had the best free throw percentage with .705 with only five missed. Mike Garcia was next with .678, missing eight and Don Volding missed six to make a .825 average.

Player	Fg	Ft	Pf	Tp
Smith	46	10	16	102
Batey	35	18	20	88
Garcia	30	19	33	79
Adams	31	12	21	74
Volding	28	10	23	66
Kemperman	18	17	20	53
Turnbow	9	13	17	31
Moore	8	8	9	24
Thornton	9	0	13	18
Jenkins	5	2	13	12
Weinbaum	5	2	11	12
Collinsworth	5	1	7	11

Lloyd Messersmith's SMU club has been showing constant improvement and under direction of the veteran mentor, the Ponies may be in a position to go places this season. TCU will be stronger than ever and the Frogs have been making some strong bids even though last season the Purple wound up in the cellar.

The Cadets have one thing in their favor and that is that both games with Texas are to be played at College Station.

In the bantamweight bouts the semifinals have been reached with Lomax A CWS meeting Allen of A Inf. and West of Dorm 17 going against Pastorek Dorm 3.

In the flyweight division only two entries were recorded: Mathis of A Signal and Webb from G Infantry. These men will meet in the finals matches March 17. Winners in last Saturday's fencing match at which A. B. Rodner, Houston professional, officiated were Chromister in first place and Dye taking second.

Aggie Golfers Get Work-Out Sunday

Despite all kinds of weather, most of it bad, Marty Karow's Aggie golf team has been getting in some work-outs. An intrasquad qualifying match scheduled last Sunday on the Bryan Country Club links failed to bring any definite results as the weather was too cloudy for much play.

This Sunday, beginning about noon, an outer-squad match has been arranged between members of the Aggie team and Bryan Country Club regulars.

Though some members of the team have not gotten in their qualifying rounds yet, others on the squad have been slipping in a few strokes that may spell out a better-than-average team.

Texas Ruled Favorites in Fifteenth Annual Border Olympics at Laredo

The fifteenth annual Border Olympics held in Laredo this week-end, the first big outdoor track and field meet in the nation, finds the Texas Longhorns ruling as the favorites.

Baylor Boasts New And Better Team

Baylor baseball coach Pete Jones has, according to Waco sources, a formidable array of talent trying for the team this year. Included among the prospects are 13 former lettermen, ten from last year's club and three from pre-war days. Some fifty other applicants including some of Texas' best high school players are also on the roster. Heading the veterans are a trio of All-Conference performers from the '46 season, pitcher George Shearin, catcher Tom Chandler, and second baseman Jack Redding.

Coach Jones is not making any predictions as to the Bears chances for the title but he is not pessimistic. The Bruins tangle with an improved Aggie nine at College Station on April 2 and with the Bears in Waco on April 25 and 26. The Baylorites and Aggies both open against the same opponent, Brooke Medical Center of San Antonio. This is due to the cancellation of the Aggie's original opener against Brooks Army Air Field here. Baylor will meet the Medics in San Antonio on March 11 and 12 and the Cadets will open on March 14 and 15, also in San Antonio.

Close to 700 athletes are entered from 46 colleges, universities and high schools. The high school preliminaries were held Friday afternoon and finals Saturday. College finals are held Saturday night on the recently completed \$30,000 cinder path.

Steer sprinter Charlie Parker, who holds the record of 9.5 in the 100 yard dash and has not lost a race in the last five years, holds the spotlight. The nine entries in the university class are Texas A. & M., Texas University, Baylor, Rice, Arkansas, Tulane, Southern Methodist University, Oklahoma A. & M., and Texas Christian University. University teams from four states are represented — Texas, Arkansas, Oklahoma, and Louisiana.

In the college class are Texas Tech., Sul Ross, Stephen F. Austin, McMurray, Abilene Christian, University of Houston, Texas A. & L., Trinity University, Southwestern University, Howard Payne, East Texas State, North Texas State, Southwest Texas State, and Sam Houston State. Some 340 individual school-boy entries from 31 schools were registered, headed by San Antonio with nine schools.

Agricultural Engineering Lecture Room, the program will begin at 7:15 p.m.

An informal question and answer discussion will follow the address, Tanksley said. All agricultural education students and other interested persons are invited.

Cigarette Shortage Still Acute

Crowds Queue Up... Millions Try Different Brands... Smoke Whatever They Can Get.

EXPERIENCE TAUGHT MILLIONS THE DIFFERENCES IN CIGARETTE QUALITY!

IT'S ONLY a memory now, the war cigarette shortage. But it was during that shortage that people found themselves comparing brands whether they intended to or not.

And millions more people found that the rich, full flavor of Camel's superb blend of choice tobaccos suited their Taste to a "T." And that their Throats welcomed the kind of

cool mildness Camels deliver. Thus the demand for Camels grew so great that today more people are smoking Camels than ever before. But, no matter how great the demand, this you can be sure of:

We don't tamper with Camel quality. Only choice tobaccos, properly aged, and blended in the time-honored Camel way, are used in Camels.

Your 'T-ZONE' will tell you...
T FOR TASTE...
T FOR THROAT...
That's your proving ground for any cigarette. See if Camels don't suit your 'T-ZONE' to a 'T'

According to a recent Nationwide survey:

More Doctors Smoke Camels than any other cigarette

When three independent research organizations asked 113,597 doctors—What cigarette do you smoke, Doctor?—the brand named most was Camel!
