

Community Chest Donates \$1,800 To Red Cross Drive

A check for \$1,800 was turned over to the American Red Cross today from the College Community Chest as part of that organization's donation to the annual Red Cross fund, Dr. Ralph W. Steen, Community Chest chairman, announced.

He said that the donation from the College Community Chest represented twenty percent of the Red Cross budget set for Brazos County.

Although the major portion of Red Cross funds are raised during the yearly Community Chest campaign, Dr. Steen stated that he would be glad to handle and turn in to the proper authorities any additional contributions which individuals might care to make.

Edmonds to Address Camera Club Monday

Dr. Arthur G. Edmonds, department of Physics, will address the Camera Club Monday evening at 7 o'clock in Room 35, Physics Building, Claude Stone, vice-president, stated Thursday. His subject will be "Light and Lenses".

The Camera Club, which ordinarily meets in the basement of Guion Hall, will hold its meeting in the Physics Building in order to accommodate more listeners.

Members of the club and other persons interested are invited to attend.

—NORTON—

Continued from Page One member of the Academic Council, and shall be in direct charge of all intercollegiate athletics. He shall not coach any major sport. The President of the College will, under these Rules and Regulations, prescribe the duties of the Director of Athletics, in addition to those set forth above.

The Board authorized the President to employ a Director of Athletics and after a discussion with Coach Norton and the Athletic Council and in agreement with this group relieved Coach Norton of his present assignment as Athletic Director and assigned him as Head Football Coach at the salary

NORTON'S STATEMENT

Norton said to the Battalion last night:

"For the past thirteen years I have enjoyed my work at Texas A & M. I have enjoyed working for and with the administration, board, student body, athletes, and by far the majority of the former students. So long as I am coaching here the uppermost thing in my mind will be to keep our football team in the national spotlight. "I would like to thank the press and all those concerned who have contributed to our success in the past. Would also like to thank the many former students and my friends who have written, wired and telephoned expressing confidence. My aims will be another championship for A. & M."

now carried in his contract.

This action on the part of the Board was the result of the recommendation made by the Athletic Council on February 1 in which the Council stated that after long and careful deliberation and extended conferences with Coach Homer Norton that it had "agreed that it is to the best interests of Mr. Norton and the A. & M. College of Texas that his services as Head Coach and Athletic Director be terminated at the earliest practicable date." The Council further stated that under his contract Mr. Norton was due some compensation and it was recommended that the Board of Directors attempt to reach a financial settlement with him.

Attorney General Says "No"

At its meeting on February 21, the Board of Directors discussed

Bryan VA Office Changes Hours

A recent change in office hours of the Veterans Administration branch in Bryan should be noted by all ex-servicemen in this area. On Mondays it will be open from 8 a. m. to 4:30 p. m.; Tuesday, 9 a. m. to 4:30 p. m.; and Saturday, 9 a. m. to 1 p. m. The Bryan contact office is located in the City Hall.

The local representative, J. R. Varnell, visits the college office in Hart Hall twice each week for the purpose of aiding veterans in their affairs. He may be contacted in the Hart Hall office on Monday mornings and Thursday afternoons. Also, on every other Wednesday afternoon he is in the college office.

this matter with Mr. Norton and with the Athletic Council and instructed the President of the College to ascertain from the Attorney General whether it could legally make a settlement with Mr. Norton on his contract. The Attorney General ruled that the Board of Directors "cannot settle its contract with Mr. Norton by paying him any sum of money in addition to that which he has earned thereunder."

After this ruling from the Attorney General, the Athletic Council recommended through the President of the College to the Board that an Athletic Director for intercollegiate athletics be appointed and that Mr. Norton be relieved of his duties as Athletic Director and be assigned as Head Football Coach. This recommendation necessitated the amendment to the Rules and Regulations of the College given above.

G. R. White, Brady, President of the Board of Directors, stated that this action in regard to the athletic situation at the A. & M. College of Texas was reached after complete and friendly discussion on the part of the Board of Directors, the President of the College, Mr. Norton, and the Athletic Council, and that the

SPRING TRAINING STARTS APRIL 7

Coach Homer Norton announced last night that plans are being made for spring football training which will start Monday, April 7, immediately after the spring holidays.

action taken by the Board yesterday was felt to be in the best interest of all concerned, and he was sure that all friends of the College would join in support of the athletic program under the new organization.

Civil Service Rules, Effective May 1, Broaden Policies for Administration

The Regional Office of the Civil Service Commission in Dallas announced today that the President has signed an executive order which completely revises the Civil Service rules. The rules will be effective May 1, and will supersede the temporary Civil Service Regulations.

The new rules consist of broad policies for the administration of the Civil Service Act and the Veterans' Preference Act. They delegate to the Commission authority to issue regulations to carry out those policies.

The main features of the Executive are:

(1) It defines the responsibilities of the Civil Service Commission, the agencies, and the Federal Personnel Council.

(2) Existing rules, regulations, and executive orders have been reorganized and consolidated. Fifty-four executive orders, some dated as early as 1904, have been revoked either because they are obsolete or because they have been incorporated into the rules and regulations.

(3) The best and most successful policies developed during the war period have been continued. For example, the policy of delegating authority to act in individual personnel matters to the agencies, subject to post-audit and inspection by the commission, has been continued.

(4) The sixteen separate rules that existed before the war have been consolidated into six.

Detailed regulations supplement the six rules. These regulations are issued by the Civil Service

Commission under authority of the rules, each group numbered and titled to correspond with the regulation to which it relates.

The regulations state that a person selected for other than temporary appointment shall be given a probationary appointment; the

first year of service under this appointment shall be a probationary period; the agency shall terminate the appointee's services during this period if he fails to demonstrate fully his qualifications for continued Federal employment.

Applicants may be denied examination, and eligibles may be denied appointment, for any one of certain reasons which are set forth in the regulations.
