

The Mess . . .

The recent editorial requesting vets to turn in suggestions was, to the least, a flop. There have been about six such notes to date. Most of these came from Duncan Hall. Here are a few:

W.C.S. asked "why the same item cost different prices at different meals." We checked the dates given and found that there was no difference. Undoubtedly this was a checker's mistake. **CHECK YOUR SLIPS AND TAKE THEM BACK IF THEY ARE WRONG.** Anyone can make a mistake. The prices are displayed so that you can do this.

H.O.H. said that "he was charged extra for sugar which he asked for on his cereal instead of in his coffee." There is no charge for sugar, but it is RATIONED.

There is a tentative plan to put in a snack bar instead of one of the lines at noon and possibly supper. This line would serve sandwiches, salads, chili, and drinks for those who do not want a full meal. Let us know what you think of this idea.

Men, let us hear from you, and you will hear from us with action. The Mess Committee.
