Track Team to Find Tough Going

A&M's track and field squad, consisting of some of the best talent to represent this school in some time, pulled one upset this year by beating the Texas Longhorns for the first time in history at the Fort Worth Fat Stock Show meet (in fact, this is the first time that Texas has ever been beaten at that meet) and very nearly pulled another by losing to the Steers by one-half point the previous week in Laredo.

Martin

Should the Fort Worth meet have been a dual affair between A&M and Texas, taking into consideration the participation points of each team, the Aggies would have won the meet by an even wider margin. However, the two

mile was not run. Texas swept the mile and half mile and would be hard to stop if they took the two mile honors also. We have boys in these events who can and will win us some points.

If the meet at Laredo had been scored as a dual meet between ourselves and the 'Sips, we would have won by two points. The meet in Corpus Christi on April 5 will be a hard one to win for Rice is strong in the three events where Texas is weak, the high jump and the hurdles. Arthur Haws and Jim Mortenson have been doing commendable work in these events and there is every indication that they will continue to make their presence known but the Owls have some boys who are reputed to be plenty good.

For this reason, Texas should emerge the winner but if we can pull through some places in the distance runs, which is not inconceivable, we may be able to take the honors.

High School Cage Ace May Choose A&M

Ace high school athletes come high and the better they are, the higher they come. There is a boy in Greenville who is so good that he can not only name the college he wants to attend but can bring his coach along for a full-time college coaching job.

Six-foot 10-inch Marcus Freiberger has already established such a reputation for himself on the hardwoods that his coach, Ray Dorsett, has been offered positions on the coaching staffs of several colleges providing he brings the young giant along with him.

Smashing all scoring records of the Texas Interscholastic league annual tournament, Freiberger scored 46 of his teams 53 points against. He put on at that time what was probably one of the greatest one-man shows in tournament history, so much so that the opposition was using three men in a vain attempt to stop him.

Freiberger is the youngest member of a basketball family with three brothers who starred in college circles. He has made All-State center twice and his coach boasted (and rightfully too) that school boy flash could make any college team in America right now and from the looks of his past records, his services could be the deciding factor in many a contest.

Dorsett said that his star pupil hasn't as yet decided where he would go to college but probably it would be a Southwest Conference school and very likely a state college. That makes it either Texas, Arkansas or Texas A & M.

Chief objective is to get in a school where the towering center can receive consideration as All-American. One of Marcus' brothers, John Freiberger, played at Arkansas, another, Alvin Freiberger, starred at Southeast Oklahoma Teachers College before the war.

Baseballers Weak in Hitting Dept.

The books show that Gibbens has issued 9 walks and gave 13 hits good for 6 runs which were aided by 4 errors on the part of his mates. He fanned 15 in the 19 innings he has worked.

Beesley tolled 21 innings allowing 8 runs, 8 hits and walked but 3 men. He fanned 21 and in his last game he held McMurray hitless and runless for five innings before he was taken out with the score 13-0 for the Aggies. The

Cadets erred 10 times behind him and helped account for his lone loss to Brooke Army Medical Center. In that same game they got but one hit.

Leading hitter to date is Leo Daniels, center fielder who was All-Conference back in 1942-43. He is hitting for .333 and trailed by Tex Thornton, second baseman, who has an average of .313. Catcher "Frog" Walker, a freshman, is batting .273 for the third spot.

Aggie Baseball Team Parades New Uniforms

The 1947 edition of the Texas Aggie baseball team, decked out in the new uniforms, won four of their six pre-conference games and meet the Rice Owls in Houston Friday and Saturday. Pictured in the usual order, are: bottom row, Mays, Lindloff, Calvert, Walker, Maltz, Fretz, Wasson; second row, Johnson, Brown, Holmig, Gibbons, Beesley, Turner; top row, Dimmitt, Willingham, Hughs, Thornton, and Vass.

Navy-USMC Officer Pilots Meet Monday

A meeting of all Naval and Marine officer-pilots will be held in the Petroleum Lecture Room at 8 p. m. Monday evening, March 31. Pilots from the Bryan-College Station area are invited to attend the meeting, which will concern the possibilities of organizing a Naval Reserve Aviation Unit at Easterwood Field.

Commander Barry Holton of the U. S. Naval Air Station at Dallas will be the principal speaker.

In 1903, a Minnesota student, elated by the tie his team had gained with Michigan, snatched the Michigan water jug. Through the years that little brown jug has become the symbol of Michigan-Minnesota football supremacy.

Aggie Baseball Club Meets Baylor Here Wednesday at 3

Following their opening games with Rice Institute in Houston yesterday and today, the Texas Aggie baseball club will take on Baylor as their second conference opponent here Wednesday, April 2 at 3 p. m.

Brazos Club Backs Coach, Staff; Plans Party and Muster

The Brazos County A & M Club, in a meeting Tuesday night, unanimously passed a resolution for the full support of the coaching staff and members of all Aggie teams engaged in intercollegiate competition.

The resolution also urged all groups here and former students over the state to put aside their differences over the coaching set-up, and to "put their entire efforts behind the present coaching staff so that the spirit may be demonstrated in action rather than by words."

Plans for the annual spring party, given by the club for Aggie participants in winter and spring sports, were also discussed. C. N. Hielsher, vice-president, named W. R. Carmichael general chairman for the party, and W. G. "Breezy" Breazeale, "Flop" Colson, and Charlie DeWare in charge of food arrangements. Ticket sales will be looked after by George McCulloch, Elmer Smith, and Lucien Morgan, while transportation of the some 150 Aggie athletes will be the responsibility of Pinky Downs and Wallace Kimbrough.

Lil Dimmitt, baseball coach, spoke to the club and told them that this year's team should be much better balanced than the '46 team. Unfavorable weather has prevented the boys getting enough batting and fielding practice, and they are not as smooth as they should be at this stage, Dimmitt said.

Preliminary plans for holding the club's annual muster on April 21 were discussed. R. L. Elkins is chairman of arrangements, and Representative W. T. Moore will preside. The muster will be held on the lawn of the Administration Building from 7 to 8 p. m., with the student body invited.

Eastland, Stevens County Club Meets Tuesday at 7:30

A special meeting of the Eastland and Stevens County Club will be held in Room 206, Academic Building Tuesday, April 1, at 7:30 p. m.

Baylor opened Friday against Texas Christian in Fort Worth in the first of a two-game series. The second game takes place today. Lil Dimmitt's charges will lie idle following the Owl tilt until the Bear match.

Probable starter on the mound for the Bruins will be Rickey Rowe, a freshman from Dallas who won Texas' place in the "Brooklyn against the World Series" last year and is considered an outstanding prospect.

Lil Dimmitt has not announced yet who will start on the mound but either Johnson or Beesley has been suggested.

With Bobby Layne on the mound, Texas University opened conference baseball play against Southern Methodists in Austin Thursday, downing the visitors 12-7.

Batting on the Texas nine was outstanding with two home runs and one man going down for a triple. The Longhorns were credited with 13 hits to eight for the Ponies.

Golf Team to Have First Home Match Next Wednesday

Marty Karow's Aggie golf team will have its third meet next Wednesday and their first match here when they meet the Baylor linkmen.

Opening against Southern Methodist in Dallas, the Cadets won 6-4 and did a repeat performance the next day against TCU in Fort Worth with an identical score.

Last Saturday, in the Fat Stock Show tourney in Fort Worth, the Farmers tied for fourth with Oklahoma with a strong south wind blowing and on an unfamiliar green.

Travis Bryan, Jr. is still pacing the team in number one position. Coach Karow has been in New York for the past week making preparations for the coming basketball season and Gather Nowell has had charge of the team.

Opens 1:00 p. m. Ph. 4-1181
