Hollywood Revelations

By Harry Revel

Hi-ya Aggies . . . Here's some more movie-town musings . . . MICKEY the ROON has moved out of his palatial mansion in Beverly Hills and has taken a small apartment for himself, thereby scotching the rumors that he would reconcile with his wife.

SHIRLEY TEMPLE, just celebrated her 19th birthday . . . just a quiet family gathering without publicity and flash-bulbs.

There is a possibility of the FRANK SINATRA-LEE MORTIMER hostilities ceasing ere it reaches the court stages . . . and frankly, 'twould be a good thing for both parties concerned . . . there's no reason for mud-slinging

Harry Revel

washing out dirty linen . . . lovely INGRID BERGMAN is due back to Hollywood within the next month, to start work on JOAN OF ARC her next cinema t- ac chore . . . JOE LOUIS the champ, is in town and vows that after the next two fights in defense of his crown, he'll positively retire from the ring . . . familiar sight in Hollywood these days is the one and only JACK DEMPSEY riding horseback accompanied by his two daughters . . . the two gals are pretty good rid-

ers, too . . . too bad about poor BENNY LEONARD, the famous light-weight champ who died while refereeing a fight in Brooklyn last week . . . he should have retired from the fisticuff world with plenty of dough stacked away, but when a guy gets so many 'investors' sharing his earnings, there's not much left in the final analysis.

DER BINGLE CROSBY is in New York City having a heck of a swell time, golfing, seeing the shows, visiting the nightspots and doing a couple of transcriptions here and there . . . his next two releases THE EMPEROR'S WALTZ and THE ROAD TO RIO will hit the theatres this Fall.

BOB HOPE, JACK BENNY and a host of Hollywood celebs boarded planes and headed for Galveston to do some benefits to help the victims of the Texas City holocaust.

BILL AND COO is the intriguing title of a feature film in color now being shot over at Republic Studios . . . the cast consists of 400 birds and ace comedian KEN MURRAY is the producer of this unusual epic which has all the earmarks of a Grade A success.

It looks as if FRED ASTAIRE will be lured back to Hollywood this late fall despite the fact that he had admitted retiring from the screen to take care of his DANCE-TORIUMS in the East . . . once a showman, always a showman, and the smell of greasepaint to an artist is the breath of Life.

So long . . . see you next week.

Renovation of Inn Nearing Completion

Plans for the renovation of the Aggieldand Inn are rapidly being pushed to completion, according to manager J. C. Peniston. These plans consist of replastering, repainting, and refurbishing the building throughout.

Modern Simmons steel bedroom suites have been ordered to match the freshly painted rooms, and new wall carpets are being purchased for the rooms and halls. A new telephone system has been installed and a number of radios have already been placed in the rooms.

Due to material shortages, the completion of these plans are being held up, but work will be completed as soon as possible.
