

### Over the Top

**ART HAWS**, Aggie high jumper has shown considerable promise this season and has accounted for not-a-few points for the A&M track aggregation. His mark of 6 feet six and one-fourth inches earlier in the season tops all his previous work and placed him in a position to gain national recognition should he continue such exhibitions.

### ON KYLE FIELD

by PAUL MARTIN

The Southwest Conference baseball circuit took a surprising turn this week-end as the second place Baylor Bears were dislodged by a determined group of SMU Mustangs. The scores were heavily lopsided, 16-3 and 4-0.

This, coupled with two wins by a visiting Texas Aggie nine over the Froggies, reshuffled team standings in the SWC. As Texas moved up into an undisputed first place by virtue of a couple of victories over Rice, A. & M. replaced Baylor in second place for seasons standing and a tie with the Bruins for Conference standings.

The Ponies, who have been bringing up the rear all season with one win and seven losses, moved up into number four spot above Texas Christian and Rice with two wins and eight losses each. Currently, there are two ties in the race, Baylor and A&M in second place and TCU and Rice in fifth. The tilts between the Farmers and Pines played Monday afternoon and Texas Christian and Texas Tuesday will change this however.

Baylor, boasting of perhaps the strongest pitching staff in the league headed by at least four top notchers, should coast for the rest of the season with only Rice and TCU to contend with. A&M, on the other hand, winds up the sea-

### Bees Defeat Blinn 8 to 0

The Aggie B baseball team fresh from an 8 to 0 victory over Blinn Junior College last Saturday meets the Texas University Shortorns here on Kyle Field Thursday, May 8 to open a two-game series with the B team.

George Brown, the freshman mound ace of the Bees, went all the way against Blinn J. C. last Saturday to chalk up a two-hit shut-out. This was the second time in eight days that Brown has gone the route for the Ags. He chalked up two hits in three trips to the plate.

During the affair, the Bees had no errors chalked up against them while the hosts had three. No Blinn runner managed to get past second base.

Ray Katt, the regular catcher on the team was unable to be there that day and Bill Eckles, third baseman was behind the plate. Other changes in the regular line-ups were Bill Hilliard on second and John Scurlock on third in place of Eckles.

This leaves the Cadet Bees with three games left to play. They meet the Stephen F. Austin nine here Friday afternoon and the Texas Shortorns in Austin on May 12.

### Cadet Thinly Clads Drop Dual Meet With Oklahoma Cowboys

by Larry Goodwyn

The Texas Aggie track team today began making final plans for its Sports Day battle with the University of Texas here next Saturday after losing their second dual meet of the season last Saturday in Stillwater, Okla.

It was Oklahoma A. & M. which trimmed the Aggies, the Cowboys winning by a margin of 73 1/2 to 62 1/2.

The Oklahomans took the lead in the first event and stayed ahead all afternoon, exhibiting a well-balanced squad that should encounter little trouble in winning the Missouri Valley Conference track title this year. Credit for the meet's first performance went to the Okla Sprint Relay Team which clicked off a blistering 41.1.

For the Aggies, the meet was a sad succession of near misses. Apparently affected to some degree by the long trip, the Aggies simply weren't up to par in several events—and it proved costly.

Webb Jay just missed winning the 100-yard dash after leading most of the race; Art Haws finished second in the high jump with the winning leap carrying only six feet even, six inches under Haws' best jump this year; and the Aggie sprint relay team fumbled away its chances of winning by juggling baton exchanges all around the track; Jim Mortensen was nosed out by inches by Oklahoma's Neill Armstrong in the 120-foot hurdles; and the Aggies' trio of 12 foot pole vaulters—Tate, Bodeman and Davis—all went out at 11 feet six inches to finish in a tie for second behind a winning jump of 12 feet even.

Based on five points for first, three for second and one point for third, George Kadera of the Aggies took individual scoring honors with 11 points. Kadera won the shot put and discus and finished third in the javelin.

Other double winners were Teakall of the Cowboys, who won the mile and two mile and Armstrong, who capped the low hurdles as well as the highs.

Art Harnden came through as expected to take the 440 dash in 48.6 and Jim Hill took the broad jump with a leap of 23 feet, four inches. The Aggie mile relay team of Harnden, Holderbeck and Napier, win its event by over 50 yards in the comparatively slow time of 4:22.8.

In all, Oklahoma A. & M. won 10 of the 16 events and tied for first in another (the 880-yard dash in which Hahn of A. & M. and Tarrant of the Cowboys were both clocked in 1:56.9.)

The win preserved Oklahoma's record of being unbeaten on their home track for 11 years.

### Aggies Tied for Second Place; Drub TCU Friday, Saturday

by Andy Matula

With a veritable barrage of base hits, the Texas Aggies swamped the TCU Horned Frogs, 11 to 5, Friday afternoon in the first of a two-game series held in Ft. Worth.

Dewey Jacobs went all the way for the Aggies on the mound. The big six foot three-inch pitcher allowed only five hits as he appeared before a hometown crowd. Jim Barnett is credited with the loss and was replaced by his team mate, Hubert Walters.

It was a big day for Aggie batters, as they cracked out 14 hits and scored 11 runs. Peck Vass came through with a home run and Stan Hollmig, Bob Wasson, and Cotton Lindloff each pounded out a triple. Doubles were wracked up by Bobby Fretz and Hub Moon.

Starting out in the first inning, the Aggies scored three runs, only to have the Frogs quickly even the score and go ahead by one run in the second inning. The Ags tied it up in the fourth and surged ahead with two more in the seventh and five additional runs in the eighth frame. The Frogs added their last tally in the ninth.

This is the third win of the season for Dewey Jacobs, his second against TCU, and makes him the leading Aggie hurler. Besides these two wins over the Frogs, Jacobs has another over the SMU Mustangs.

### A&M Netters Lose To Rice Friday

The highly-regarded Rice tennis team defeated the Aggie net squad here Friday afternoon in six straight matches. The Owls, led by Sam Match, the number 12 netter nationally, swept four singles matches and went on to take both doubles matches.

Bill Bennett, the Aggies' number one player, carried Match to the limit, forcing the Owl star into three sets before bowing, 7-9, 6-4, 6-2.

In other singles matches, Bob Curtis, Rice, beat Benny Stanford, A. & M., 6-4, 6-1; Chick Harris of the Owls trimmed Hank Allen of A. & M., 6-3, 6-4, and Bob Foley, Rice bested Rod Sellers, 6-1, 8-6.

In doubles play, Match teamed with Curtis to blank Bennett and Allen, 6-0, 6-1, and Stanford and Stanley lost to Harris and Foley, 6-0, 6-3.

Players on both squads were
