

—YARNELL—
(Continued from Page 1)

logist, and plant breeder, naming these three varieties of berries.

Dr. and Mrs. Yarnell have three sons: Jim, a student in architecture at Cornell; Dick, a student in geology at A&M; and Pete, a student in Lamar Junior High School at Bryan.

He holds membership in the following research and scientific societies: American Society of Naturalists; Botanical Society of America; Genetics Society of America; American Society for Horticultural Science; and the Association for the Advancement of Science. In 1930, Dr. Yarnell was listed in American Men of Science as a research horticulturist.

He was educated at Michigan State College, where he received his B. S. degree in 1922; did graduate work at Cornell from 1925 through 1926; completed his Master of Science degree at Harvard in 1929; and was awarded his doctor's degree at Harvard in 1930. He was assistant at the Bussey institution at Harvard from 1926-1930.

He is a veteran of World War I and has been a member of the Rotary Club of Bryan.

the A&M Dairy Cattle Judging Teams. Prizes were awarded both on the basis of showmanship and individuality of the animals.

Tickets for Brazos Barbecue Monday Still Available

Ticket sales for the Brazos County A. & M. Club's annual spring barbecue and banquet Monday evening have been going well, according to William Carmichael, chairman of the ticket sales committee.

Given in honor of Aggie athletes in spring sports, the barbecue will begin at 7 p.m. at the Bryan Country Club. At that time, lettermen in baseball, track, tennis, golf, pistol, and rifle will be announced and awarded letters.

Immediately following, the outstanding athlete for the current school year will be named and awarded the Jack Dempsey Adam Hat trophy.

Senate Group Approves Two A&M Experiment Stations

Two bills were recommended for passage by the Texas Senate Committee on State Affairs this week. One of the measures would empower A&M to establish and maintain an experiment station in the High Plains region. The other bill authorizes the establishment and maintenance of an experiment station in Collingsworth County.

Official Notices

NOTICE TO GRADUATING SENIORS
Formal commencement exercises will be held Friday, May 30, as follows:
Baccalaureate services at 10 a.m. in Guion Hall.
Commencement exercises at 6 p.m. in Kyle Field Stadium.

No preliminary rehearsal will be necessary, but the attention of all candidates for degrees is called to the College Regulation which reads, "Unless excused by proper authority, he must be present in person at the Graduation exercises." Caps and gowns will not be required.

F. R. Jones, Chairman
Commencement Committee

AGRICULTURAL AND MECHANICAL COLLEGE OF TEXAS
OFFICE OF THE DEAN OF MEN
Memorandum 14 May 1947
Subject: Assignment of Rooms for Fall 1947

To: Housemasters in Dormitories other than 1 through 12.

1. Attached is a blank roster of your dormitory. Since it is necessary that your dormitory not be used this summer, and the occupants will have to move, it has been deemed advisable to give you men a chance to sign up for the rooms they now hold in order that they can live in the same rooms next fall. You will contact each of your men and if he anticipates returning next fall, sign his name on the roster.

2. THESE MEN MUST BE INFORMED THAT THEY MUST REQUEST THIS SAME ROOM WHEN THEY APPLY FOR A ROOM DURING THE SUMMER, AND UNLESS THEY MAKE ADVANCED ROOM RESERVATIONS DURING THE SUMMER THESE ROOMS CAN NOT BE HELD.

3. These rosters must be turned in to the Assistant Directors by not later than 5:00 p.m., Wednesday, May 21, 1947.
(Signed) Wm. G. Breezale
Assistant Dean of Men (Acting)

SCHOOL OF ENGINEERING
May 14, 1947

There will be a meeting Monday night, May 19, at 7:15 p.m. in the Petroleum Engineering Lecture Room for all the boys who are interested in taking flight training this summer. Application blanks will be available at that time.

GRADUATING SENIORS: At 8 o'clock a.m., Thursday, May 29, there will be posted on a Bulletin Board in the Registrar's Office in the Administration Building a list of those seniors who have completed all of the requirements for a degree and who are eligible to participate in the Commencement Exercises. This bulletin will remain posted through May 30th and every candidate is urged to consult it to determine his status.

H. L. Heaton
Registrar

OFFICIAL NOTICE

Students desiring advanced physics courses are requested to acquaint the undersigned with their needs at their earliest convenience prior to registration in order that assurances may be given on registration that courses will not be cancelled owing to insufficient registration. Information is wanted on plans for both summer terms right away, and students who will not be on the campus during the summer are asked to communicate to the undersigned now their desires for physics courses in the fall semester.

It is contemplated that the course in Experimental Modern Physics, Physics 411 (prerequisite, Physics 311) will be offered the first instead of the second summer term, as indicated in the summer schedule.

J. G. Potter
Head, Physics Department.

OFFICIAL NOTICE!

There will be a meeting for all those interested in Flight Training, Monday, May 19 at 7:15 p.m. in the Petroleum Lecture Room.
