An action scene at one of the Intramural Softball games at College View Diamond. Worley is batting, Ball is catching, and Ellerbrock is calling the balls and strikes.

Airedale Champs Of College View Volleyball League

The Airedales became the Champions of the College View Vet Wives Volleyball League last Wednesday by downing the Bakers two games in a row. The Airedales won the first game 17-15 and the second 15-10.

The Airedales are managed by Mrs. Coco Stayton and the Baker manager is Mrs. Robbie Caudle. In the first game of the evening the Airedales barely squeezed by the Bakers after the game had been decided by Caudle's charges at 15-10.

The teams each played a total of six games during the first summer semester season. The Cardinals, the third team in the League is managed by Mrs. Kitty Sommer.

The three teams will resume their competition this semester and another champion will be decided for the second summer semester.

Dorm 8 Defeats Champs Of Vet League for College Crown

The Dorm 8 softball team continued their winning ways as they overcame a 6 run lead to beat the Antelopes, College View Championship team, 14 to 10 for the College Championship.

Dorm 8 scored 14 runs on 11 hits off Boyd, the losing pitcher, and the Antelopes collected 10 runs off 6 hits. Wilson and Rosebraugh shared the tossing for the winners with Rosebraugh getting credit for the win.

The Antelopes blew a 5 run lead in the fourth frame that started the fire works to give Dorm 8 the decision. Until that time Dorm 8 had been held to one hit, a single by second baseman McGannon.

Shortstop Walker scored the first run for Dorm 8 after he singled and later scored when catcher Lietz hit a hot grounder that cost the Antelopes an error. The sixth inning was the big push for Dorm 8

as they batted around for 6 runs. The Antelopes started out strong with Pate, Thomas, and Pickett each crossing the plate in the first inning. Again in the seventh inning with 6 runs against them, the Antelopes got back in the game to score 2 runs before Dorm 8 got control of the game to stop the drive.

Leading hitters for the winners were Walker with 3 for 5 and Rosebraugh and McGannon each hitting 2 for 4. For the losers Thomas led his team getting 2 for 4.

NOTES ON SPORTS

Scott Thompson, of Tulsa, needed a 25-foot putt to win a golf match. He aimed carefully and putted. The ball rolled straight for the cup, but stopped right on the lip. As Thompson walked forward to tap it in, a large beetle crawled out of the hole and over the ball. That's all that was needed to topple the ball into the cup! Thompson collected all bets.

Without a doubt Kentucky really goes in for basketball. One year the Carr Creek High sent its star team to the state tourney with the most unique uniforms on record—overalls with the legs cut off. This ambitious team lost the championship but they impressed the spectators enough to be invited to an invitational tourney in Chicago. Here a group of fans chipped in and bought them a real set of basketball uniforms to show their appreciation.

Local Aggie Fans May Apply For Annual Coupon Books Now

Local Aggie football fans, who wish to do so, may now file their applications for annual sports coupon books by applying to the Athletic Department Office at Kyle Field on the campus, C. D. Ownby, Aggie business manager of athletics announced today.

"None of the orders will be handled until August 10 after the faculty and ex-student sale has closed on August 9, but by getting their applications in now the department

staff can better serve the applicants, and at the same time prevent standing in long lines after the sale opens to the public on August 10", he explained.

"All orders received now will be considered as received on August 10, the date the sale opens. They will be filed and be ready for the drawing for location to be held after the faculty-ex-student drawing on August 16. A cross check will prevent any applicant from obtaining more than the two ticket limit set for faculty an ex-students", he added.

All orders should be accompanied by cash, check or money order at the rate of \$10.50 for each book which price includes the Federal tax.

"All applicants will have an equal chance for the better seats since the drawing will be held to give out the locations of the seats. Persons desiring to sit together

should file their applications at the same time", Ownby explained.

"This year the Athletic Council approved the printing of 1500 coupon books for faculty and local fans. This is an increase of 50 per cent over 1946 and 200 per cent over 1945. It is felt that this number, when rationed at two to the applicant, will take care of all the local fans. No coupon books will be sold to applicants not from Brazos county and all seats will be well up in the stands and none will be in the end zones", he added.

With the sale of single Texas tickets well beyond last year there is little chance that the general public will be able to buy single tickets for the Texas game although they will be able to get more tickets for all other home games in addition to those contained in the coupon books. However, additional tickets will not be in the same location as the coupon books.
