### S. M. U.'s Mustangs Will Be Loaded With Power; Rough Schedule Gives Aggies Nod

In starting down the list of contenders for the Southwest Conference football crown we immediately run into trouble when we realize that there are four teams who all rank at the top. These four teams, namely, The University of Texas, S. M. U., Rice and Arkansas, the defending Co-champions, are all capable of leading the conference this fall. Rice, who is considered by many to hold a slight edge over the rest of the field, was discussed in this column in the last issue so we will devote our space today to S. M. U.

The Mustangs from Southern Methodist University this fall will be boasting their best football team since 1940 when they were conference co-champs along with the Aggies. Engeling

Matty Bell, S. M. U.'s veteran mentor and one of the greatest football coaches in this part of the country, will be at the helm for his tenth year with the Mustangs.

Working from the single and double wing formations this year the Mustang backfield will be led by Doak Walker, All-Conference back in 1945, who has just returned from a hitch in the army. Walker, who started the season late in '45 was only able to play in the last four games. If Walker can perform as expected the Mustangs will have no worries about the tailback job this fall.

Completing the S. M. U. backfield will be Paul Page and Frank Payne at the wingback slots and Dick McKissack at fullback. Payne will be remembered for his sensational passing last year while attempting to pull many of S. M. U.'s games out of the fire. McKissack, who was also a first stringer last year, will be a great asset to the Mustang backfield with his powerful driving ability.

This starting backfield will be backed up by lettermen Bob Ramsey, Ken Blackburn, Carroll Parker, David Moon, and Bill Weatherford.

The S. M. U. line will also be of high caliber this fall although the loss of all-conference end Eugene Wilson will be felt badly.

The ends will be led by Captain Sid Halliday with Dick Reinking, John Milam, and Raleigh Blakely vying for the slot left vacant by Wilson.

The tackles will be strengthened by big John Hamberger, who will have to be considered when any all-conference team is selected, and letterman, Joe Ethridge.

Earl Cook, Brownie Lewis, and Claude Hill will battle it out for the two guard positions while Cecil

# Trailer Camp Leads In Softball As Champs Fall

No Undeclared Team Left in League; Five Teams Have Lost Only One Game

By Cliff Ackerman

The Intramural Softball race became a jumbled mess during the past week as the defending champions, Dorm 8, lost their second game of the current semester. The two conquerors of Dorm 8 are Dorm 10 and Dorm 6. The latter team having already suffered four defeats.

With no undefeated teams left in the race, the Trailer Camp team is at present on top of the heap by virtue of five wins against only one loss. Other teams that have lost only one game but have as yet not equaled the Trailer Camp's win record are Dorm 2, Dorm 3, Dorm 11, and Dorm 10.

Dorm 9 snatched Dorm 7 under, 15 to 5 last Monday, to win their 3rd game this semester. Left fielder Hart and first baseman Reilly each knocked a home run for the winners. Crouch was the winning pitcher while Steward pitched for the losers.

Dorm 2 was strong all the way in beating Dorm 3, 11 to 5. Ogan turned in the winning pitching job allowing 7 hits, striking out 3 men, and walking one. Williams got a home run in the fourth for the winners.

Trailer Camp continued their winning streak as they outscored Dorm 4, 11 to 4. Home runs were hit by first baseman Jarnell of the Trailer Camp and pitcher Probandt of Dorm 4. Lloyd, Trailer Camp left fielder, made several sensational catches of blows that would otherwise have been extra base hits.

Results of Tuesday's games are as follows:

Dorm 4 took an easy 7 to 2 win from Dorm 12 as they went all out in the fourth inning to score 5 runs. Catcher Prince was the leading batter for the winners getting 3 for 2.

The Hill Club held Dorm 3 to a 1 run tie game for 5 innings only to have a barrage of 11 runs stored on them in the sixth inning to lose the game 12 to 1.

Dorm 6 upset Dorm 8 in a 5 to 2 win. Dorm 8 scored their runs in the first and second inning and

were held scoreless the rest of the way. Shortstop Booker led the Dorm 6 team at the plate getting 2 for 3. For the losers Eley and Reese each got 2 for 3. Wheeler was the winning pitcher.

Home runs proved fatal for Dorm 5 as Dorm 11 slugged out a 9 to 5 victory. Left fielder Swenson got the first homer with two men on in the first inning. Johnson followed in the second with a homer, the bases empty. Again in the sixth Johnson came around with a home run with one man on.

The Trailer Camp team swamped Dorm 2, 14 to 3 to give them a slight lead in the softball standing. Starting out strong in the first inning, the Trailer Camp batted around for 6 hits to score 7 runs. Dorm 2 never overcame the first inning slaughter as pitcher Sewald held them to 7 scattered hits. Leading batters were right fielder Cooper for the Trailer Camp and left fielder Maxwell for Dorm 2.

### Second Water Carnival to Be On Tuesday in P. L. Downs Pool

The second water carnival of the summer will be held at the P. L. Downs, Jr. swimming pool on Tuesday night, August 12, at 7:30 p.m.

The water carnivals are being sponsored by the Recreation Council of College Station, the purpose of which is to obtain funds to meet the expenses of sending the team to the various swimming meets. Also, to purchase badges that will be awarded to the different boys and girls.

The first carnival was witnessed by a large crowd and from the response, it was evident that it was thoroughly enjoyed by all. Plans are for the second to be even more successful and it is hoped you will be back and bring all of your friends.

So far the College Station team has competed in at least four of the out of town swimming meets and has been very successful in

each of them. Van Adamson and Bernard Syfan, College Station free style swimmers, broke two meet records in the senior division at the Houston Y.M.C.A.'s fourth annual swimming meet. Also, a record was broken by Gail Klipple in the junior division at the same meet. At the Gulf A.A.U. meet in Houston, the College Station swimming team won two out of the four divisions.

The council feels that it is a wonderful opportunity for the boys and girls of this community to be able to compete in these swimming meets and it is hoped that each of you will be out to see the carnival Tuesday night and give them your support.

Tickets may be purchased at the door or from members of the swimming classes.

Admission prices are twenty-five cents for adults and nine cents for children.

### Antelopes Win One At College View

The Antelopes smashed out a 12 to 3 win over the Bears Monday for their first win of the current softball season. Trailing by 3 runs, the Bears tied the game on a short rally in the fourth inning to score their 3 tallies. Coming to bat in the top half of the fifth inning the Antelopes batted around to score 9 runs. A string of singles by Reed, Thomas, and Boyd followed by a double by Flowers started the wild running spree. Thomas led the batting for the Antelopes, getting 3 for 3. Simmons was the winning pitcher allowing only 3 hits.

### Golf, Horseshoe, Tennis and Bridge Tournaments Begin

The Intramural Department has announced the pairings and the deadlines for all matches for the following tournaments, horseshoes (singles and doubles), tennis (singles and doubles), golf (singles and doubles) and bridge.

These tournaments which are being held for the second time during this summer have proved exciting and interesting to all their participants. The matches in all of these tournaments are played at a time agreed upon by both contestants so long as the match is played before a certain deadline.

First Round matches in bridge and tennis and horseshoe singles must be played on or before August 12. First rounds in doubles of Tennis and horseshoes must be played on or before August 13. In golf the first round matches in the singles tournament must be played on or before August 13, while in doubles the first matches must be played before August 14.

The horseshoe matches will all be played on the Drill field south of Dorm 11. The tennis matches should be played on the concrete courts while the golf matches will be played on the Bryan Country Club course.

Sutphin and Fred Goodwin will alternate at the center spot.

S. M. U.'s inter-sectional opponents this year will be Missouri, Oklahoma A&M, and Santa Clara and U. C. L. A. on the Pacific Coast. The Mustangs will be favored in all of these games except the one with the Uclans at Los Angeles. A hard time will be given the Mustangs here when they encounter Missouri's Tigers in the Cotton Bowl on Oct. 8th.

One catch in the S. M. U. schedule is that they meet Rice, U. C. L. A. and Texas on successive week-ends, but the good part about this (at least to us Aggies) is that we play the Mustangs on the following week-end here at College Station. If the Mustangs think they will be taking a breather when they meet the Texas Aggies on Kyle Field they will be in for a big disappointment.

This corner says, "A&M over S. M. U. on Nov. 8, 1947." (Pipe dreaming?)
