1,100 Freshmen, Including 200 Vets, Are Housed at A. & M College Annex

A total of 7,500 students are expected at A. & M. and the Annex for the 1947-48 school, Registrar H. L. Heaton announced last week.

of that number, approximately 1,900 students are esti-mated in the freshman class; 1,900 in the sophomore class;

Freshman Aggie **Football Team** Slates 5 Games

A five-game football schedule including tilts with four Southwest conference schools, has been arranged for the Aggie freshman team, it was announced today.

Part of each game, according to probably will be played by the varsity "B" team, coached by Johnnie Frankie. Last season, when freshmen still were eligible for varsity play, a schedule was played out by conference "B" clubs, but this year the freshman rule is back in force.

Opening practice this week brought out 67 freshman players, with more expected later, DeWare said. Frankie's "B" squad numbers only 21 players, who use the Tformation in scrimmage sessions against the varsity eleven.

Assisting DeWare as coaches are Tom Pickett and Marion Flanagan, who were varsity backfield men last year, and Wayne Cure, a 1942 letterman at tackle.

Saturates remained about the as that of last year—1,100.

Early predictions for A. enrollment estimated that

at Arlington. Fort Worth.

*Night game. **Annex Entitled**

'Little Aggieland'

The A.&M. College Annex will be known as "Little Aggieland," it was decided by a committee of judges Thursday afternoon.

Submitted by freshmen in Barracks 226, "Little Aggieland" was judged best from the many was judged best from the many entries in the name contest. Judges in the Annex name contest were Dean J. P. Abbott, Luther A. "Luke" Harrison, Lt. Col. R. L. Melcher, and Lt. Col. Bill Becker. As a reward for submitting

the prize-winning entry, members of Barracks 226 were presented a chocolate cake, made by Mrs. W. L. Penberthy. 1,750 in the junior class; 1,500 in the senior class; 100 five-year stu-dents; and 300 graduate students.

This total figure represents a decrease of about 1,100 students over last fall's enrollment, which was 8,632. The slump in enrollment was among veteran students, since only 4,500 are expected, as com-pared to the 6,000 of last fall.

Around 1,100 freshmen students are being housed at the A. & M. College Annex, formerly Bryan Army Air Field. The difference between 1,100 freshmen at the annex and 1,900 in the freshman class lies in the fact that all classified first were students are included in Part of each game, according to first-year students are included in Freshman Coach Charlie DeWare, the latter figure.

The group of 1,900 includes old returning students who have had a little college background and transferees academically classified

Two hundred of the freshmen at the Annex are veterans. In addition, there are 112 fresh-man athletes housed on the main
