

Range & Forestry Club to Meet Wed.

A "get acquainted" meeting of the Range and Forestry Club will be held tonight on the third floor of the Agricultural Engineering building, according to G. O. Hoffman, club president.

All majors and minors in Range and Forestry and other interested persons are urged to attend. Plans for the semester's activities will be discussed, and refreshments will be served.

Officers elected during the last spring semester will serve for the school year 1947-48. Besides club president, G. O. Hoffman, these include: W. E. Dickens, vice-president; T. B. Trew, secretary-treasurer; David Schwim, parliamentarian; M. E. Roach, social chairman; E. J. Pickens, reporter.

The club is sponsored by H. F. Heady and others in the Range and Forestry staff.

READY FOR A FARADE—Mounted and ready to lead any parade on their silver-encrusted saddles and other silver mounted gear, presented them at a barbecue in Fort Worth, Tex., are these Fort Worth men, all officials of the Southwestern Exposition and Fat Stock show. Left to right are: Mayor Deen, show manager; Ernest Allen, show vice president; W. R. Watt, show president; Sid W. Richardson, a director. (AP Photo)

Trans-Pecos Club Will Meet Thurs.

A new club, the Trans-Pecos club, is being organized. The first meeting will be held Thursday night, September 25, at 7:15, in Room 223 of the Academic Building.

This will be the first meeting and it is important that all prospective members be there to take care of the business of organizing. Any person whose home is in the Permian Basin section of West Texas and New Mexico is urged to attend.

Aldine Stages Win Over Consolidated In Season Opener

Holding from the first stanza a distinct advantage over the A&M Consolidated High School eleven, the visiting Aldine Mustangs handed the Tigers a 32 to 0 shellacking for a season opener.

Coach Les Richardson's locals were unable to stop a 70 yard march down the field following the kick-off that started a series of TDs by the Mustangs coached by Bruce Kivell.

A total of 357 yards rushing was rolled up by the visitors as compared to 96 by the hosts and 20 first downs to four. Passing was negligible with the Mustangs trying five and the Tigers four with each team intercepting one.

Harold Williams sparked the Tiger offensive by rambling 30 yards but a few plays later, Brewitt's attempted punt was blocked which left the ball in the hands of the Mustangs on the Consolidated 37.

Jaunts through and around the Tiger line left the field open for the visitors to set up one first down after another as well as scores.

Prospective Grads May File At Student Placement Office

All seniors intending to graduate at the end of the current semester should file their registration record with the Placement Office at the earliest opportunity.

The manner in which the registration record is filled out is an important factor in seeking employment and should not be taken lightly. It must be neat, accurate and concise.

An applicant should list all of his High School and College activities, including the names of all clubs, societies, intramural athletics, teams, and offices held. All previous working experience should be listed, not excepting paper routes, week-end jobs in grocery stores, drug stores and filling stations. One of the main things a prospective employer wants to know is how the job seeker spent his spare time on week-ends and summer vacations.

Two types of references should be given if possible; college professors and former employers. In every case the interviewer will want to know what the faculty thinks of the senior, even though the hopeful applicant may not have given any professor as a reference.

The placement office has made available personnel leaflets at the cost of \$7.50 per set of one hundred. These leaflets contain a picture and the basic information about the prospective graduate.

Shreveport Club To Meet Thursday

The Shreveport A&M Club will meet Thursday night at 7:15 in Room 106 of the Academic Building. Officers for the year will be elected.

The purpose of the club is to form closer relations between the College Station chapter and the Shreveport alumnus chapter and to provide opportunities for the Aggies of Shreveport to meet and become acquainted with one another.

Two Students Get Scholarship Award

Frank M. Johns of Seguin and Joe M. Spears Jr. of San Benito, senior engineering students at Texas A&M College, have been awarded special scholarships sponsored by the Texas Foundries, Inc., of Lufkin, it was announced today.

The scholarships, awarded after a number of selected Aggie engineering students spent the summer working for Texas Foundries, pay \$360 annually.

AIEE Plans For Year 7:30 Tonight

At 7:30 this evening, the AIEE will resume activity for the coming year with election of officers and planning for a social event to be held in the near future. All Electrical Engineering students are urged to be present at the meeting in the EE Building, Lecture Room.

A&M Radio Club Meet

A. & M. Radio Club will meet Wednesday night at 7:30 in room 102 of the E. E. Building. Officers for the coming year will be elected.

Falls County Club To Hold First Meeting

The Falls County Club will meet Tuesday night at 7:30 in Room 108 of the Academic Building. This is a very important meeting and all members are urged to attend. Officers will be elected and activities for the year will be planned.

Houston Club Meets

Houston A&M Club will meet Wednesday night at 7:15 in the chapel of the YMCA.

During the meeting officers for the coming year will be elected, and plans made for a party and dance.

Methodist Give Feed

The College Station Methodist Church will have a church supper Wednesday night October 1, at 7. Dr. Paul Quillion, pastor of the First Methodist Church of Houston will be the guest speaker.

Important Meeting Of Reserve Pilots

Prospective Grads Meet Monday at 7

A meeting of all seniors and graduate students who expect to graduate in January, June, July, or August, 1948 will be held in the Assembly Hall Monday night at 7 p.m. W. R. Horsley, director of the placement office, announced yesterday.

Horsley will explain briefly the functions of the Placement Office in aiding seniors secure employment upon graduation.

According to Horsley, the meeting will not last longer than 30 minutes, so all prospective graduates are urged to attend.

Air Force reserve pilots are urged to attend an important meeting in the Assembly Hall Wednesday evening, September 24, at 7:30. This meeting is called for working up a schedule for the winter months.

Ellington Field has notified the Brazos County Chapter of the Reserve Officers Association that the Air lift service will continue through the winter on the same schedule it has used in the past. A C-47 will pick up local reservists on the first Sunday, the second Wednesday, and the third Thursday of each month.

A COACH DOESN'T HAVE TO BE TOUGH

While other coaches were fumbling with the perplexing G. I. problem in football last season, Illinois' obscure Ray Elliot (real name: Nusspickel) hit the jackpot in the Western Conference and in a decisive 45-14 rout in the Rose Bowl. He tries no top-sergeant stuff, yet he ended up as "Coach of the Year." For full details about Ray's sudden and surprising success, be sure to read A Coach Doesn't Have to be Tough, an exciting article in this week's Post...
