

3 Masonic Degrees To Be Conferred

The Entered Apprentice Degree, the first step in Masonry, will be conferred upon three students at a called meeting of Sul Ross Lodge, U.D., A.F. and A.M., at 7:30 p.m. Thursday, October 2. The candidates for initiation are James Howard Crossland, a junior from Dallas, majoring in Mechanical Engineering; Andrew Jacob Rogers, a Business and Accounting senior from Childress and James Patton Hipp, a Business and Accounting junior from Tulsa.

Lodge No. 778 of Wellborn and the Brazos Union Lodge No. 129 of Bryan.

Sul Ross Lodge, one of the youngest Masonic lodges in Texas, was set to work on last May 12th under a special dispensation of Grand Master Bruce Brannon of the Grand Lodge of Texas. The College Station lodge is one of three in Texas situated on a College Campus; the other two are at the University of Texas and Baylor University. Members of Sul Ross Lodge are expecting to receive their charter from the Grand Lodge of Texas when it convenes in Waco on December 8th.

Stated meetings of Sul Ross Lodge are held each second and fourth Thursdays at 7:30 p.m. with called meetings for the purpose of conferring degrees on most first and third Thursdays. All student and staff members who are Masons are cordially invited to attend and participate in these meetings. The lodge room is located on the top floor of the Old American Legion Project House at Trailer Area No. 5 on the southside of the Campus.
