# Optimism is Hard to Keep When Viewing World Affairs

At this writing, it definitely appears that the international situation in regard to the U.S.S.R. is taking a turn for the works. The cheadlines and the general world name and attempt to find the heaves contained in today's news. oppears seem alarming, to say the least I am wondering if the press is assuming a correct attitude in regard to the international situation, the U.S.S.R. the Communistic or international, and the apparent influence. I have believed that no war with Russis, should a war with Russis apparent and declared "diplomatic war" against the United Nations and the United States in actually as serious as it is pictured by the press. I speculate of U. N. delegates toward where the beliefs were casual about while reading of the world war, through I and the apparent and declared "diplomatic war" against the United Nations and the United States in actually as serious as it is pictured by the press. I speculate of U. N. delegates toward where the beliefs were consulted on the content of the world war with an international content of the world war with Russis, should a war with Russis apparent and declared "diplomatic war" against the United Nations and the United States in actually as serious as it is pictured by the press. I speculate the United States in actually as serious as it is pictured by the press. I speculate the United States in actually as serious as it is pictured by the press. I speculate the decrease of the press. I speculate the decrease of the press. I speculate the pressure that the speculation of a 1000-horse batch gold with world War, through Installation of a 1000-horse of the count causing people or nations to change their beliefs? Weed this oppose the medical propers. Were a third World War, through Installation of a 1000-horse of the medical propers of the pressure in the mind of the world War, throu

Russia and the represented dismal outlook should be taken at face

## Radio Workshop To Elect Tonight

The Workshop, on Friday, October 17, at 4 p. m.

In the first meeting of the Workshop held last Thursday evening, fourteen people turned out. Initial try-outs, with each person given a part in a trial play, were made and recorded.

"It's expected that we will receive a much larger attendance for this next meeting," Gottlieb stated.

### DeMolay Chevalier **Holders** to Meet

Holders of the Degree of Chevalier in the Order of DeMolay will meet with Bob Polson in the reading room of the YMCA after yell practice tonight, October 9.

Plans for the annual Obligatory Observance will be discussed in this short meeting.

Polson requests any Chevaliers who will be unable to attend the meeting to see him in F-15, Walton Hall, before noon, October 14.

Both faculty and student Chevalier-holders are invited to the meeting.

### nton Club to Elect Officers Tonight

The Denton County A. & M. Club will hold its first meeting of the year in Room 303, Goodwin Hall at 7:30 p. m. tonight. Officers will be elected, and the new intramural sports program being offered to clubs will be discussed.

# Club to Meet Tonight

The Young, Baylor, and Archer County Club will meet this evening at 7:30 in Room 127, Academic Building. The purpose of this meeting will be to elect officers and make plans for the year.

# Peery President

The WTAW Workshop will hold its second meeting of the year this evening at 7 p. m. in Studio A, Administration Building.

According to Richard Gottlieb, chief announcer of WTAW, officers will be elected and parts assigned for the pay "Camille" by Dumas.

This play was presented in Paris in 1855 when Matilda Heron, an American actress, saw it. She made a translation and presented the play for the first time in the United States in Cincinnati, with herself in the leading role. The play will be presented over the air by The Workshop, on Friday, October 17, at 4 p. m.

In the first meeting of the Workshop, content of the concil of the Engineer, is the society's public relations of the workshop, of the Workshop, content of the concil of the Engineer, is the society's public relations of the workshop, content of the workshop, on Friday, October 17, at 4 p. m.

Student Engineering Council, the other senior representative to be appointed by Dept. Head Ernest Langford. Since Peery is society president, he is automatically a member of the council.

Glen Brooks is the department's senior editor for the A. & M. Engineer magazine, with William Irvin as the junior editor. J. M. Huddleston, co-editor of the Engineer, is the society's public relations officer.

According to Huddleston, the outlook for the society this year looks prosperous as well as pro-

looks prosperous as well as pro-gressive, especially with the pos-sible establishment of a student AIA chapter.

### 144-Foot Hangar Erected at Field

A 144-foot steel hangar has been erected at Easterwood Airport, according to Dean of Engineering Howard W. Barlow.

It will house several offices and repair and maintenance shops and will provide space for spare parts storage, Dean Barlow stated. One half of the east side will house an engine testing laboratory for aeronautical engineering students.

The contract for paving the 104 x204 foot main floor will be let next week.

Great Britain's dominions—Australia, New Zealand, Canada and South Africa—fly their own flags as well as the Union Jack.
