AUSTIN, TEX., Oct. 22 (AP)—University of Texas will go to campus polls today to vote on 47 candidates for positions in the student association assembly and court.

TAFT TO DECIDE
COLUMBUS, O., Oct. 22 (AP)—U. S. Senator Robert A. Taft's decision whether to seek the Republican nomination for president will be announced at 8 a. m. (CST) Friday. The announcement will be made from Republican state headquarters and from Senator Taft's office in Washington.

A&M to Contribute \$2,000 To World Student Service Fund

By EDWARD L. USREY
A&M students will be asked this year to contribute \$2,000 to the World Student Service Fund. This is a fund maintained to provide needy students in war-torn countries with books and other essentials which they would otherwise be unable to obtain.

Same Benefits For Dependents Given In Insurance Plan
A. & M. employees may have the same protection for their wives and children under the college group hospital and surgical plan, according to an announcement by J. Wheeler Barger, secretary-treasurer of the college insurance committee.

Under the college employees hospital plan, members of the family are afforded essentially the same benefits as the employee, namely, \$5 per day while in the hospital up to 70 days for any one illness; reimbursement for surgery according to scale up to \$150; up to \$25 for certain incidental hospital expenses; and up to \$10 for ambulance services. Children under three months and over 18 years old, or married, are not covered, and maternity benefits are not included in the plan.

If the 75 per cent participation required by the insurance company to protect itself against adverse selection is attained, the family coverage becomes effective November 1. No evidence of good health of dependents is required if application for their inclusion is made by November 1.

Payments and classification on a semi-annual basis are: employees only, \$7; employee and wife, \$17.25; employee-wife and one or more children, \$25.24.

Barlow to Address I E Club Tonight
Dr. Howard W. Barlow, dean of engineering, will address the Industrial Education Club this evening at 7 p. m., in the club room of the mechanical engineering shops.

Members of the student body who wish to correspond with foreign students may call at Cashion's office and obtain special forms on which to make official clearance. This is necessary since peace treaties have not been signed with these foreign countries.

Welcoming Committee Leaves Baylor With Neff's Blessings

By JOHN T. MILLER
"Tell Gibb Gilchrist that I'm going to hold his hand during the game while our Baylor men wipe those Aggie kids in the ground." Those were the parting words that President Pat Neff of Baylor threw at the Aggie Welcoming Committee Tuesday morning.

The committee left early Tuesday for the purpose of cementing relations between the two schools by inviting the student body to the A. & M. campus. It hoped to contact as many students as possible at Baylor. Rather than talk to the Bears as individuals, committee members were invited to speak to the 2800 freshmen and sophomores assembled for the daily chapel, held at 10.

Ralph Rothman, chairman of the Welcoming Committee, issued a formal note of welcome in a short talk. He was followed by John T. Miller, another committee member, who briefly noted points to be considered by visitors while on the A. & M. campus.

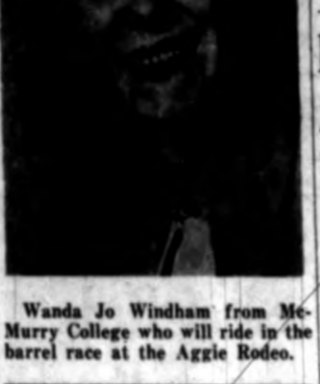

Miller discussed the eating facilities, information booths which are to be placed about the campus, and the official welcome that will be tendered Saturday morning at 11 when the special train will arrive carrying Baylor rosters.

David Fort, president of the A. & M. Baptist Student Union, told his fellow members that the Saturday night get-together sponsored by the First Baptist Church of Bryan.

Although President Neff returned the welcome by inviting all Baylor co-eds to the stage at the end of the chapel to meet the visitors, few of those young ladies

Saturday Seating Plans Announced
The 50-yard line section on the east side of Kyle Field from the bottom to the top has been reserved for the Cadet Corps, for Saturday's Baylor-A&M game the Student Council decided Tuesday.

Rodeos, Dancing, A&M-Baylor Game to Highlight Week-end

Dean Brooks Given Watch

Dean T. D. Brooks was presented with a gold watch and chain last night from the faculty of the School of Arts and Sciences and from the Department of Geology for his 15 years of "splendid" service.

The presentation was made by R. L. Elkins of the B & A Department who gave a short review of Dean Brooks' life and accomplishments. The gift came as a complete surprise to Dean Brooks, who thought that he was attending a regular meeting of the Faculty of the School of Arts and Sciences.

Other events of the meeting was the election of Dr. John Q. Hayes of the English Department as Secretary of the faculty. Three new heads of departments were also introduced. They were: Dr. F. W. Jensen, Chemistry Department; Dr. C. W. Handie, Economics Department, and Mr. Carl E. Tishler, P. E. Department.

Dr. M. T. Harrington spoke to the group on the "Opportunities and Responsibilities of the School of Arts and Sciences." An address on the "Functions of the Office of Dean of Men" was given by Dean W. L. Pemberthy, Dean F. C. Bolton also made a short talk.

Ft. Worth Mothers Ask Ambulance In Resolution

PORT WORTH, TEX., Oct. 22 (AP)—The Fort Worth A. & M. Mothers Club planned to send a request to college president Gibb Gilchrist asking that an ambulance be obtained for emergency use on the campus.

The group met here Monday with the Dallas Mothers Club of Texas A. & M. and voted to repeat a previous request.

The resolution was passed after Mrs. W. E. Jarvis presented the traffic death October 10 of Robert H. Gaseway, A. & M. student from Longview and read an editorial from the college paper, "The Battalion."

Mrs. Jarvis said the injured Gaseway youth was taken to the college hospital in a sedan flagged down by her son, Don E. Jarvis, and three other students, and upon arrival at the hospital, "The hospital didn't even send down a stretcher for him and the four boys had to carry their dying friend to the emergency table," she declared.

A previous request for an ambulance was made last January, Mrs. Jarvis reported, and brought forth a reply from the college hospital that the college had a contract with a Bryan ambulance company and with a "veteran student who has converted his truck into an ambulance."

Vegetable, Animal Fats Research To Be Undertaken

Investigations which will go deeper into the mysteries of the composition of vegetable and animal fats than has ever before been possible in this country will be undertaken at A. & M. this year.

Wanda Jo Windham From Merry College Who Will Ride In The Barrel Race At The Aggie Rodeo

Wanda Jo Windham from Merry College who will ride in the barrel race at the Aggie Rodeo.

Table with columns: Date, Surname. Lists names of students from Oct 27 to Nov 5.

ACCUSES LAWSON
WASHINGTON, Oct. 22 (AP)—Veteran Actor Adolph Menjou and movie critic John Charles Mof-fitt agreed yesterday that Communists are active in Hollywood and both pointed to John Howard Lawson, film writer.

Potter to Serve On AAUP Council

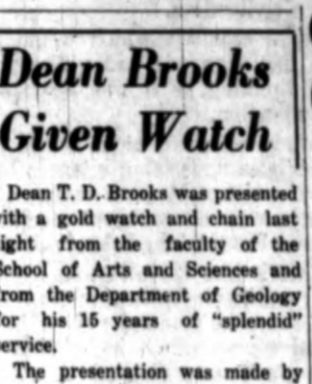

Dr. George E. Potter, professor of zoology at A. & M., will go to Washington, D. C. to serve as councilman on the National Council of the American Association of University Professors.

Dr. Potter will represent the southwest area, which includes Arkansas, Oklahoma, Colorado, New Mexico, and Texas. This is the regular annual meeting of the council for this professional organization of university teachers.

Dr. Potter will be gone from October 24-28.

Loveless Sells First Million, Teaches Know-How to Students

By KENNETH BOND
Some people teach horsemanship but are afraid of horses; some teach principles of flying but cannot fly; Sidney L. Loveless, not only teaches insurance, he sells it.

Earl Guthrie, Junior Student in Animal Husbandry From Ft. Worth, Will Participate

Earl Guthrie, junior student in animal husbandry from Ft. Worth, will participate.

Attend Meeting Of Houston Engineers

M. C. Hughes, head of the electrical engineering department, W. S. Adams, and E. W. Markle represented A&M Wednesday evening at a meeting of the Houston Engineers Club.

Speaker for the evening was M. C. Clerc of the Texas Division of Research Development of Dow Chemical Company. He discussed the technical phases of the sphere system of hurricane detection now under investigation by the Dow Chemical Company and Texas A&M Research Foundation.

Other members of the electrical engineering department started for Houston but had to turn back because of car trouble.

Fourth Regiment Parades Today As Units From Seven Branches Compete

The Fourth Regiment will parade this afternoon at 5 p. m. on the Infantry Drill Field south of Duncan Hall in the last scheduled regimental review before the corps review of next week.

ManE Seniors To Make Trip to Waco

Fifty students, seniors in the management engineering department, will take part in a field inspection trip to Waco next Tuesday. Virgil M. Faires, department head, announced today.

Faires will conduct a tour of the General Tire Company, Williams Cameron Company, and Owens-Illinois Glass Company plants at Waco, with students studying various modern production methods in use there.

Couple With Most Original Costume Will Receive Prize

This week-end will be one of thrills, chills, and spills by the hundreds as Aggieiland goes western. The annual Saddle and Sirlin Club Rodeo will be the scene of many a bone-breaking tussle between man and beast.

The opening performance will begin at 7:30 Friday evening at the Bryan Roping Club Arena, one-half mile north of Bryan on highway 6. Saturday's show will get under way at 7 p. m., following the Aggie-Baylor game.

Among the many features of the 1947 rodeo will be the cowgirl representatives from southwestern colleges, a hilarious rodeo clown act, and riding by outstanding veteran performers of nationally known rodeos.

For those who are not too stiff and sore after leaving the rodeo grounds with its chutes full of fiery steeds, the Aggieiland Cowboy Orchestra will furnish music for a real of western dance. The dance will be held in Bbas Hall at 9 Saturday evening. Admission prices will be \$1.50 drag or stag. A five dollar prize will be given the couple wearing the most original western costume. Cowboys Bill Turner, Claude Broom, Tommy John, and Jimmy Nelson will form the judging panel to select the most originally garbed couple.

Lucian Kruse, senior animal husbandry student from Cameron will be one of the major contenders in the Aggie Rodeo.

Kruse was champion calf roper at the Aggie Rodeo in 1946 and will be trying to repeat this year. He is entered in the calf roping and is teamed with Ralph Vernon, veteran student from Belton, in the wild cow milking contest.

Kruse was a member of the rodeo team which represented A&M at the all-college rodeo held in Tucson, Arizona, in 1945. He started competing in rodeos when he was 13 years old and since that time has made a name for himself in the rodeo circles.

Kruse contributes much of his success to his favorite roping horse "Nubbin". He has been roping on Nubbin for the past six years.

Earl Guthrie, junior student in animal husbandry from Ft. Worth, will participate. Guthrie is a member of the "A" Flight Air Force, the Saddle, and Sirlin Club, and the Fort Worth Club.

Rodeo fans at such major shows as Big Spring, Arlington Downs, Stamford, Denison, Waco Club, and Mineral Wells have witnessed Earl's performances.

He plans to enter the bull riding, wild cow milking, and the mule race in the Aggie Rodeo. Champion bull rider at the last Mineral Wells show and money winner at several other major shows are among the honors he has gained in recent performances.

Guthrie worked at the cow barn during his fish year at A&M and plans to be a rancher after graduation.

Ray Davis, Wichita Falls, has been selected by his fellow students in the Saddle and Sirlin Club to judge some of the events. A Veterinary Medicine major. (See RODEO on Page 4)

BRAZOS COUNTY TUBERCULOSIS ASSOCIATION
Tuberculosis: The earlier found the sooner cured
It is no crime or disgrace to have tuberculosis. But it is both a crime and disgrace to give this disease to others. The best way for every person to protect both himself and others is to have a chest X-ray once a year.
