The Rev. John H. Murphy, Notre Dame vice president and chairman of the faculty board of control of WANTED Students to do fountain work at College confectioneries. See Wash Stark in 214 Goodwin or manager as athletics, took cognizance of both polls in a speech in which he declared:

"I am sure that you and I and millions of other football fansas well as the University of Minnesota 'M' Club-have no reason to disagree with the voices of the nation's sports writers in the associated press poll at the end of the regular season, which has come to be accepted as the final word on this subject; and that we also

heartily concur with the logical assurance of the AP that a post season poll was not intended to supersede the votes at the end of the regular season.
