

"LIFE INSURANCE A PUBLIC TRUST"

Annual Statement as of 31 December, 1947

American General Life Insurance Company

The year 1947 was one of outstanding progress in our Company—new business, premium income, investment income, admitted assets, insurance in force, payments to policyholders and beneficiaries all reached new highs

Our new paid business for the year exceeded \$22,000,000
The splendid volume of new business for the year is a tribute to the loyalty of our Policyholders

These are excerpts from a letter written by Mr. Burke Baker, President of the American General Life Insurance Company to all its policy holders

'Issues' Class To Hear Dr. Moore

Dr. Ross E. Moore, Office of Foreign Agricultural Relations for the U. S. Department of Agriculture will address the "Great Issues" class at 8 p. m., February 9 in Room 301, Electrical Engineer-

ing Building, Dr. S. R. Gammon, chairman of the course, has announced.

Dr. Moore, who is chief of the Technical Collaborations Bureau, plans to speak on the subject, "Science, Technology and Skills as Exportable Resources."

The course committee invites members of the college staff, es-

pecially those whose main work lies in the field of agriculture, to hear Dr. Moore. The lecture room will accommodate 80 persons over and above the members of the class.

Traces of human occupancy of Carlsbad Caverns, New Mexico, date back at least 4,000 years.

WHY I smoke Chesterfield

(FROM A SERIES OF STATEMENTS BY PROMINENT TOBACCO FARMERS)

"I smoke Chesterfields because I know the kind of tobacco that's in them and I like their flavor and mildness."
"Chesterfield is in the market for the yellow, mellow, ripe tobacco. We farmers here know that. It's good tobacco."

Russell C. Bay
