

Aggie Team Out to Beat Record . . .

Texas Relays Attract 1000 Track Stars This Week-End

AUSTIN, Tex., March 30 (AP)—One thousand athletes from the South, Southwest, and Mid-West will assault the glittering records of the Texas Relays here Friday and Saturday. The muscle men are expected to lead the way in changing up new marks.

Headed by Giant Fortune Gordien, the Minnesota star who throws the shot and discus into the next county, and the Texas

A&M mile relay team, the big field is expected to smash at least three marks.

The Army of athletes will perform under the critical eyes of Avery Brundage, president of the United States Olympic Committee, who will be the referee.

The record for the discus throw at the Texas Relays is 165 feet, 9 1/2 inches, set by Jack Hughes of Texas in 1941. Gordien has hit 179

feet, 8 inches. The shot put mark is 52 feet, 3/4 inch, by Elmer Hackney of Kansas State and set nine years ago. Gordien has thrown around 54 feet.

Also endangering the shot put mark will be Ralph Davis, brother of the famed Glenn Davis of Army football, who is a member of the Army Air Force track and field squad being trained at Lackland Air Base near San Antonio by Major Robert L. Simpson. Davis gets the 16-pound ball up to around 55 feet.

The Texas Aggie relay team that set a new record in the university class last year with a time of 3:17.8 is back and likely to crack its own mark.

Men of national championship caliber will show their wares in the pole vault, broad jump and high jump. Minnesota's Loyd La Moie who does over 24 feet, will vie with John Robertson of Texas, the 1946 NCAA champion who was ineligible last year, and Bob Crowley of Kansas, along with Billy Anderson of the Army Air Force squad who goes over 25 feet. The record here is 25 feet, 7 inches, set in 1941 by Billy Brown of Louisiana State.

The leading pole vaulter is Harry Cooper of Minnesota, who can soar 14 feet, and Tom Scodfield of Kansas heads the high jumpers with performances of better than 6 feet 6 inches.

Texas' top bids will be Jerry Thompson, great distance runner, and Charley Parker, who last week romped the 100-yard dash in 9.5.

There will be four divisions—university, college, junior college, freshman-academy and high school. There also are a number of events that are a combination of university-college. Preliminaries will be held Friday afternoon and Saturday.

Finals start Saturday afternoon at 1:30 p. m.

Entries for the relays close Wednesday at noon. Some 300 already have been filed with more than three times that many expected.

Phillips and Kentucky Win Olympic Games

NEW YORK, March 30 (AP)—The Phillips Oilers of Bartlesville, Okla., and the Wildcats of the University of Kentucky will furnish 10 of the 14 players on the basketball squad which goes to London this summer to represent the United States in the Olympic games.

In addition, the National AAU and NCAA titleholders, who shot their way to the finals of the U.S. Olympic tryouts at Madison Square Garden last night will meet in an exhibition series later this year to help pay expenses of the trip.

Bartlesville flattened the Denver Nuggets, 69-40, while Kentucky whipped Baylor University, 77-59, in the semi-finals.

America's Olympic cage squad will not be selected officially until tomorrow night after Bartlesville and Kentucky clash in the finals of the tryouts and Denver and Baylor meet for third place.

The U. S. Olympic basketball committee has invited the Bartlesville and Kentucky coaches to recommend five men each for the American squad, however, and Adolph Rupp, Wildcat mentor, said last night he would submit the names of his regular starters.

On the other hand, coach Bud Browning of the AAU champions wants no part of such a responsibility.

"I don't plan to make any recommendations to the committee," Browning said. "I have too many good boys on my squad to pick out the five who should make the trip. I'll let the committee select them."

It will be a tough job for the committee but it can hardly overlook such Phillips stars as seven-foot Bob Kurland, who scored 21 points last night; Gordon Carpenter, six-foot seven-inch guard, and Indian Cab Renick, expert playmaker.

The other four players on the Olympic squad will be named by the committee from among the remaining six teams in the playoffs.

Play in tomorrow night's consolation game probably will determine which member of the Baylor squad gets a trip to London. Adolph Schayes and Ray Lump of New York University also are in the running among the collegians.

OU Graduate Dean To Speak April 14

Dr. L. H. Snyder, dean of the University of Oklahoma Graduate School, will address the faculty, graduate students, and the Sigma Xi Club Wednesday evening, April 14.

The meeting will be held in the Physics Lecture Room beginning at 8 p. m. Dean P. E. Pearson of the A&M Graduate School said.

Aggie Tracksters Defeat Rice, TU In Corpus Christi's Annual Track Meet

Ohio State Bows to Aggies In Final Game of Series 10 to 8

By JAMES DE ANDA

A squeeze play in the eighth inning broke up an 8-8 deadlock Wednesday afternoon and enabled the Texas Aggie baseballers to salvage the final tilt of a three-game series with the invading Ohio State Buckeyes by a score of 10-8.

Ags Take Two In Row From Brooke Medics

The Aggie Baseball team scored a double victory over the Brooke Medics in San Antonio last Friday and Saturday with scores of 9-2 and 4-3.

Pitcher Art Newman was credited with the win Friday as he held the Medics to five hits and two runs while the Aggies pounded out 11 hits and nine runs.

Nixon was credited with a pitching assist when he relieved Newman at the end of six innings with the score standing at 5-1. Bobby Fretz got three hits out of four times at bat, driving in the Farmer's final four runs.

Stan Hollmig got two for five, and drove in one run on a misjudged high fly by a Medic outfielder. Newman also drove in one run.

Saturday's game was a little closer as the Aggies left 18 men stranded on base before taking a 4-3 victory.

A double-play in the ninth inning stopped a final Brooke threat.

One Medic got a walk and the next player attempted a bunt which barely left the plate. Vass whipped the ball to second on a nice throw and a toss over to first concluded the game.

Fretz struck out four men in six frames to get the credit for the win. Earl Beesley whiffed five batters in the final three innings.

Vass batted an even .500 with two for four, knocking in one run. Beesley knocked in one also to keep the Aggies ahead.

A&M made a total of seven hits to six for the Medics.

Next on schedule for the Aggies is the conference opener with Texas on Kyle Field this Friday.

Ohio State Bows to Aggies In Final Game of Series 10 to 8

The Farmers lost the first two contests.

The wildness of Buckeye starting pitcher Ray Gebhardt gave the Cadets a five-run advantage in the first stanza. Gebhardt couldn't see the plate from the mound and walked the first four batters to face him. A double by Bobby Fretz and two Ohio State errors added up to five scores for the Farmers.

Cotton Lindloff crossed the plate on a wild pitch in the second inning after belting a single to left giving portside Bruce Morriss a six-run margin. However, Morriss lost his control in the third frame and the Buckeyes scratched twice on two walks and a double by Dave Wills.

The Aggie southpaw had trouble finding the dish in the fourth and the first three hitters got free rides to first base. Then Morriss bore down and retired the side without allowing a score. However, the visitors tallied twice in the fifth frame on a circuit blow by Norb Ranz with a mate aboard and a three-run spurge in the sixth to bring Earl Beesley to the hill.

The Ohio club knotted the count in the seventh, the Cadets pushed the deciding runs across in the eighth canto. Russel Mays started the whole thing with a two-base knock and went to third on Lindloff's single.

Zeke Strange grounded out and Jack Hammett, who relieved Gebhardt in the sixth inning, gave Stan Hollmig an intentional pass.

With the squeeze on Bobby Fretz dropped a bunt down the first base line scoring Mays and Lindloff.

Fretz and Ranz gave opposing hurlers the most trouble. Ranz connected with a pair of singles in addition to his home run to bat in three Ohio State scores. Fretz sent home four tallies with his sacrifice bunt and two doubles.

The Buckeyes outhit the Farmers 11-8 but while the Cadets played flawless ball in the field, the Ohioans handled the ball like a hot potato and committed six bobbles.

Tennis Team Host To U. of Houston Rice Fri. and Sat.

Coach W. M. Dowell's Aggie tennis team will play host to two schools this weekend when The University of Houston and Rice Institute send their tennis teams to College Station for matches with the Aggies.

The Cougars from the U. of H. will meet the Farmers Friday afternoon and night.

The No. 1 singles match and the No. 1 doubles match will be played at 7:30 p. m. in DeWare Field House. All students are urged to attend as there will be no admission charge.

Saturday afternoon the Rice Owls will engage the Aggie netters on the clay courts.

Last week the Aggie Tennis team downed the University of Oklahoma four matches to three. Bill Bennett and Duffey Stanley each won their singles match for the maroon and white.

The Aggie doubles teams of Bennett and Bennie Stanford and Rodney Sellars and Stanley won both of their matches.

A&M Racks Up 89 1/2 Points to Steers' Total Of 70 1/2; Rice Places Third With 10 Points

For the fourth straight time in as many weeks, the Texas Aggies decisively defeated the Longhorns from the University of Texas in track and field competition. This time the Aggie victory took place in Buccaneer Stadium at Corpus Christi in the second annual quarter-back relays Saturday night.

The Aggies racked up 89 1/2 points while the Longhorns were collecting 70 1/2. Rice Institute, the other school entered in the triangular affair, scored only 10 points.

Bob Goode, versatile Aggie thinly clad, took high point honors in the meet by placing in five events. Goode won the javelin throw, took second place in both the shot put and broad jump, placed fourth in the discus throw and ran a leg on the Aggie sprint relay team.

Goode, who garnered 12 1/2 points, tossed the javelin 187 feet 1 1/2 inches for a new meet record.

Aggie George Kadera, runner-up for high point honors with 12 points, set new records in both the shot put and the discus throw. Kadera heaved the shot 46 feet 7 1/2 inches and the discus 154 feet.

Ten new records were set in the 16-event meet. This was due mainly to the ideal weather conditions.

One other record was set by A&M when Ray Holbrook nosed out teammate Art Harnden in the quarter mile by running the distance in 48.9 seconds.

Texas' Jerry Thompson gave the 4,500 spectators something to remember when he ran the 2-mile race in 9 minutes 19.9 seconds for a new meet record. Thompson's time in this event was more than 12 seconds faster than the Conference record. Thompson also won the mile run earlier in the evening.

Charlie Parker of Texas, set two new records and helped tie another when he won the 100-

Hard-Hitting Fish Nine Down Austin 14-6 for Second Win

Aggie-Ex Pete Dowling received a rough welcome on his return to College Station last Thursday as the Aggie Fish walloped his Stephen F. Austin (Houston) high school nine 14-6 with a 13-hit barrage.

The visitors were never in the ball game as the Cadets crossed the plate four times in the initial frame and added six more runs in the second inning. However, Coach Dowling's charges neared even at the score board and pecked away at the Farmer margin with single runs in the fifth, sixth, and seventh stanzas and a three-run out-burst in the ninth.

The Aggies continued the distance clouting that sank Southwest a week before. Four doubles and two triples were included in the Farmer bag of hits. Seven of the Cadet blows were credited to Aggies who wore the green-and-white of Austin last year.

Sonny Bollman found the offering of his former teammates to his liking. His three hits, a single double, and triple, paced Aggie batsmen. The Cadet third baseman also tallied three times.

Four other Farmers also had a busy afternoon in the batter's box. Infielders Guy Wallace and Joe Savarino, and outfielders Bill Wariner and Hollis Baker connected with two safeties each.

Savarino singled in the first and walked in the second to reach first base safely for the seventh and eighth consecutive times this season. The Farmer lead-off man grounded to short in the third stanza to end his streak.

Cadet pitching was very effective in the early innings. Starting hurler Pat Habert received credit for the win. He toiled three frames of scoreless, hitless ball, fanning seven bat-

NORRIS CASUALS SPORTSWEAR

SUMMER MAGIC IN SHIRTS

Ever so smart, so smooth, so colorful! Norris Casuals Sport Shirts blend fine tailoring with friendly fabrics in cool, airy-light colors. Results -- breezy summertime magic.

Yours in gay checks, Polynesian prints, and solid colors. Norris Casuals are custom-tailored of top quality cotton and rayon fabrics. Long and convertible collars. Ask for Norris. Make your selection now from our wide range of sizes, styles, and colors.
