COLLEGE STATION (Aggieland), TEXAS, TUESDAY, APRIL 6, 1948 Some Form of Universal Training

Must Be Adopted, Debaters Agree

By C. C. MUNROE
This country must adopt some form of Universal Training to give it the force, industrial and military, with which to back up its foreign policy.
The question of whether that plan should be Universal Training or some other plan was the subject under discussion at last night's meeting of the Discussion and Deate Society. Supporters of UMT were represented by Dr. T. F. Mayo and Vick Lindley. **Russian-British Planes Crash Near Berlin, Killing Fifteen**By WES GALLAGHER

Team at a special meeting last week. Smith, one of the cadet's most outstanding pistol shots, has fired an average score of over 260 this season. He served as a pilot during the war, with part of his military service in European Theater flying B-17s. Last week the Aggie Pistol Team outpointed MIT by a score of 1350-1322. This makes the

score of 1350-1322. This makes the

third win in five starts for the A&M team. Other wins were made Course for Motor over Pennsylvania State and Cor-

nell. They lost only to West Point and Michigan State. Members of the A&M team firing against MIT were R. G. Cox, 274; W. E. Wolff, 273; W. E. Holmgreen, 272; S. W. Smith, 269; and R. T. Cook, 266. Results of the National Inter-

collegiate Pistol Championship Match fired during the week ending hicle supervisors will begin here March 27 have not yet arrived. Lt. Col. F. R. Swoger, team coach, does not believe that the Aggies

won the championship, as they fired only 1298 points, about 50 points lower than usual. This week team members will fire a competition match with Ohio State. Completion of this match will end the 1948 season.

Col. Swoger stated that more good pistol shots are needed on the team. Competition for this year is

almost completed, but work on next year's squad will continue until April 19. The firing range will be open for
