UH FRONTIER FIESTA DECLARED "IMMORAL"

HOUSTON, Tex., May 3 - 4 The president of the University of quiet week-end in College Station. number. Houston Saturday said an investigation is to be made of charges the school's annual frontier fiesta was "immoral."

Dr. E. E. Oberholtzer said he attended the fliesta, which conduded on the campus last Saturday

"But we shall have a careful in vestigation of the charges because the university doesn't want any impaorality in any of its activi ties," the university president said

J. E. Williamson, director of student activities, told Oberholtzer all but two of the shows on the fiesta's frontier midway were "innoral in one way or another.

Williamson recommended futing fiesta shows be censored by committee of faculty wives.

#### Assignments Made For Operation Of Children's Clinic

Special asignments were made for workers at the Crippled Children's Clinic on May 3 at a meeting in the YMCA Thursday morn-

ing.
In charge of registration will be Mesdames C N. Shepardson and Frank Anderson.

Hostesses for the day-long clinic vill be Mesdames Gibb Gilchrist, W. L. Pemberthy, A. A. Blumberg, Joe Mogford, Daniel Russell, M. Cashion, Gordon Gay, and Hugo

Typists will be Mesdames Fill Hensel, Joe Davis, C. E. Madeley, P. T. Montfort, Luke Patranella, R. E. Snuggs, Joe Motheral, and C. M. Simmang.

Nurses and doctors' helpers will include Mesdames Airt Adamson, Ormond, T. R. Spence, Joe Wool ket, Harry Boyer, Ruth Temple, M. Dowell, Ruth Hodges, C A. Medbery, and Don Dale.

Helpers with Negro children will be Nurse Jones of the Brazos County Health Unit and Mrs. S J. Sealey.

Blocker, and C. W. Shepard Dixie Southern and George Mc Culloch are in charge of signs on the campus to direct visitors to the

PUBLISHED DAILY IN THE INTEREST OF A GREATER A & M COLLEGE

COLLEGE STATION (Aggieland), TEXAS, MONDAY, MAY 3, 1948

By J. T. MILLER

Before voting for or against

affiliation, students should learn

more about the NSA. Membership in the NSA will cost students money. Too, there have

been serious charges levelled at

NSA's domestic and foreign af-

filiations. For a student body to

bind itself to such an organiza-

tion without first ascertaining

its structure and ideals would be

joining such an organization.

In August, 1946, representa-

on universities and colleges, plus

tives of the student bodies of

fifteen delegates from youth or

ganizations (such as the YMCA,

YWCA, Newman Clubs, Ameri-

can Youth for Democracy) gath-

ered at Prague, Czechoslovakia,

to take part in the World Stu-

dent Congress. It was at this

congress that the International

Union of Students was formally

in the United States. Therefore,

700 delegates, representing eight

hundred thousand students of 300

colleges and universities, and 20

national youth organizations as-

sembled to discuss the aims and

purposes of a national student or-

Director Hodgson has been dean of the school since last summer. He studied and traveled in England. France, Releium, Germany, Austria, and Holland.

He holds degrees from the Universities of Minnesota and Iowa and has been a member of the board of examiners for the eastern division of National Association of

Schools of Music. Organized last fall by Dr. Hodgon, the Madrical group is the most recent addition to the North Texas musical family. Several of heir musical group have appeared in Guion Hall before and have been

unfailingly well received. Best remembered of the NTSC musicians are the orchestra and trio which appeared early in the semester in Guion and made the biggest hit of the season! Advance notices of the Madrigal Singers lead is to believe they will increase

This will be a regular Town Hall presentation. General admission tickets will be on sale at the door tonight for \$1 and 60 cents, adults and students, respectively.

### Major in Fishery Rusiness Offered Wildlife Students

Students interested in fisheries will now have an opportunity to specialize in that field at A&M. according to Dr. William B. Davis, head of the wildlife management department.

At a recent meeting, the Academic Council approved a fisheries option in the wildlife management curriculum beginning in the junior year. Courses dealing with fresh water

tion, and management of fishes, limnological techniques, limnology, and fisheries biology will constitute the core of the carriculum, with supporting courses in biglogy, genetics, English, mathematics, chemistry, physics, and agronomy, Trained fisheries' biologists are n considerable demand at present by state and federal agencies and

and marine ichthyology, conserva-

the number of men being trained by colleges and universities falls far short of the needs, it was stated by Professor Frank Knapp who is in active charge of the fisheries program.

In setting up this option, the fisheries program at the college has been greatly expanded. It now
