Lounge in Each Dorm Approved by Senate

By KENNETH BOND

The Student Senate voted to recommend to the Board of Directors that lounges be installed in all dormitories as soon as possible.

In a long-winded session last night in the CE Lecture Room, the Senate decided to have an open letter put into The Battalion explaining the purposes and objectives of the student governing body.

The Senate, in its recommendation to the Board of Directors who are meeting here this week-end, asked that lounges be placed in every other dormitory by the beginning of the summer session. They asked that the other lounges be installed afterwards as possible.

The Senators, before voting, heard Cotton Howell, Luther Terry, and Dave Gentry comment on the favorable card that has been given the present lounges. They said that the lounges were well used.

Each Senator made a report on the opinion of the students of his area on the Student Senate. Most of the stock answers were, "We don't know anything about you," and "You're doing good work, but we feel that you could do more."

It was brought out rather forcefully that the reason they didn't know about the organization was because they hadn't kept up with current happenings in The Battalion.

Culminating the discussion, the Senate decided to have N. R. Leatherwood, president, write an open letter to the Student Body to present purposes of the group. He will read it before the Student Life Committee prior to submitting it to The Batt.

After Terry made a report of the Muster Committee, a formal motion was made to prepare an open letter thanking participants of the Muster.

The grade point ratio of candidates for the Student Senate was changed from 1.25 to 1. Election of Student Senators will be conducted early next fall.

The Constitution Committee received suggestions from the group on proposed changes in the relations between the Student Life Committee, Student Council, and Student Senate. They plan to meet further with Dean of Men W. L. Penberthy.

The next meeting of the Senate will be a banquet at the Fin-Feather Club May 16. Hood and Gentry were named to make necessary arrangements.
