LI'L ABNER By Al Capp

-RELAY-

(Continued from Page 3)

of the night.

In the low hurdle event the Aggie representative, Hall, was third going over the eighth hurdle but hit a hurdle and didn't place. The time of the event, 23 seconds flat, indicated that Hall would have placed without the hard luck.

The four members of the relay team each collected their third watch for the year. They also took away watches from the Kansas and Drake Relays.

The representatives of Texas University won the sprint relay with a time of 40.6. They beat the Los Angeles AC by approximately a yard.

Parker came in third in the hundred yard dash, behind Mel Patton of Southern Cal and Floyd La Beach of UCLA. This was a strange event in that due to a mistake it was only 99 yards 5 inches long.

Thompson of Texas finished out of the money in the 1500 meter race after leading for two laps. The three races run in the conference meet the week before probably had something to do with his poor showing.

The four members of the relay team each collected their third watch for the year. They also took away watches from the Kansas and Drake Relays.

The Texas relay team stayed over until Saturday night in order to participate in the California Relays. They won this event with a time of 40.9 for a new meet record.

Coach Anderson arrived by plane with the other members of the team yesterday evening.

VA Warns Against Side Payments For GI Home Building

The Veterans Administration has warned veterans, builders, and lenders against the consequences of making or accepting so-called "side payments" in the sale of home properties to veterans with the aid of GI loans.

Such side payments—usually made for the purpose of evading the prohibition against sales to veterans in excess of appraised "reasonable value"—are a direct violation of law and subject offenders to possible federal prosecution, Waco regional officials said.

Many cases have been reported in which veterans have been induced to pay the builder or seller an amount over and above the sales price shown on the loan report submitted to the Veterans Administration, and upon which the government loan guarantee is based.

Veterans who knowingly conspire to evade the law by making such side payments risk loss of their rights under all veterans' laws, it was stated.

Any lender who submits a loan to VA for guaranty while possessing knowledge of a side payment in connection with the sale — even though the payment was made to a third party other than the lender—will be suspended from further participation in the GI loan program, officials said. Also any guaranty issued in connection with the transaction will be invalidated.

'47 Aggie Will Graduate From UT Dentistry School

Joseph H. Smith, Class of '47, will graduate from the University of Texas School of Dentistry at exercises to be held May 31.

Commencement exercise will be held at the South Main Baptist Church, Houston, beginning at 8 p. m.

Dr. Smith is one of 26 graduates in the School of Dentistry. A member of Psi Omega fraternity, he is from Port Lavaca.
