

Milner Downs Bizzell and C-Row to Win College Softball Crown

Bowers Stops Bizzell Nine As Milner Scores 6 to 1 Win

By BILL THORNTON

Milner Hall defeated Bizzell Hall 6 to 1 last Wednesday on the new softball diamond to capture the Campus Softball crown for the first summer semester. Milner, Bizzell and Law Hall had ended league play in a three-way tie for first place. Milner then beat Law last Tuesday in a play-off game which meant all they had to do to win the championship was to beat Bizzell.

Bizzell was the first to draw blood in the crucial play-off game when they scored a single run in the second inning.

Milner came to life in the third and put two runs across the plate to take a lead they never relinquished. Milner scored three more times in the fifth and then added the final tally in the sixth. Bizzell was helpless against the excellent pitching of the Milner mound ace, Gene Bowers. Bowers never seemed to give the Bizzell batters a chance to hit the ball. Bowers, who was pitching his third full game of the week, won from Bizzell was the loser.

Catcher, the alert catcher for Milner turned in a noteworthy game behind the plate.

Leading the sluggers for the afternoon was Penrod of Bizzell, who collected two hits in three trips to the plate.

Box Score:
Bizzell 010 000 0 R 1
Milner 002 031 0 R 6

Kadera Will Play At End This Fall

George Kadera, the Southwest Conference champion shot-putter and discus thrower from Houston, is going to "sink or swim" this fall without getting close to the water.

The 215-pound weightman already has been informed that he will be an end when football practice begins at A&M on September 1.

Kadera, former all-district back at John Reagan High School, was

Softball Champs Out-play Competition

By LEON SOMER

The All-College softball championship was won by a team that displayed fire and hustle throughout league competition and in the play-offs.

What the team lacked in quality and quantity it made up by playing heads up ball in all its games. Although Milner was one of the under-dogs throughout league play, the team played hardest when runs were needed to come out on top.

The team from Milner got off to a slow start losing the first game to Bizzell 11-0, but soon the players hit their stride, winning five of their last six games to gain the league play-offs.

Giving credit to any certain player on the team would be rather difficult but there is no doubt in the minds of all the players that they could not have attained the college championship without the splendid pitching of David "Gene" Bowers.

Bowers, a junior premed student from Abilene who was in the corps last spring, could cer-

Milner Team, College Softball Champs; From left to right, top row, Dick Wornat, Dave Collier, David "Gene" Bowers, Sonny Barber, Gene Neal, "Beanpole" Geistman, Bruce Place; Middle row, Wade Oliver, Charlie Hendricks, Red Fennel, George Molteni, Jack Irish; Bottom row, Termitte Bailey, Joe Acheson, Jim Sullivan, L. E. Clark.

tainly be called the work-horse of the team.

In the eleven games that Milner played, Bowers worked in nine, winning eight and losing one and allowed only eleven runs in all his games.

His most important feat was that he pitched and won four straight games on successive days during the last week of softball play.

Teams that met defeat in the final week of play while playing against Milner were Dorm 14, Bizzell, Law, and finally C Row in the play-off for the championship.

Among other outstanding players for the Milner team were Dave Collier and George Molteni. Collier, who was a steady performer behind the plate, kept the team hustling with his constant chatter throughout the game. Molteni, who played shortstop, was probably the most consistent hitter of the team.

Managing the team was Jim Sullivan, who proved to be a capable manager in leading his team to victory.

Milner Captures Crown With 3 to 2 Victory Over Vet Team

By BILL THORNTON

After winning three play-off games in as many consecutive days, Milner met the College View Champions, C-Row, to decide the all college champions. Milner, who captured the Campus League Championship the day before came through in the last half of the seventh inning to score 2 runs to take the All-College Softball Championship 3 to 2.

Going into the last of the seventh inning, C-Row all but had the game won, being on the top in a 2 to 1 ball game. The first man up got a hit off of Thernal, who was immediately pulled. Clark, taking over the pitching duties for C-Row, walked the next batter and then set the next two batters out on easy plays.

With two men on the bases and two out Sullivan, the manager and third baseman for Milner, came to bat and hit a slow roller down the first base line. On the play at first the first baseman dropped the ball when Sullivan slid into first. This was the turning point of the game, for as the ball got away from the first sacker two

runs came across the plate. The next man popped out to retire the sides. The ball game was over with Milner winning 3 to 2 and consequently the All-College Championship.

Bowers received credit for the win allowing five hits and striking out seven while walking one. Thernal struck out two and walked three but the losing pitcher was Clark, who came into the game in the last of the seventh.

The official scorer for the game was Bubba Williamson.

Box Score:
C-Row 000 101 0 R 2
Milner 100 000 2 R 3

Mitchell Takes Volleyball Crown

Mitchell took two quick games from Puryear, 15-10 and 15-3, Thursday to win the Campus Volleyball Championship.

Mitchell played the type of ball that they had played previously which gave them a perfect season. For the winners it was Holland who stood out as the better player of the afternoon. He made the good shots that he is always capable of.

For Puryear it was the two Hantcock boys who tried in vain to keep their team up but couldn't quite work the combination.

The three most popular forms of smoking today—cigars, cigarettes and pipes—were also used by Indians when Columbus discovered the New World.

College Station Swimmers Star In Houston Tournament

Swimmers from the College Station Swimming Club dominated the YMCA meet in Houston last Friday and Saturday. In addition to winning numerous first places they established nine new meet records.

Two of the new records were in the junior division, two in the intermediate division, and five in the senior division.

College Station winners in the junior division were Gayle Klipple, Bobby Karow and David Bonnen. Klipple set new meet records in both the 50-yard freestyle and the 100-yard freestyle, while Karow won the diving and the 50-yard backstroke.

Bonnen placed third in the 50-yard breaststroke.

Both junior relays were won by College Station teams. The medley relay team consisted of Tom Barlow, Tommy Terrell and Bob Barlow. The freestyle relay team was made up of Orin Helvey, David Bonnen, Pete Hickman, and Robert Cleland.

In the intermediate division, Bill Karow established a new meet record in winning the 100-yard breaststroke. Van Adamson won the 100-yard backstroke. John Ed Parnell came in second in the 100-yard freestyle, and

the 200-yard freestyle relay team set a new meet record.

Members of the relay team were Gayle Klipple, Billy Bob Hale, Bill Karow, and Van Adamson.

Results in the Senior Division:
300 yard medley relay: College Station (Van Adamson, Bill Karow, Gayle Klipple) first; San Antonio, second. Time 3:18, a new meet record.

200 yard freestyle: Dava Vardaman, College Station, first; J. Medina, Houston, second; W. Amerine, Houston, third.

50 yard freestyle: Danny Green, College Station, first; Mike Muckleroy, San Antonio, second; Bill Karow, College Station, third. Time 24.4, a new meet record.

Diving: Jack Tolar, San Antonio; G. Scott, second; B. Potter, College Station, third.

100 yard freestyle: Danny Green, College Station, first; Mike Muckleroy, San Antonio, second; Conner, San Antonio, third. Time 54.2, a new meet record.

150 yard backstroke: Van Adamson, College Station, first; W. Amerine, Houston, second; Davis, Houston, third. Time 1:50.2, a new meet record.

Aggies Lose Athletic Trophy To Arkansas by Three Points

By H. V. SHELBY

KELLY AP BASE, July 17—In spite of the fine showing that the Aggies made in intramural sports play, the beautiful trophy, which was awarded for athletic proficiency, will come to rest on the University of Arkansas campus.

Although the Porkers were capable of achieving only second best in any event, they reached the finals in six of the seven possible sports which gave them enough points for the championship. The Ags fought their way to top honors in three fields of play, softball, and tennis singles and doubles.

With the exception of softball, winners of each sport were given five points and runner-ups made three. Softball which was considered the major event, was valued at ten counters for the victor and eight for second place.

The Farmers garnered twenty points and the Razorbacks made twenty-three by virtue of second place in softball. Had they managed to get only fourth the trophy would have gone to Aggie land.

More interest was shown in softball than any other field of play and before the victor was determined, some very exciting games were played. When the regular schedule had been completed, A&M, Arkansas and L.S.U. were forced into a playoff as each school had lost only one game. A&M had previously defeated Arkansas 7-2 and had lost a 1-0 game to L.S.U.

In the playoffs, Ole Army avenged its former defeat by dropping the Tigers by a 3-2 count. Dave Martin pitched this game with Boyd Rogers taking over in the final inning as Dave began to tire. In the important game with the Porkers the next day, Boyd Rogers pitched a good game and got fine support from his team as the Aggies shut out their opponents and won 1-0. Don Hooten made the only counter of the game and this came in the first inning and brought the championship to the Aggie landers.

With this championship came ten small trophies to be awarded to the man for their play throughout the contests. Aggies who re-

ceived the trophies were: Don Hooten as catcher, Boyd Rogers as pitcher, Melvin Maltz at first base, Jimmy Ulmer at second base, Charlie Eckert at third base, "Whiskey" Cure at short stop, Al Vizza as roving short, Cliff Bolner at left field, David Stiles in center field and "Rock" Robinowitz for the right field position.

In some cases it was a hard decision to make to decide who should get the trophy for a certain place on the team, so the team as a whole got trophies for a few more of its members who had done so much for the team. Those men were: Bryan Crouch as pitcher, "Buz" Daniels as catcher, Dave Martin who pitched, J. B. Waide another catcher and right fielder H. G. Murray. Medals were awarded to Calvin Jones and Arvel Longley.

Jimmy Killebrew and Tony Larroca received trophies for their tennis championships. Together they eliminated Arkansas in the doubles finals and Jimmy defeated a Teasip in the singles finals. He was one of the two men to receive two trophies for championships.

Aside from the Aggies' conquests, Oklahoma U. took badminton doubles and L.S.U. won the singles. The Oklahoma Aggies were horseshoes and volleyball champions.

Athletic officers from each school received a trophy. For A&M, Charlie Lattimore was presented the award.

The banjo is believed to have been patterned after a crude African musical instrument.

WELCOME!

Your College Confectioneries have the plush carpet out for all who are campus-bound for the second summer semester.

THE CAVE...

(under the YMCA) and

THE CAMPUS CORNER...

(in the New Area)
... invite you to come in and look us over. You will find a selection of good foods, delicious fountain confections, frozen candies, and one of the largest stocks of standard and fancy brands of tobaccos in this neck of the woods.

YOUR Platform For

State Representative

WM. C. HALL

Aggie — Teacher — Farmer — Disabled Ex-Serviceman

VETERANS—Present to the Legislature the information which I have gathered by personal correspondence with all the other states. California's program of loans for homes, farms and education has many points in its favor.

STATE EMPLOYEES OF THE COLLEGE, HIGHWAY AND OTHER ORGANIZATIONS—Full protection of the Workmen's Compensation Law. The College employees do not now have the protection of the amendments to the law. A pay scale equal to the best in the state.

A & M COLLEGE—Full cooperation in all programs of expansion of the services of the College. The more money appropriated for the College, the more money for the store owners and farmers of Brazos and Grimes counties. State funds for research in Home Economics. Build and equip a veterinary and medical school large enough to assure all who have the ability and desire to follow these professions this most basic right of a democracy, the right to be whatever one has the intelligence and willingness to work for.

TAXES—A tax on oil, gas and sulfur as it comes from the ground (85% is shipped out of Texas.) Mississippi levies a tax of 5%. A similar tax for Texas would provide sufficient revenue so that we could ELIMINATE THE RETAIL GASOLINE TAX, provide for good roads, education and pensions.
