NEW DELHI, Sept. 16.—(AP)—India threw parachute troops into the invasion of Hyderabad today and captured Komnabad, 84 miles from the capital. The drive was from the west.

The second largest city of the princely state, Aurangabad, and its cantonment surrendered in the northwest, giving India virtually all that corner of the state, the defense ministry said.

Military informants in Madras said they thought Indian troops might reach Hyderabad city and suburban Secunderabad by Thursday or Friday. This would virtually end the fighting, which stemmed from the refusal of the wealthy Muslim Nizam to join his state to the Indian Union.

HEAD COACH HARRY STITELER promises thousands of Aggies assembled for the first yell practice of the year a "ball club that the public and you will respect". He spoke during College Night, before introducing the members of the 1948 football team.

## Annex Fish Get New Feeling After First College Night

By TOM CARTER

"I'm proud of the way you are learning to yell," President F. C. Bolton told the Annex freshmen last night at their first yell practice.

In a demonstration of true Aggie spirit the freshmen showed off their newly acquired ability to yell.

Earl Lonquist, veteran yell leader, introduced the new Aggies to President Bolton, Coach Harry Stiteler, and freshman coach "Bones" Irvin.

Referring to football games, Bolton said, "We will stick out our chests when we win but if we lose we are still going to be with the team."

He also said that we were going to play one game at a time, concentrating all our efforts on that game and not one that is to be played several weeks in the future.

Coach Stiteler said, "We are all freshmen together; we have a freshman coach, a freshman President, and a freshman class."

In talking to the group Stiteler named several ways that they could help the team this year. His first point was: "Let's not go around saying 'Beat the Hell out of some team because we are boasting about something we may not do.'"

In clarifying this point the Coach said that anything we do to make the rival team angry is a bad thing.

"We are not in a position to be the Big Bully this year so we should not act like bullies," he concluded.

In concluding his talk, Stiteler said, "When we leave the field you'll know we've done the best we can possibly do. Give us everything you've got, in the right way, and we'll play in the right way."

Irvin told the freshmen that 26 years ago he came to A&M and got "the old Aggie spirit." He assured the new Aggies that there would probably be things happening that they wouldn't like, but that if they stayed long enough, they too would get that same "Aggie spirit" that he got 26 years ago.

"Hold tight, breathe the spirit of A&M and you'll be alright," he concluded.

Dr. Abbott, Dean of the Annex, in talking to freshmen class to the upperclassmen, yell leaders, coaches, and to the members of the football team, said that "Every member of the class of '52 will be behind the team every minute of this year."

### Port Arthur Club To Meet Thursday

The Port Arthur A&M Club will meet after Yell Practice Thursday night, Gene Broussard, club president, has announced.

The group will meet in Room 225, Academic Building, Broussard said.

### \$8,000 Ludlow Machine Added . . .

By CHUCK MAISEL

If you have been picking up your cherished copy of the Batt of late and, after glancing at it, you think it's the Dallas News, the New York Herald-Tribune, or some other small time newspaper, don't throw it away without reading. It's still the same high quality news sheet you have always known (all replies to this, address Letters to the Editor).

The "new look" is a difference in type used. If you will note the headline used over this story and you are an old printer from way back, you'll recognize it as being a form known as Bodoni Type.

The name comes from an early Italian printer who designed the type. Bodoni is now used exclusively in Battalion "heads" as it is

concentrating all our efforts on that game and not one that is to be played several weeks in the future.

Coach Stiteler said, "We are all freshmen together; we have a freshman coach, a freshman President, and a freshman class."

The labor saving device came at a cost of \$8,000. Besides putting the Battalion on a par with the larger dailies of the nation, it is a great step forward for the A&M Press itself, making it one of the most modernly equipped print shops in our part of the state.

# Thirty Seven Members Of Football Squad Enroute To Villanova Game

## Goode Expected to Do Kicking for Aggies; Team Scheduled to Return Sunday Evening

By ART HOWARD

A chartered DC-4 took off from Bryan Field at nine o'clock this morning carrying 37 Aggie athletes to Philadelphia for the A&M-Villanova football game Saturday. Four members of the athletic department, Coach Harry Stiteler, Coach DuBose, Trainer Blaine Rideout, and Bill "Dog" Dawson, were also on board.

Two yell leaders, Tommy Splitgerber and Jimmy Stevens, accompanied the team at the request of Athletic Director Bill Carmichael. Roy Hager of the college photographic department also went along to take pictures of the game.

The plane is scheduled to land at the Philadelphia Municipal Airport at 3 p. m. Carmichael flew there yesterday morning to make arrangements for the game.

The Aggie lineup will be over three deep in every position Saturday. Ends Wray Whittaker, Charlie Wright, newcomer Andy Hillhouse, Dorbandt Barton, Geo. Kadera, Cedric Copeland, and Ed. Hooker are making the trip. Seven tackles, Jimmy Flowers, James Winkler, Marion Settegest, Dwyane Tucker, Percy Burk, and Ralston Chapin will share the lineup.

Guards Odell Stauteberger, Max Greiner, Herbert Turley, Calvin Dupree, Carl Mulberg, Mickey Spencer, and A. J. Dugas were picked to make this first game.

Even the center position will be well represented at Philadelphia. Letterman Herbert Ellis and two men up from the freshman team, Bob Bales and Hulin Smith, are on the plane.

All three of A&M's quarterbacks Jimmy Cashion, Buryl Baty, and Don Nicholas, were on the plane. Bobby Goff, Ralph Daniel, Kenneth Voss, and Paul Yates, will all probably see action in the fullback slot against Villanova.

At the Quarterback Club meeting last night Coach Bill DuBose explained that while not every player making the trip would see action, a surplus was needed in case of an accident or injury.

In addition, the coaches are anxious to see how the players do in a real game and may give every one of them a chance to prove himself.

A&M will be well represented at the halfback slot, with Bob Goode, James Boswell, Preston Smith, lightweight Charlie Royalty, James Booth, and Frank Tork ready for action.

The Aggies will work out this afternoon and tomorrow morning at Shibe Field. Then tomorrow afternoon they will watch the Phillies play the Chicago Cubs.

Coach Stiteler stated that the schedule calls for the team to leave Philadelphia Sunday morning and arrive at Bryan Airfield at approximately 5:30 p. m.

Trainer Blaine Rideout said yesterday that all of the men making the trip are alright physically. Copeland's leg was sore but is well now, and Ed Hooker has full use of his strained shoulder.

Rideout stated that Blanton Taylor the line-busting fullback from Hondo, would be kept out of practice until a head injury is rechecked, and would not make the trip.

Halfback Bobby Dew had been previously pulled from the list when his injured knee failed to get better. Bob Goode was getting off some long punts in practice yesterday and will probably handle that chore in the game.

### Magazine Writers Plan Friday Meet

Staff members and potential staff members of The Commentator, all-college magazine, will meet tonight in Room 208, Goodwin Hall, J. T. Miller, editor of the publication, has announced.

The magazine, which will feature sports, humor, fiction, non-fiction, and cartoonists, needs both writers and artists, Miller said.

"Cartoonists with a real sense of humor will be especially welcome," he said. "Although The Commentator will not be like the old Batt magazine, it will use as many cartoons as possible in each issue," he added.

The Commentator started its second year of publication with the September issue.

## 'Y' Cabinet Plans Program To Improve Campus Spiritual Life

J. W. Robinson, president of the YMCA, presented a new challenge to the members of the YMCA Cabinet in that group's meeting Monday night. He suggested that the following steps be taken by the council to improve the spiritual life on the A&M campus:

Encourage more students to attend the watch services held each day at 7:30 a. m. in Kiest lounge. "The corps chaplain deserves our assistance in enlarging and stressing the importance of a devotional period each morning," Robinson said.

Reorganize the discussion group which brought leading professors to central locations on the campus for forums concerning marriage, race problems, and "related interest" topics. Charles Glass was appointed chairman of a committee to promote this plan.

Beginning this week, he suggested that a "thought and verse" for the day appear in the Battalion. This will be done to encourage Bible study in the dorms now that each room has a Bible. Robinson has high hopes for the YMCA cabinet as a force for good on "our campus." "Our campus is what we make it—let's make its welfare our welfare by supporting these plans."

"A steak fry is planned for next Monday evening at 5:30. The group will leave the Y and travel to the Y cabin, which is 3 miles from the campus, for the outing."

M. L. Cashion expressed hope that the YMCA would support Harry Stiteler in his "sportsmanship" program for the coming football season.

Other students have been provided with parking areas as follows: Dorms 1-3-5: Parking area east of Dorms 3 and 5. Dorms 2-4-6-8-10-12: Parking area behind Dorm 12. Dorms 7-9-11: Parking area south of Dorm 11. Hart: Parking area back of Hart Hall.

Bitzell: Parking area south of Main Drill Field. Puryear, Law, Mitchell, and Leggett: Parking area west and north of Law Hall. Milner: Parking area north of Milner and east of Sbisa. Walton: Parking area north of Walton Hall.

Dorms 15-16: Parking area east of AAA Building, east lawn only. Dorms 14-17: Parking area west of Dorm 17.

### Hours At Pool Are Announced

Beginning this week Coach Art Adamson has announced the following hours at the swimming pool: weekdays—4:00 to 5:45, and on Saturdays and Sundays—3:00 to 5:00.

The pool will be closed on school holidays and during A&M football games. All students using the pool must wear official swimming caps and scrapp. Soap showers must also be taken before entering the pool.

### REP. TEAGUE PROPOSES TRUMAN-STALIN MEETING

CORSCANA, Tex., Sept. 16.—(AP)—Rep. Olin Teague of Bryan says President Truman and Premier Stalin should get together to improve American-Soviet relations. Teague proposed the conference in an address to the Lidas Club here Wednesday.

"Take it off, take it off!" cried the boys from the rear. And Prexy F. C. Bolton did his de, that is. Everything was informal and man to man as the new president and coaching staff were received with enthusiasm by the Twelfth Man.
