

19 Police Recruits Finish New Course

The Motor Transport Training Division of A&M's Industrial Extension Service, has completed "Operation of Emergency Vehicles" a new course designed and tested at the request of Dallas Police Chief Carl F. Hanson, E. L. Williams, director, stated. Offered under the direction of

Russell FitzPatrick, in charge of motor transport training at A&M, the course was tried out on a class of 19 Dallas police department recruits and pronounced "extremely valuable" by officials. The course, consisting of 32 hours of classroom and field work, stressed defensive operation, advanced pursuit tactics, and basic driving maneuvers. Problems included the overhauling and search of occupants of a "suspected" vehicle, emergency stops, driving under adverse weather conditions, and other phases of vehicle operation.

"A Tree in the Meadow"
A Decca Release

SWEET swinging Monica Lewis is more than ever a "rave-fave" with her latest ballad. Monica herself says that "A Tree in the Meadow," a top-ten ballad, is her favorite new recording. And her favorite cigarette is Camel. As Monica puts it, "After trying and comparing many different brands, I find Camels suit me best." Try Camels on your "T-Zone"—"T" for taste, "T" for throat. See for yourself why, with millions who have tried and compared, Camels are the "choice of experience."

"Camel is a great cigarette—cool, mild and full flavored"

Camels—the choice of experience
