

# Newcomers Honored With Tea In Home of Mrs. F. C. Bolton

An air of friendly informality greeted members of the Newcomers Club as they arrived at the tea given for them Wednesday afternoon by Mrs. F. C. Bolton at her home on the Campus. The guests were met at the door by Mrs. R. E. Leighton, Mrs. R. F. White and Mrs. A. W. Melloh.

In the receiving line were Mrs. J. B. Johnson who is president of the club, Mrs. F. C. Bolton, Mrs. D. W. Williams, Mrs. M. T. Harrington, Mrs. H. W. Barlow, Mrs. Charles N. Sheppard, Mrs. P. E. Pearson, Mrs. H. L. Beattie, Mrs. R. D. Lewis, Mrs. Ida P. Trotter, Mrs. W. L. Pemberton, and Mrs. D. A. Anderson.

Maroon and pink were the dominating colors in the floral arrangements of the dining room. Edith Nelly Perkins roses, Coral vine and pink Canna blossoms graced a glazed aluminum container which was placed in the center of the tea table. A silver service was at each end of the table. On the buffet were two silver wine coolers which were filled with foliage and purple flowers.

Besides tea and coffee, sandwiches, individual cakes, and olives were served.

Mrs. M. C. Hughes, Mrs. J. E. Roberts, Mrs. Fred Jones, Mrs. B. R. Holland, Mrs. E. B. Reynolds, and Mrs. J. G. Pitter presided at the tea table. Mrs. F. W. Hensel and Mrs. Gilbert Barker played piano selections during the tea hour. Other members of the house party were Mrs. E. E. Brush, Mrs. W. R. Carmichael, Mrs. Harry Stiltner, Mrs. Robert Stevenson, and Mrs. R. H. Fletcher.

In the living room were arrangements of Coral vine and blue Humberg. Red and white gerbs were placed in the receiving room, and in the hall, yellow roses were in the study, and on the porch were potted plants.

Mrs. D. L. Belcher invited guests to the porch to see the attractive displays which had been prepared by the Interest Groups of the College Social Club. Mrs. A. Cecil Wamble and Mrs. Bob M. Gallaway were in charge of the Foods Group; Mrs. E. R. Alexander and Mrs. R. E. Callender, Art and Handicraft Groups; Mrs. Lynn Grasshoff, Musical Arts Guild; Mrs. J. H. Hill, Reading Groups; and Mrs. A. E. Denton, Swimming Group.

Mrs. M. C. Hughes is general chairman of the Interest Groups for the Social Club.

The Newcomers Club is a part of the Interest Groups of the Social Club and was organized ten years ago by Mrs. Nell Riggler. It was begun in answer to the need of new people on the Campus to become acquainted with each other and with those who had resided here for a period of time. Members are eligible only for the first two years that they are on the Campus.

The club met for twice a month in the homes of the members once to play games and the other time to knit; however, plans are now being made to have a double feature program at the meetings so that there will be an activity of interest to all of the women at each meeting.

Following the storm of registration came the hurricane of room changes! The tune goes like this with the melody blown by the dorm directors. "I'm sorry, but you also have to have ninety-two grade points to be eligible for Stoddard." (To the plebeians—the senior dormitory.) "Since there are twelve girls involved in this room change, you'll have to work it out on paper before I can sign it." Harmony was seldom achieved, and often it was a few measures late—according to a few girls who spent a night homeless, in the trash room.

With the tempo rapidly becoming a little more regular, activities commenced our first week. "All-College-Sing" opened the series of that week's entertainments with All-College-Night, which reviewed the main events of last year in the form of a pageant, next on Wednesday.

There were three representatives up here from Aggie land who climaxed the program by presenting last year's Aggie Sweetheart, Laura Sessions, and extending an invitation to all of us to attend—something or other—corps trip, ho—corps trip this year in Dallas. (The invitation was accepted by the singing of the Aggie War Hymn.) Newcomers' Night, on Thursday was a warning, presented under the disguise of a play, to all new students on the campus as to what to expect in their college life here. The Lantern Parade ended the week of the "welcome" campaign with everyone rushing to dorms afterwards to meet dates or to listen to football games.

Shouts of "Who knows all the words to 'My Gosh, How The Money Rolls In'" were heard as the trucks drove off piled high with juniors. The annual junior hayride was quite an affair recently with the Class of '50 turning out in full force for fun, food, and frolic at Lake Dallas.

Seniors, too, were in the spotlight this last week, obviously flashing their newly acquired mark of distinction—their senior rings which they got after the Senior Breakfast Thursday morning.

Climaxing the first two weeks at Tesseland was the election of Corps Sweetheart nominees, who got acquainted with the Senior Representatives from the Corps. I'm sure the girls did their best to play the part of a perfect hostess. Their party attended the All-College Dance dancing to the music of the Seranaders.

So these first two weeks were not only crowded and hectic, but it was fun seeing everyone and talking over summer activities.

Until next week all the Tessies join me in wishing ye ole team the best of luck against T.C.U.!

# THE Women's Corner

"Engineering isn't what it used to be," says C. E. SANDSTEDT as he talks to two girl civil engineer graduates during the recent Seattle ASCE Convention. LUCY WILSON, (left) an alumna of the University of Texas, is designing irrigation structures for the Bureau of Reclamation in Great Falls, Montana, and EUTH GORDON from Stanford University, is in the structural design section of the Seattle city engineering department.

## Women's Corner To Feature College Women's Activities

By NANCY LITTLE

With the appearance of autumn, another semester of school is well on its way, new Aggies have appeared, there are many new veterans, and their wives on the Campus, and The Battalion has introduced an innovation—the weekly "Women's Corner."

This page, which will be published every Tuesday, is to be devoted exclusively to the activities of the Aggies' wives, the women who are associated with the work of the College.

The "Women's Corner" is your page, and we hope that you will make full use of it to chronicle all of your social events, engagements, weddings, and personal events such as visitors, trips, and other items of interest to women readers.

Engagement and wedding pictures to be published should be black and white glossy prints since color cannot be made from tinted pictures. They should be brought to us as soon as possible before the time that they are to appear.

If you have any suggestions to make regarding the page, please call the woman's editor at 4-5444 or write to the Battalion office, Room 202, Goodwin Hall. The deadline for news is every Friday afternoon for stories to appear in Tuesday's paper.

College Station boasts of many women's church groups as well as social clubs and news of their meetings will be very welcome. The column "Bulletin Board" is to serve as a calendar for all meetings of women's groups. Please let us know every time your group schedules a meeting or party.

Remember the "Women's Corner" is YOUR PAGE. We hope that you like it.

# Campus Study Club Holds First Meeting; Harvest Theme Used

The Campus Study Club opened its season with a tea at the Y.M.C.A. on the A&M Campus, last Tuesday.

The tea, which centered around the harvest theme, was in honor of outgoing and new officers.

Mrs. I. C. Kapp and Mrs. L. M. Haupt greeted guests at the door and directed them to the receiving line which consisted of Mrs. Edward Madeley, the outgoing president and parliamentarian; Mrs. H. L. Heaton, the new president; Mrs. H. L. Brock, fourth district parliamentarian; Mrs. T. W. Barker, new vice president; Mrs. A. W. Melloh, corresponding secretary; Mrs. J. T. McNew, reporter; Mrs. Dora Barnes, auditor; and Mrs. F. B. Clark, historian.

Mrs. Madeley held an impressive service for the installation of the new officers. After the installation, Mrs. Heaton introduced Mrs. Drin Helvey, program chairman, who in turn introduced the speaker, Dr. Thomas S. Mayo, head of the English Department at A&M. Dr. Mayo explained that since everyone is looking forward to seeing the Laurence Olivier version of HAMLET on the screen he thought it timely to speak on that play. He presented the interpretation of the play which was made by Goethe, Coleridge, and Professor George Kittredge and named the Coleridge interpretation as his personal choice.

At the close of his talk Dr. Mayo said that he hoped that the movie would be more interesting to the women as they kept the various interpretations in mind and noted which one was followed by Olivier.

At the close of the review, Mrs. J. H. Borrows invited the guests to tea.

The shortcake cloth on the tea table served to accentuate the warm glow of the antique copper coffee service, the copper candlesticks containing yellow candles, and the centerpiece which was a bright autumn arrangement of fruits, vegetables, and leaves displayed in a copper bowl. A large copper tray held pumpkin tarts, cheese, nuts, and olives. Autumn-colored pottery enhanced the color scheme. Bowls of autumn flowers were also used for decoration.

Presiding over the tea table were Mrs. Brock, Mrs. Heaton, Mrs. Madeley and Mrs. Sorrels.

Special guests were presidents of Bryan and College Station clubs. They were Mrs. Emmett Wallace, Bryan Woman's Club; Mrs. L. P. Coffey, Bryan Reading Club; Mrs. Kermit Snyder, Evening Study Club; Mrs. O. G. Tumlinson, Extension Service Club; Mrs. M. T. Harrington, Social Club; Mrs. Fred Hale, College Station Garden Club; Mrs. Ivan Langford, Bryan Garden Club; Mrs. E. L. Fouraker, Regent, College Station D.A.R.; Mrs. Donna Carnes, Regent, Bryan D.A.R.; and Mrs. A. J. Buchanan, U.D.C.

Others included Miss Frances Arnold, Business and Professional Women's Club; Mrs. J. T. Soules, Veteran's Student's Wife's Club; Mrs. Omer Sperry, A.A.U.W.; Mrs. Bassett Orr, A&M Mother's Club; Mrs. J. B. McKinley, Bryan and College Station Art Club; Mrs. C. W. Simmons and Mrs. C. A. Edgo, District Committee Chairmen.

Mrs. J. C. Culpoper was general chairman for the tea, Mrs. Sorrels and Mrs. Helvey were chairmen of the entertainment and Mrs. Ferguson was in charge of the tea table and decorations.

## Colds Catch Easy Says Health Dept.

Dr. George W. Cox, State Health Officer, says that there are countless ways of spreading colds other than by coughing, spitting, and sneezing. The doctor advises, "If a member of your family has a cold and the other members share a common drinking glass with him, you may expect the whole family to pick up the germs he leaves on the glass."

"Sometimes a person with a cold thoughtlessly touches his mouth or nostrils with his hand, and then shakes hands with another person. That person will probably contaminate his own mouth and nostrils with his hand, and the germs will be transmitted into his own system."

"Children, as well as adults, who are suffering from a cold should be put to bed. If complete rest, light food, and plenty of liquids do not improve his condition in a short time, the family physician should be called."
