Fish Basketball Squad Opens Season Against Allen Tonight

By FRANK SIMMEN, JR.

The Aggie freshman basketball team will open its 1948-49 season tonight in DeWare Field House against the Allen Academy cage squad at 8 p. m. The Aggies and the Allen eagles have yet to play a game this season. Coach Wilkins said that most of the boys would be in top shape for the fray.

Starting for the Fish at the guard slots will be Bobby Farmer, the ex-Amarillo High star who is pretty accurate with his long shots. At the other guard slot will either be Gibbs, the little Lufkin flash or "Workhorse" Walker, a 5 ft. 8 in. lad from Woodhouse.

Holding down the center position will be Buddy Davis, the 6 ft. 8 in. flash from Neiderland. Buddy is rounding into excellent shape this season and will be heavily counted on for points in the Allen contest. Buddy tilts the scales at 205 but shifts his weight and height around with remarkable coordination.

At the forward posts will be Ed Houser, a six footer from Big Springs and either Bentley or Crutch at the other forward slot. Bentley is from Harlingen, and reaches 6 ft. 3. Bobby Garth, who stands six two will be counted on heavily for the Allen contest. Bob is an ex-Houston cager.

The Allen Academy squad will probably send Louis Willis, a 6 ft. 3 in. center to the post. Willis, who is playing his second season for the Academy is the tallest man on the squad.

The starting guards will be Frankie Villalovas and Pete Bramblitt, and James Idoux and Skinny Bridges will hold down the forward positions.

The Allen Academy eagles, members of the Texas Junior College Conference, tied for first place in their zone last season but lost in the playoffs. This will be the first scheduled game for the Bryan boys this season. Coach Robinson is expecting some of the footballers to come out for practice later on in the season to

Bailey Takes Pass Receiving Lead; Scott Still Top Runner

Morris Bailey, TCU's pass snatching end, took over the lead in pass receiving in the SWC last weekend when he caught 7 heaves for a net gain of 98 yards. Bailey took the lead away from fabulous SMU star, Doak Walker who fell to second place. The Doaker caught only one pass in the Arkansas game.

Bailey's season record shows he has caught 28 passes for 319 yards. He has caught one touchdown pass. Walker has snagged 11 aeriels for 256 yards while 3 of his catches resulted in touchdowns.

Aggie end Charlie Wright is a close third with 21 catches for 255 yards. Only one of Wright's receptions ended in a touchdown.

A.M.'s other starting end, Andy Hillhouse is tenth in the conference standings with 13 passes caught for 166 yards.

Clyde Scott retained his lead in ball carrying although he only picked up 31 yards in the SMU game. Scott now has gained a net 670 yards in 95 tries.

Ray Borneman, Texas' candidate for all-conference backfield post, moved into second place in ball carrying when he picked up 154 yards in a 18 attempts against TCU. Borneman's record is 612 yards in 94 tries.

Lindy Berry of TCU is third in yards gained rushing. Bobby Lantrip of Rice is fourth; Aggie Bobby Goff is fifth; Leon Campbell of Arkansas is sixth and Doak Walker is seventh.

Gil Johnson of SMU added to his passing lead with 12 completions in 20 attempts for 107 yards against Arkansas. Johnson now has completed 60 passes in 93 attempts for a total of 834 yards.

The other leading passers in order are: Paul Campbell of Texas, Lindy Berry of TCU, Adrian Bark of Baylor, Tobin Rote of Rice, strengthen his squad considerably.

The freshman have a full season planned with games with the Baylor, Texas, and Rice Frosh and also Tyler Junior College. To date the conference has ruled that freshman basketball teams are limited to an eight game slate, but is expected to change their decision to twelve when they meet in the early part of December.

Wilkins' first-year aggregation is getting a two-week start on the varsity, which will not open its season until December 3 when they meet Trinity University in San Antonio.

This game will be open to the public tonight, with choice seats going to the early fans.

Flag Football In Spotlight Of Intramurals

Rough and rugged Flag Football featured Veteran competition in Intramurals Tuesday afternoon.

Puryear Hall kept its record unblemished with a 14 to 0 win over a scrapping Dorm 17 team. Dave Thomas kept the Dorm 17 defense guessing on both his passing and expert running. Thomas passed to Bob Moore and Dick Drouet for Puryear's TD's and instrumented both conversions. Russell Mays sparked Dorm 17's playing with his fine running and timely passing.

Two T formation teams, Law and Mitchell, turned in rough performances before Mitchell won by a 13 to 0 score. A. P. Wylie was the winner's quarterback and tossed two scoring passes that were too much for Law to overcome. His receivers were R. E. Williams, and J. R. Harmon.

Sporting a spread formation, Dorm 16 downed a battling but baffled Trailer Camp team, 12 to 0. Art Burch tossed one paydirt pass to M. P. McChemical and Phil Russel scooted over from the three yard line for the second tally.

Walton was unable to stop a guy named Joe Benson and lost to Dorm 3 by a 20 to 0 count. Benson crossed the goal three times, twice on ten yard sprints and once on a thirty-yard pass interception. He also kicked two extra points.

Montgomery County Club came to their game shorthanded and got the short end of a 31 to 0 score from Range and Forestry Club. Bill Weyer shot two TD passes, one to Don Huss, another to Larry Larsen who later intercepted a pass for a 15 yard runback and a score. Duncan Cooper's pass to Huss was good for another six points and a second pass of his accounted for one extra point.

In Volleyball, ASCE set back Agronomy Society in two straight games. Landscape Art Association forfeited to Galveston A&M Club. Austin Club swept its set with AIEE.

Mustangs to Play Irish Next Year

DALLAS, Nov. 16.—A home-and-home agreement between Notre Dame and Southern Methodist University for football games in 1949 and 1950 is in the making, Matty Bell, Southern Methodist head coach, said today.

"We have tentatively agreed to a home-and-home arrangement," Bell declared. "But there is the matter of working out dates suitable to both schools. We are trying to bring Notre Dame to Dallas in 1949, with SMU going to South Bend, Indiana or a site to be named by the Notre Dame officials, in either 1950 or 1951."

Good and Bad

EAST LANSING, Mich.—The most lopsided victory ever scored by a Michigan State College football team was the 194 to 0 conquest of Hillsdale college in 1904. The worst beating the Spartans ever took was 119 to 0 by Michigan in 1902.

Michigan State College will play six consecutive football games at home next year—Marquette, Maryland, William & Mary, Penn State, Temple and Notre Dame will be the opponents.

Backfield Expert

SOUTH BEND, Ind.—Marty Wendell, Chicago senior who handles the right guard assignment for Notre Dame, is a handy man to have around a football team. His experience on the gridiron includes play at halfback, quarterback, fullback, center and guard. He favored at half and quarter in high school, and he already has won three letters at Notre Dame—at full, center and guard.

Water Polo Team Downs Bears To Retain Undefeated Record

By FRANK SIMMEN, JR.

Coach Art Adamson's water polo team kept its unbeaten slate for the third straight season as they out-pointed a highly improved Baylor squad last night in the final game of the season by a score of 7 to 5 in Waco.

The Baylorites, playing in their own pool, took an early lead in the fray. While the game was only a minute and thirty seconds old Bullit Manale made a backhand shot that bounced off the hand of teammate Williams to make the Bears' lone tally of the half.

Johnnie Heeman passed to Van Adamson, who tipped the ball in 3 minutes and 45 seconds in the first period. Just before the end of the opening quarter Van Adamson made a long shot over the heads of three Baylor swimmers 12 feet from the wicker. This ended the scoring in the first period.

A&M's next two tallies came within fifteen seconds of each other while the second quarter was barely three minutes old. Heeman scored on a side shot after a mad scramble for the ball in the center of the pool followed by Fisher who took a pass from Adamson to score about 6 feet out on the right flank.

Bullit Manale, Baylor's offensive standout came out of the game with a cramp in his left foot just before the half-time signal.

At the start of the second half, with the Aggies ahead 4 to 1 the Wacoians quickly made another marker when Bullit Manale completely baffled Carl Fleming by swimming around him and literally plugging the ball in the wicker for a Baylor score.

Thirty seconds later Fleming took a pass from Jerry Fisher to score from the two-foot line after evading two Baylor swimmers to end the tallying for the third stanza.

Thirty seconds after the whistle blew putting the ball in play for the last quarter, Sorrell fouled Heeman intentionally and was thrown out of the pool. His absence was momentarily though, as Heeman quickly passed to Fisher for the next Farmer score.

Andy Odum, the Galveston flash who did a fine job of guarding

Runners Outshine Passers in Grid Records This Year

NEW YORK, Nov. 17.—In this era of the glorified forward pass it is nice to note that college football still has boys who can carry the mail.

The fading 1948 season, in fact, promises to be a monument to the hard-working athlete who lugs by hand.

Ed Price, Tulane's churning fullback, is almost certain to become the third player of a big time team in ten years to pass the 1,000-yard mark in rushing.

At least a half-dozen others are likely to join the "100 Yards a Game Club," an exclusive organization to which only 17 men have been admitted in the last decade.

Price rolled up 134 yards in Tulane's 35-13 victory over Baylor last Saturday to increase his season's ground yardage to 892 and to become the nation's second most effective ball totter.

National collegiate athletic bureau statistics show the rushing department is still led by Fred Wendt of Texas Mines, who with 1,057 yards promises to give the Border Conference its third straight champion in this specialty.

Rudy Mobley of Hardin-Simmons was top ground gainer in 1946 and Wilson Davis of the same school won the honor last year.

They had better than 1,000-yard seasons, as did Gene Roberts of Chattanooga in 1946. Mobley also topped 1,000 in 1942.

But the only other player of the recognized bigger schools to achieve the goal in the last decade were Frankie Sinkwich of Georgia, who rolled up 1,193 yards in 1941, and Bob Fenimore of Oklahoma, who gained 1,048 in 1945.

Wendt and Price are averaging better than 100 yards a game along with John Papit of Virginia, Gil Stephenson of Army and Wilson Davis of Hardin-Simmons.

Jackie Jensen of California, Bobby Stuart of Army, Nay Van Noy of Utah State and Harry Szulborski of Purdue are within reach of the door handle to the select society.

Of the four highest priced yearling race horses—New Broom, Hustle On, Pericles and Broadway Limited—only Pericles ever won a race, and that was an obscure contest for four-year-olds. Hustle On never went to the post.

AP Newsfeatures

SAN ANTONIO.—The last of the Urbanovich athletic clan is playing out his string at Edgewood High School.

Three brothers preceded him at the school and all were stars. Eddie is the last and he's a star, too.

Eddie is a triple-threat on the football team. He runs, passes, kicks and gets in on well over half the tackles. He also calls the plays from quarterback and serves as captain of the team.

"He's my team," says his coach, Sam Harsbany.

Ernie, the oldest of the Urbanovich brothers, was the first to star at Edgewood. He was followed by Charlie, who is now playing at Trinity University here.

Then came Rene, who also was a baseball star. He was so good on the diamond he was selected to take part in the annual American Legion game in New York. Rene now is a freshman at Trinity.

Eddie is no stranger to baseball either. He has been pitching for the Edgewood team for two seasons.

During the past season, all four brothers were members of the same team—a sandlot noid in the city league.

Eddie recalls one instance when three of the Urbanovich brothers were on base at the same time and the fourth one was at bat.

"What happened, Eddie?" a fan asked. "Oh, he struck out," Eddie replied.

Louis and Bivins To Spar Tonight

CLEVELAND, Nov. 17.—Heavyweight champion Joe Louis resumes his exhibition tour tonight against Jimmy Bivins, a fellow ne once regarded as the logical contender for his crown.

Five years ago a meeting between Louis and the Cleveland negro might have produced plenty of fireworks in the ring, but the setting is different now.

Tonight's bout is a six-round no-decision affair with pillow-legal 12-ounce gloves instead of the regular eight.

The only way Bivins can win is by a knockout or a technical knockout—and on the basis of Bivins' recent record that prospect is considerably less than likely.

Bivins' handlers report he has been training faithfully for this bout because he realizes it's a last ditch effort to regain his former standing among the heavies.

Louis says if Bivins does well enough tonight he might give him a shot for the title in New York next June.

PRINCE TO BE RELEASED ON BAIL

OKLAHOMA, Nov. 17.—J. C. Jacobs, attorney for Ollie O. Prince, charged with robbing banks at Rice and Malone, said his client hoped to be released on bond today.

Federal Judge Whitfield Davidson yesterday ordered Prince's bond reduced from \$45,000 to \$25,000.

JAMES FOWLER, starting freshman center from Temple, played a smashing game for the Fish against the Rice Blue Bolts Saturday. Fowler, although weighing only 175 pounds, is a fine defensive man.

Yell Leaders to Present Fish Footballers Tomorrow Night

By SACK SPOEDE

Highlight of the Yell Practice to be held tomorrow night will be the presentation of the freshman football squad by Head Freshman Coach Barlow "Bones" Irvin. The Freshmen

play the University of Texas Short-horns on Kyle Field Saturday afternoon at 2:30.

Co-captains of the Fish squad are Bob Davidson of Pt. Arthur and Glenn Lippman of El Campo. They were elected before the John Tarleton game in Stephenville.

Lippman, besides being the Gallcoping Ghost of the Gulf Coast, is also called "Little Moses" by his fellow inhabitants of Hart Hall because he is supposed to lead the Aggies out of the football wilderness.

Big Moses on the squad is Sam Moses of Lockhart, a 200-pound tackle. A center in high school, Moses was shifted to tackle when he reported to practice at the start of the year.

Nicknames are common on the first year squad. Among those having pseudonyms are Gerald "Man o' War" Bowen, Robert "Buddy" Shaffer, Billy "Cowboy" Tidwell, Don "Popcorn" Pfefferkorn, Clarence "Bull" Lawson, and Kenneth "Tuffy" Shobe.

One of the surprising aspects of the Fish squad this year has been the performances turned in by the line under the direction of Assistant Coach Bob Gary. Unpublicized while in high school, the Fish forward wallmen have dominated the line play in every game this year.

Although the line is light, it has proved hard to block on the defense. The grunts are especially on the light side with few clearing more than 190 pounds. Starting at the guard positions are Co-captain Bob Davidson of Pt. Arthur and Elio Nohavitta of El Campo. Both of these players are listed at 180 pounds on the pro-
