D Air Force Unit Cops First Place

Copping first place in the march by Corps parade last Thursday gave D Air Force ten points towards its unit score for the year. "D" Artillery Unit was awarded second place, adding eight to its score. Order of placing for other units follows: "A" Infantry placed third, getting 6 points; "A" Signal Corps

placed fourth, winning 4 points; fifth place went to "A" Chemical Corps, but that unit earned no points. — BEAT TU — Twice this season, fullback Bobby Goff of Texas A&M has made over 100 yards running in one game. He packed the ball 22 times for 111 yards against LSU, 24 times for 137 yards against TCU.

Harrington to Go To Colleges Meet

M. T. Harrington, Dean of the School of Arts and Sciences, said today that he will represent A&M at the annual meeting of the Southern Association of Colleges and Universities, which will be held in Memphis, Tennessee from November 28 through December 2. The Peabody Hotel will be the meeting place for the Conference.

MIDWAY AND COLLEGE ROAD

Just to give your voice a lift

When you make a long distance telephone call, your voice would soon fade out were it not for vacuum tube repeaters. They give your voice a lift whenever needed—carry it clearly from coast to coast.

Vacuum tubes and other electronic devices are playing an ever-growing part in your Bell telephone service. As the manufacturing unit of the Bell System, Western Electric makes millions of these intricate little things.

To produce them to highest standards of precision and at lowest cost, Western Electric has just completed its new Allentown, Pa., plant—latest addition to vast telephone making facilities in 18 cities. Now, and in the years ahead, this new Western Electric plant will help to make your Bell telephone service better than ever.

Western Electric

Neither Side Sounds Optimistic

BLAIR CHERRY...

"We are expecting a tough ball game from the Aggies. We know that there has never been a better stage for an upset, and we know that the Aggies are going all-out for this game. A&M has played some fine ball this year and has barely lost several games, and we will have to play our best to win this game.

Coch Stiteler is to be congratulated on the spirit and backing of the team and student body. We consider A&M a worthy opponent and will be satisfied with a one-point win."

HARRY STITELER...

"We've got everything in the world to win, and nothing to lose, so everybody will be playing his best. We know that we will be playing under a handicap, but we hope that the bad breaks which have hurt us in previous games will not occur next Thursday."

BILL DUBOSE...

"Texas has the roughest line in the country, everyone knows that. Everyone who reads the Austin paper, that is."

CHARLIE DEWARE...

"Texas is possibly the best team in the conference. They are big, fast and tough. There is no doubt that we will have our hands full on Thanksgiving Day, but we've been happy this season with the spirit and plain old battling heart of our ball club."

BLAINE RIDEOUT...

"We are not going down there to lose."

BOB GOODE...

"You dam right."

Williams to Attend Milwaukee Meeting

E. L. Williams, director of the Industrial Extension Service, will attend a meeting of the American Vocational Association in Milwaukee, November 29 through December 2. He is vice-president, representing trades and industrial education in the AVA.

(Continued from Page 1)

Winkler

Winkler, 1947 all-conference tackle from Temple, one of the three co-captains on the team, has three varsity letters in football and one in baseball. He has played consistently creditable ball during his career and has plugged many holes in the line this season. His defensive playing has been outstanding.

Settegast

Tackle Marion Settegast, son of a famous Aggie footballer, is ending his football at Aggieland with two letters in varsity football, one as an end and one as tackle. His record as a lineman is good. He entered A&M from Houston where he played three years of football for Lamar High School as tackle and fullback.

Smith

Preston "Pee Wee" Smith entered A&M in 1945 after making all-state back in high school in Bryan. He has lettered three years as back for A&M and is now using his last year of eligibility.

Turley

Turley, the place-kicking specialist for the Aggies this season, came to Aggieland from San Antonio where he played football for Thomas Jefferson High. He made all-conference guard in 1943 and has three varsity letters to his credit. His place-kicking this year has been far above average.

PROVE CAMEL MILDNESS

IN YOUR "T-ZONE!"

Prove for yourself what throat specialists reported when 30-day smoking test revealed

NO THROAT IRRITATION due to smoking CAMELS!

In that test, hundreds of men and women, from coast to coast, smoked Camels, and only Camels, for 30 consecutive days—an average of one to two packs a day. And the noted throat specialists who examined the throats of these smokers each week—a total of 2470 careful examinations—reported not one single case of throat irritation due to smoking Camels!

Make the Camel mildness test. Test Camels yourself for 30 days in your own "T-Zone". T for Taste and T for Throat. Let YOUR OWN TASTE tell you about the rich, full flavor of Camel's choice tobaccos—so carefully aged and expertly blended. Let YOUR OWN THROAT tell you the wonderful story of Camel's cool, cool mildness. You'll enjoy the test...every puff of it. You'll enjoy Camels.

Money-Back Guarantee!

Try Camels and test them as you smoke them. If, at any time, you are not convinced that Camels are the mildest cigarette you ever smoked, return the package with the unused Camels and we will refund its full purchase price, plus postage. (Signed) R. J. Reynolds Tobacco Co., Winston-Salem, N. C.

According to a Nationwide survey
MORE DOCTORS SMOKE CAMELS THAN ANY OTHER CIGARETTE

Doctors smoke for pleasure, too! And when three leading independent research organizations asked 113,597 doctors what cigarette they smoked, the brand named most was Camel!
