SAYS . . .**

"We hope to make our worship service in song an impressive part of these religious emphasis services. We can do this by the joining together of the many good voices in this, and the surrounding communities. Won't you be with us in praising God by making melody in our hearts and with our voices."

BURL ERVIN, Song Director Ex-Aggie and former soloist with the Singing Cadets. Ervin has also been a member of the Great Lakes Blue Jacket Choir. Now staff member, M.E. Department.

**COLLINS
WRITES . . .**

"On Sunday morning I shall develop the theme that we must teach individuals in order to get Christ into the heart, and I shall tell the place of the church, the home, and the school in doing this teaching. Also the work of the father, the mother, companions, and teachers in shaping the character in a Christ like way."
