uating in 1938 and staying here as coach.

Mr. Hensel
To **MR. FRITZ HENSEL** "for his imaginative landscaping and beautifying work through his long years of service on the A&M campus."

Hensel is head of the Landscape Art Department. He has held that position since 1926, and since that time he has supervised the planting of the memorial oak trees on the campus to Aggies who died in the last war. He also aided in the planning of the new golf course.

Mr. Caudill
To **MR. WILLIAM W. CAUDILL** "for bringing national recognition to A&M through his progressive work in the design and development of modern school buildings."

A graduate of Oklahoma A&M and M.I.T., Caudill has recently been placed on the Committee on School Building of the American Institute of Architects.

He has been connected with A&M since 1937, except for a tour in the Navy, and teaches fifth-year designing in the Architecture Department. As a member of the firm of Caudill-Rowlett, Architects he has received wide recognition for his house designs also.

The awards were presented by Kenneth Bond, co-editor of the Battalion, and C. C. Munroe served as master of ceremonies.

Leonard Perkins entertained the group with piano selections.

ORDINANCE NO. 124

PROHIBITING THE OPERATION OF ANY DEVICE, MACHINE, APPARATUS OR INSTRUMENT TO INTENSIFY OR AMPLIFY OR REPRODUCE THE HUMAN VOICE OR ANY OTHER SOUND ON ANY PUBLIC STREET OR IN ANY BUILDING WHEREBY THE SOUND THEREFROM IS CAST DIRECTLY UPON THE PUBLIC STREETS IN THE CITY OF COLLEGE STATION TO PRESERVE THE QUIET AND GOOD ORDER OF THE CITY AND TO PREVENT THE DISTURBANCE OF PERSONS OWNING, USING, OR OCCUPYING PROPERTY ADJACENT TO THE PUBLIC STREETS; PROVIDING A PENALTY FOR THE VIOLATION THEREOF.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF COLLEGE STATION, TEXAS:

Section 1. That it shall be unlawful for any person to use or operate, or cause to be used or operated, any mechanical or electrical device, machine, apparatus or instrument to intensify or to amplify or to reproduce the human voice, or any other sound, on any public street within the corporate limits of the City of College Station.

Section 2. That it shall be unlawful for any person to use or operate, or cause to be used or operated, any mechanical or electrical device, machine, apparatus or instrument to intensify or to amplify or to reproduce the human voice, or any other sound, in any building or on any premises in the City of College Station, whereby the sound therefrom is cast directly upon the public streets or places or where such device is maintained and operated for advertising purposes or for the purpose of attracting the attention of the passing public, or which is so placed or operated that the sound coming therefrom can be heard to the annoyance or inconveniences of travellers upon any street or public place, or of persons in neighboring premises.

Section 3. The purpose of this ordinance is to prevent any noise in, on or near any public street which is reasonably calculated to disturb the peace and good order of the neighborhood or of persons owning, using or occupying property adjacent to such public streets.

Section 4. That every person convicted of the violation of this ordinance shall be punished by a fine of not more than \$100.00.

Section 5. Each day on which such violation of this ordinance occurs shall constitute a separate offense, punishable as herein prescribed.

Section 6. Since the peace and good order within the city is now disturbed by the amplification of sound from equipment on trucks operating on city streets, and since no measures are available to stop such disturbance, an emergency exists and is hereby declared to exist, and the rule requiring that ordinances be read at three successive meetings is hereby suspended, and this ordinance shall be in full force and effect beginning March 1, 1949.

Passed, approved and ordered published on this the 16th day of February A. D. 1949.
