

# Tournament Champions To Be Determined At Nine Tonight

## Tyler, Lon Morris, Allen And Lamar Vie for Title Today

By The Batt Sports Staff

Seven games will be played today in Deware Field House to wind up the second annual State Junior College Basketball Tournament. This will be one less game than was played on Tuesday and yesterday.

Tyler, Lon Morris, Allen and Lamar earned the right to advance one step toward the champions bracket when they all won their second game of the tournament yesterday.

On the consolation side, Blinn, Paris, Amarillo and Howard all won their second games after each was eliminated from a crack at the championship.

Amarillo and Howard will start the elimination process for the consolation title today when they face each other at 1 p. m. Paris and Blinn will continue the elimination toward the consolation when they tangle at 2:30 p. m.

The winners of the above games will play for the consolation championship tonight at 7:30.

On the brighter side of the bracket, Tyler faced Lon Morris at 9 this morning. The winner of that game will play in the finals at 9 tonight.

At 10:30 this morning Allen played Lamar. The winner of this game will be in the finals also, at 9 tonight.

The losers of the Tyler-Lon Morris and Allen-Lamar games will play tonight at 6 for third place title in the tournament.

Paris JC 50-Frank Phillips 29  
Paris Junior College eliminated Frank Phillips JC of Borger yesterday morning by a score of 50-29.

The Dragons from Paris had little trouble with the Plainsmen. They coasted most of the way as the boys from the plains had trouble in finding the range, the same trouble that they had the day before. The winners led 32-15 at halftime, then with second-stringers playing about half of the final 20 minutes, owned a 48 to 24 advantage five minutes before the final whistle.

Frank Phillips ousted Paris 5-2 from that time on, but were too far behind to come close to catching up.

Orin, Thompson, well-built Palmsman forward, topped the losers point-making with eight while Johnny Taylor, Paris forward, was high for the winners and the game with 13.

**Howard 51-Wharton 50**  
The Howard Junior College Jayhawks edged the Wharton Junior College Rams in the second round of the Junior College tournament. The game was a nip and tuck affair all the way with neither team being able to get more than a five point advantage.

The Pioneers went ahead 9-5 in the first few minutes of play but Howard came back to knot the game up at 16-16 with four minutes left in the first half.

During the second half the lead changed hands several times before the Jayhawks went ahead 49-44 with but two minutes left in the game. Wharton then put on a spurt to pull up within one point of Howard.

Then with the clock ticking away the final seconds of play, Barnett dropped in two points for Howard, and Landers sank a long field goal for the Pioneers as the final gun sounded.

Clark led the Howard scorers with 14 points while Irwin scored 13 for the Wharton Pioneers.

**L. Morris 46-San Angelo 44**

The Lon Morris Junior College Bearcats won a hard earned 46-44 contest from the San Angelo Junior College Rams in the second round of tournament play yesterday afternoon. The Bearcats took a seven point lead in the early stages of the game and with three minutes left in the first half they were ahead 26-16. The Rams then cut the Lon Morris lead to 27-22 at the intermission.

In the second half San Angelo began to click and the Rams tied the count at 32-32 after eight minutes of play. The Bearcats then quickly regained their lead but once again San Angelo came back to tie the game up at 43-43. Then in the final four minutes of play San Angelo was only able to tally one point as Lon Morris added three points to win the game.

Burroughs of Lon Morris took scoring honors with 20 points. Eight of his points were scored on free throws to tie the record set by Rachovy of Blinn. Dorsey topped the San Angelo scorers with 11 points.

**Amarillo 50-J. Tarleton 45**

Amarillo eliminated Tarleton from tournament play by trimming the Ploowboys 50-45 in an overtime battle. The regular game

ended in a 42-42 tie. The game started slowly with Amarillo taking a 6-2 lead in the first five minutes of play. Tarleton made their first field goal after eight minutes of play to make the score 9-4 in favor of Amarillo. The two teams then played on even terms for the rest of the first half with the Badgers leading 18-14 at the intermission.

In the second half, Amarillo increased their lead to 26-20 but after 10 minutes of play, Tarleton took the lead for the first time, 31-29, and held on until the final six seconds of play when the Badgers tied up the game on a field goal by Rogers. Then in the overtime Tarleton took a brief lead but Amarillo came back to win the ball game in the last two minutes.

Carter dropped in 20 points to lead the Badgers. Topping the Tarleton scorers was Akins with 12 points.

**Tyler 83-Clifton 36**

It was another case of class ability yesterday afternoon when Tyler Junior College continued their journey to the top spot in the A&M tourney, defeating a hard fighting, but outclassed cage squad from Clifton, 83-36.

The Apaches, considered as the best junior college basketball team in the state, wasted little time in getting started. With the combined help of tall center Rodriguez and fleet forward Herbert Richardson, the Tyler quintet ran up a 30 to 10 score with just ten minutes gone in the fray.

Coach Floyd Wagstaff then let his second stringers take over. It didn't take them long in increasing their lead over the lowly Clifton lads as they rallied to make the count stand at 38-11 after 15 minutes of play. The Tyler cagers continued their

**Allen 64-Schreiner 63**

Pulling the biggest upset of the tourney, Allen Academy's rough cage aggregation, led by second string center Robert Jones, annexed its second straight win as they defeated the Schreiner Institute lads last night in the seventh game, 64-63.

The fray got under way with both teams being unable to score in the first two minutes of competition.

Schreiner quickly took a slight lead and managed to increase it to a 15 to 10 count at the end of 9 minutes of play.

Keeping an extra tight defense in the early minutes, the Institute boys hardly let a cager pass the circle, but as soon as the Bryan basketballers found the hoop the game developed into a real thriller.

Nip and tuck the whole first half, the score ended at mid-period with the Mountaineers ahead by a 32 to 26 count.

This was short lived as the reorganized Allen lads began to click, and click is just what they did. The whole team, led by tall center Bob Jones, showed a decided improvement when the last half began.

If there was some kind of a reward for scoring the most points in the least amount of time, the prize would have gone to Allens' center Robert Jones. He scored 9 points in the first nine minutes and by the end of four minutes, he increased it to 12.

It continued to be a nip and tuck affair as each team would take the lead every few minutes. With only two minutes left in the game the score was tied at 61 all. Harlan Vandervee, who played a spectacular defensive game for the Schreiner bunch while making 21 of his

slaughter as they went on to increase their lead by 30 points at the half-way mark.

After 7 minutes of competition in the second period the Apaches continued their victorious methods as they went ahead even farther, making it 58 to 20.

It went on to way the whole game. The Clifton cagers never seemed to give up as they kept on fighting to the very end.

## Aggie Tankers to Meet Ponies In Dallas Tomorrow Afternoon

By SCOTTY SWINNEY

After a week's rest, the Aggie Swimming Team will again take to the competition trail when they journey to Dallas on Friday to meet the SMU Mustangs in a dual meet.

This will be the second meeting of the two squads. The first time, the Aggies took first places in six events, and racked up enough seconds and thirds to bring them a 40-30 victory over the Mustangs, and they are expected to repeat in this tilt.

There should be more excitement if Danny Green and Mike Muckelroy clash again in the 50 and 100

yard freestyle events. In their last meeting, Mike handed Danny his first defeat of the season in the 50, with Danny coming back to take the 100.

Jim Dwire will again be favored to take the breaststroke event. When the two teams met at Aggeland, Dwire took this race away from Gene Summers, to give him a slight edge in favor; however should Coach Adamson decide to swim Summers again, it will be a fight to the finish for the five point first place.

Coach Adamson, in all probability, will use his regular procedure of shifting the squad in order to make the meet as interesting as possible for the spectators, and yet win the clash for the Aggies. This is standard practice for the Aggie mentor, who is more interested in a good meet than in large scores and one for which he should be commended.

team's points, made two free throws to make it stand 63 to 62 in favor of the Mountaineers.

This also was short lived as Skinny Bridges sank a long shot to cinch the game for the Ramblers.

**Lamar 66-Henderson 63**

The Lamar Cardinals from Beaumont eked out a 66-63 victory over Henderson Junior College in the final game last night. The game was close all the way with Lamar winning in the final minute of play.

Lamar jumped into a 10-6 lead in the first five minutes of play and held on till Henderson, led by W. Duncan, tied up the ball game at 24-24 with six minutes remaining in the first half. After Lamar had gone back into the lead, Henderson found the range once again and took a 32-29 advantage at halftime.

In the second half Lamar came back to go ahead after two minutes and withstood a last minute Henderson rally to win 66-63.
