Information, plans, specifications and proposal forms may be obtained at the office of the A&M System Architect in the Administration Publisher Pu tration Building.

#### **Norman Appointed** Warrant Officer

partment of Military Science and Tactics has been appointed war-rant officer, junior grade. Norman was motor sergeant for

the military department in charge of all motor vehicles, tanks, guns, and equipment at the motor pool. His new title is Maintenance Offi-

He is a veteran of twenty-one years in the army, all in the field artillery. He returned from overseas in July, 1947, as a captain, and in September he resigned his com-T' Club Schedules mission and re-enlisted as a mas-er sergeant. Aggieland '49 Pics

Norman was an assistant instructor with the field artillery until July, 1948 when he was placed in charge of the motor pool.

#### are to have their pictures made for the sports section of Aggieland 1949 next Tuesday, Wednesday and Thursday, Erwin Bilderback, president of the motor pool. Laredo Club Meets Thursday Evening

Mo definite order has been set for going to the Aggieland Studio where the pictures are to be taken, Bilderback added. He advised every one not to wait until the last day or too large a volume of work may delay the picture taking.

Thursday Evening

Thursday Evening

The Laredo A&M Club will meet at 7 p. m. Thursday in Room 126 of the Academic Building, Ralph Duke, president, has announced.

delay the picture taking.

Members should wear a tie and a white "T" sweater, the president and least picnic to be held in Laredo will be discussed. Ratification of a new constitution and plans for a dinner to be held at the end of the semester will also be considered, Duke said.

ner seems to fit in right field but both he and Schulke can handle the outfield assignments with ease and impartiality. Last year, all of these boys hit over the .300 mark. Their power will be needed this

year.
The infield has a number of The inflied has a number of players lining up for positions. At first base, both Bill Hilliard and John DeWitt will vie for the spot. Joe Savarino, up from the Fish team, will be at second to back Lindloff up or take his place. Savarino may be shifted to third or schoot etc. should the weed arise. Center to Be Taken

Sealed proposals for the construction of a beef cattle center building will be received by the Manager of Physical Plants at the Construction Program Office, in the Administration Building until 2 p. m. April 12.

The building will be steel frame with concrete block wall, having a floor area of 10,930 square feet, Carlton Adams, A&M System architect, said today.

Separate bids will be received man from last year, is back and will probably be saved for his man from last year is definitely in the running for short stop should the heed arise.

Meeting Tonight

Plans for an

Alvis Nixon, another squad-man from last year, is back and will probably be saved for his best job, that of relief work. Truett Mobley, Bob Southall, E. L. Winder, and Charlie Howard all look like good prospects of strengthening the nitching staff all look like good prospects of strengthening the pitching staff.

With Calvert out for a spell, from Austin attend the meeting.

catching chores will be handled by Bob Graham and Bill Dennis, Gra-ham is a power hitter from the last year's freshman squad.

Experience is the big factor lacking in this squad. This might make the Aggies loose several games in the early part of the season but finish with a spree of wins. With experience short, you can expect this year's team to be strong on spirit and effort, and these can pay off in the win and loss column as well as experience. well as experience.
