From 1942 through 1948, the years under which the University of Texas Interscholastic League operated on a three-division basis, schools which now comprise the new Big City Conference dominated the basketball picture. Houston's Jeff Davis and Dallas' Crozier Tech each won two class AA titles, while Sunset of Dallas and Paschal of Fort Worth took one each. Only El Paso High, in 1947, interrupted this string of successes.

Two of those former state champions—Paschal and Sunset— will be among the eight teams here Friday when the League inaugurates its fourth division. Paschal, with an undefeated run of 21 victories this season, is almost a unanimous choice.

J. Paul Sheedy\* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

IF PEOPLE are whiskering about you, better check up on your hair. Before J.P. switched to Wildroot Cream-Oil hair tonic, he was wide open for all kinds of catty remarks about his ratty appearance. Not so today! Now that he's using Wildroot Cream-Oil regularly, annoying dryness and loose, ugly dandruff are gone. His hair stays put all day. He can pass the Wildroot Finger-Nail Test without batting an eye.

J.P.'s experience leads us to suggest that you try non-alcoholic Wildroot Cream-Oil containing Lanolin, too. Get yourself a bottle or tube today at your drug or toilet goods counter. And, have your barber give you professional applications. You'll agree that for well-groomed hair Wildroot Cream-Oil is purr-fect!
