

Maroons 41, Whites 0, In Spring Final

By BILL POTTS

In the last scrimmage game of spring football training, the Maroon squad defeated the White squad Saturday on Kyle Field, 41 to 0.

Too much ability on the part of the Maroons was the difference as they scored five touchdowns from scrimmage and another on an intercepted pass. It was composed of the players most likely to earn a position on the starting lineup against Villanova next fall.

Buddy Shaeffer's attempts to kick the points after touchdowns Saturday were all successful except one.

Three men did the quarterbacking for both teams Saturday afternoon. Dick Gardemal and Delmar Sikes alternated at the man under position for the Maroons while Jimmy Cashion did it all afternoon for the Whites. Missing at that position was Don Nicholas who has been moved to an end position.

John Christensen, the back that got to play in two games last fall before his hard luck caught up with him, proved to be the high scorer of the afternoon. He scored the Maroon's second touchdown, running the ball through left tackle from the seven.

To cap scoring honors for the afternoon, Christensen then intercepted Jimmy Cashion's pass intended for end Charley Hodge and took it back all the way to paydirt from his own 47.

At halftime, the Maroons were leading the Whites 27 to 0. Two of the Maroon's touchdowns had been made by Christensen, one by Doyle Moore on a 22 yard run, and the other by Bob Smith on a plunge through the center from the two.

"Little Moses" Lippmann started the scoring for the Maroons in the second stanza. Beginning on the White 23, he carried it four straight times, the climax coming when he scooted around right end for the marker from the 13. Guard A. J. Dugas provided Lippmann with an assist on the play before when he recovered his fumble on the 13.

Delmer Sikes provided the longest pass of the afternoon when he tossed one from his own 46 to end Dorban Barton who romped on across for the score.

Speed was the main feature of the White's offensive game and mixed in with it were some exceptional receptions by the ends. Charlie Royalty and Carl Hollier put the scares into the Maroon linemen with their dazzling speed. June Clark and Royalty teamed up at safety for the Whites but were never able to get back all the way with a punt return.

The White's deepest offensive thrust came in the middle of the third quarter when Carl Hollier caught Jimmy Cashion's pass on the Maroon 11 yard line. Hollier fumbled on the next play though, and the Maroons took over.

Buddy Shaeffer took scoring honors for the three spring games played. He scored two touchdowns and kicked 13 extra points for a total of 25. Glenn Lippmann was second with four TD's for a total of 24.

The opening day of Intramurals found these two counterpunchers mixing it up in the ring. On the left, Edwards of "A" Air Force, throws a left to the head of Gebert, CWS, and takes a left to the body in return. Gebert went on to win the 149 pound bout.

Aggies Open Season With 6-0 Victory Over UH Baseballers

By SACK SPOEDE

Coach Marty Karow had placed Pat Hubert started on the mound for the Farmer team and except for a little wildness, seemed in good shape. He was relieved by Bruce Morris.

Morris handled the throwing duties for the fourth, fifth, and sixth innings without allowing a hit. He had everything while in the box and proceeded to show it to the Houston team. The wrong-hander shows plenty of promise for this year. Veteran Bobby Pretz finished the game.

One of the more evident things to be seen at the game was the fact that Aggie team was hindered by the lack of time and good weather in getting ready for the game.

This year the Aggie team might not be as powerful at the bat as last year, but in speed and fielding it seems as if it is a little sharper. And the power might be there if McPherson, Moon, and some of the others start finding the range.

SAM Will Sponsor ManE Conference March 23 and 24

Job evaluation and merit rating are the proposed subjects of the second annual Management Engineering Conference to be held at A&M March 23 and 24.

The conference is sponsored by the Houston chapter of the Society for the Advancement of Management, the A&M student chapter of the SAM and the Management Engineering Department. Industrial engineers, personal managers and other executives of Texas firms are expected to be present.

"It is the aim of the conference to present a picture of experience, good and bad, to aid in stimulating the applications of advanced management practices," according to V. M. Faires, conference chairman.

Wednesday, March 23, speakers will include Leland S. Hobson, assistant director of industrial engineering, Kansas State College; Thomas L. Gardner, area wage and classification chief, Navy Department; and Paul M. Edwards, Pittsburgh, Pennsylvania, Faires said.

C. C. Welhausen of Yoakum, president of the Texas Manufacturers Association, is scheduled to speak at a banquet March 23 on the industrial development of Texas.

Among speakers to be heard Thursday are William R. Sprigel, professor of management, University of Texas; J. W. Chapman, industrial engineer, San Antonio; and D. L. Belcher, Industrial Extension Service, A&M, Faires said.

Babe Ruth belted the most homers in two consecutive seasons—114—hitting 60 in 1927 and 54 the following season.

Red Cross Drive's Goal is 60 Million

The annual Red Cross drive began last Tuesday with sixty million dollars as the national goal. In this area letters will be sent instead of using door-to-door canvassers, Dan Russell, of the Agricultural Economics and Rural Sociology Department, reported.

Steers Stop Aggies In Border Olympics 58-55

By HAROLD V. RATLIFF

LAREDO, Texas, March 12 —(AP) The University of Texas dethroned Texas A&M as champion of the Border Olympics tonight, winning the seventeenth annual running of the track and field carnival, 58 points to 55.

Oklahoma A&M finished third in the university division with 31 points while Rice and Southern Methodist tied for fourth with 14 each.

J. D. Hampton, slender Texas A&M runner, performed the unusual feat of breaking records in both long distance races—the mile and two mile—in a track and field meet.

Hampton featured the Border Olympics as he raced the mile in 4:18.7 and the two-mile in 9:36.0. The latter cut more than a second from the record of 9:37.3 set last year by Jerry Thompson of Texas.

Five records fell and two were tied as Texas and Texas A&M waged a tight duel for the Border Olympics title.

Ray Holbrook of Texas A&M sped 440 yards in 48 seconds to crack the Border Olympics record of 49.2 set in 1947 by Art Harden of Texas A&M. Parker won the 100-yard dash in 9.7 and then broke his own record of 21.3 in the 220-yard dash, set last year, by running that event in 21.1.

The last record to fall was the mile race—the mile race, Texas A&M erased its own mark of 3:19.6 by doing the distance in 3:17.1. With a team of Carroll Ludwig, Don Mitchell, Erwin Bilderback and Holbrook.

Robertson broke the broad jump record in the preliminaries when he leaped 23 feet 6 1/2 inches. He held the record himself at 23 feet 6 inches, set in 1948. Robertson did not jump tonight because his morning leap stood up.

The Texas 440-yard relay team tied its record of 42.2 set in 1947. Second high point man in the university division was George Kadera of Texas A&M with 12. He won the shot and discus and was third in the javelin.

John Rowland, tall Southern Methodist hurdler, cracked the 220 yard low hurdles standard with a time of 23.6 and also tied the record for the high hurdles in 14.3. The latter however, was set in the preliminaries. Rowland won the finals in 14.5. The 220 yard hurdles record was 24 flat, set in 1946 by Ralph Tate of Oklahoma A&M. The high hurdles mark tied by Rowland was made in 1939 by Fred Wolcott.

John Robertson and Charley Parker led the Longhorns to their triumph as seven records fell and two were tied in the university division.

Robertson was high point man with 12 1/4 and Parker turned in 11 1/4 as both figured in the record smashing that was hogged by slender J. D. Hampton of Texas A&M. He bettered the marks in both the long distance races—the mile and two mile.

North Texas State won the college division with 34 points. Howard Payne was second with 31 1/2 and East Texas State was third with 28.

Boxers Open Up For KO's, TKO's In Slugging Spree

Knock-outs and TKO's predominated the Intramural Boxing bouts Friday afternoon. Two fighters went down for the count and six more were ruled out by the referee.

England of B Air Force dropped Lamkin of Law Hall to the canvas in the second round of their 159 pound match. Lamkin had pounded England for the first round without mercy but was knocked out just seconds after the second round began.

The second knock out was credited to Oliver of CWS, who put Johnson of B Field to sleep in the initial round. Oliver advances to the 169 pound quarter finals.

In the 129 pound class, B Infantry's Barbes defeated Brown of White Band on a TKO. Thomas, C Field, outpointed Zanefield of B Engineers. Clardy of D Flight, scored a TKO over Graham of Q-MC. Ladyman, ATC, was a TKO victim to Cravey of Maroon Band. Pasterk of A Composite took the judges decision over Leveall, White Band.

Dairy Conference Will Be Held Here

A conference of dairy industry men from Texas and other states will be held on the campus March 24 and 25. Dr. A. V. Moore of the Dairy Husbandry Department, announced yesterday.

One of the highlights of the conference will be a demonstration and lecture on the manufacture of cottage cheese, Moore said.

The first day of the conference will be devoted to discussion on current ice cream problems. A motion picture will be shown on cheese manufacture at a dinner Thursday night.

Neil C. Angevine of St. Louis will lead the discussions Friday. Seventy-five dairy industry men are expected to attend, Moore said.

Traffic Violators Fewer This Year

Student traffic violations for last week were unusually low, Fred Hickman, chief of Campus Security, reported today.

Hickman said that not only are traffic violations lower, but on the whole there have been fewer penalties imposed this semester.

There have also been a smaller number of thefts this semester he concluded.
