War Doesn't Bring His Worst Problem

POCATELLO, Idaho, March 22 (AP)—Designing women's clothes is more of a job than you'd think.

Phil Lindley, 25, radio operator on a bomber in World War II, is somewhat discouraged over his first attempts to restyle feminine apparel. The hardest hurdle was taking the course with a class full of coeds.

Lindley, a junior at Idaho State College, is an art major. He found last fall he'd have to take a course in dress designing.

"When I entered the class I was full of enthusiasm," Lindley declared. "I had hopes of turning out to be a great designer."

But—the first day in class, students had to fill out a questionnaire, listing waist and bust measurements. Lindley found he was a "perfect 40."

Little things like that kept coming up. Now Lindley thinks he'd rather do another bombing mission than take any more dress designing courses.

Raymond Earl Hughes, who is so proudly displaying his tennis ball, is 13 months old. His parents are Mr. and Mrs. E. D. Hughes, College Station.

Chancellor Glib Gilchrist welcomed the women of the Fourth District, Texas Federation of Women's Clubs, to the Campus recently at a banquet held in Sbis Hall. On his left is Mrs. H. W. Gardner, retiring Fourth District president. Mrs. H. E. Gillette, toastmistress, is seated on his right.

Miss Mary Hamlin, age 1 year, lives with her parents in College View. She is a new entry in the baby contest.

College Social Club Will Give Exhibit

The College Women's Social Club will meet Friday, March 25 at 3 p.m. in Sbis Hall, according to Mrs. J. G. Potter, reporter.

An election of officers is to be held. The program for the afternoon will consist of displays featuring Treasures from Around the World. Everyone is urged to bring any interesting pieces from a foreign country as well as any heirlooms which she treasures, together with a card containing information about the article, said Mrs. Potter.

If members have any native costumes, they are asked to wear them or provide a model. Articles for the exhibit may be brought to the lounge in Sbis Hall after 1:30 p.m., Friday. Mrs. Ide Trotter will be in charge.

Master Samuel F. Wilson, Jr., is a grinning lad of 23 months. He is the son of Mr. and Mrs. Samuel F. Wilson, College.

Brownie Scouts Practice Skit

Like gay little birds, the members of Troop 1, 4th grade Brownie Scouts at A&M Consolidated, hoped around to a merry tune last Wednesday afternoon in the school room.

With the aid of their leader, Mrs. P. E. Pearson, and Mrs. Leonard Wing, they were practicing a skit for the Juliet Lowe Memorial Dinner which was held at the Little House Thursday evening, March 10, in honor of the founder of the Scouts.

Thirteen little Brownies participated in the dancing and singing skit which was written and accompanied by Mrs. Leonard Wing, College Station authority on bird calls. Mrs. Wing has set many bird calls to music, and the song of the Gambol Sparrow was used as the theme for her skit, "Bird Songs in Alaska."

Members of the 4th grade Brownies are Martha Fletcher, Mary Beth Hagler, Betty Jane Mead, Margaret Manthel, Sally Ann Miller, Paula Pearson, Lucy Jean Rogers, Louise Thompson, Margaret Todd, Jo Ann Walker, Joyce Darrow, Ann Bradley, and Mary Lou Ergle.

Young Cowboys Are Pleased At Benefit Show

By NANCY LYTLE
Saturday afternoon a capacity crowd enjoyed the benefit showing of Shirley Temple in Little Miss Marker at the Campus Theatre.

The \$75.00 proceeds will be used to send the Aggie Rodeo Team to San Francisco to the National Intercollegiate Championship Rodeo. The young audience had been instructed to wear cowboy outfits in preparation for a contest in which the audience picked the best cowboy and cowgirl. A group of Animal Husbandry majors announced the results.

Amidst a dazzling array of fancy cowboy suits, the smallest entrants took the prizes. Miss Lois Fowler, three-year-old daughter of Rev. and Mrs. James Fowler won a month's pass to the Campus. She was attired in a red cowgirl skirt, red hat, and boots. First prize for men went to Dennis Davis, 11 months old and the son of Mr. and Mrs. H. W. Davis, College. Dennis was not too happy with the decision and could be made to rally for the photographer only with the aid of soda pop.

Second and third place winners could not be located in the rush and confusion attendant when hundreds of young cowboys and girls are together under one roof. The National Intercollegiate Rodeo, which is the first big one of this kind, will be held April 9 through 11 at the Cow Palace in San Francisco in conjunction with the Grand National Junior Livestock Exposition.

The Aggie team is composed of Charlie Rankin, Bo Damuth, Earl Guthrie, J. Prince Woods, Punk Saults, Bubba Day, Jerry Howard and Rock Pickens. Mr. Ben Ferguson donated the Campus Theatre free for the benefit showing and the 7-up company donated a truck-load of free 7-ups for the thirsty young crowd after the showing.

Study Club Hears Discussion, Elects Officers

"The Theatre Today" was the theme of an informal discussion given by George J. Dillavay of the English Dept. at the meeting of the Campus Study Club last Tuesday.

Dillavay spoke of his impressions of today's theatre, and of recent trends he has observed. A year's residence in New York while obtaining a master's degree has given Dillavay a recent, first-hand knowledge of Broadway plays. He is at present directing the Aggie Players in "The Play's The Thing."

Mrs. H. L. Heaton presided over the club's business meeting at which time Mrs. J. C. Culppeper and Mrs. A. W. Melloh read reports concerning the recent Federation convention. Mrs. Culppeper was general chairman and Mrs. Melloh club delegate for the convention.

The resignations of Mrs. R. F. White and Mrs. B. C. Doggett were accepted with regret. Mrs. W. S. Allen was voted membership in the club.

The Texas Fine Arts Exhibit will be shown at the Cushing Memorial Library from March 15 through April 4, according to Mrs. E. R. Alexander, club chairman for this exhibit.

Election of officers for the coming year was held. The new president will be Mrs. A. W. Melloh; vice-president, Mrs. R. D. Lewis; recording secretary, Mrs. R. M. Curran; corresponding secretary, Mrs. J. A. Orr; treasurer, Mrs. W. D. Seaton Jr.; parliamentarian, Mrs. H. L. Heaton; reporter, Mrs. James E. Poore; auditor, Mrs. C. W. Judge Hughes Speaks of Rights Of Women at AAUW Lunch

Judge Sarah T. Hughes of the 14th District Court, Dallas, emphasized the fact that women have not taken advantage of their rights of citizenship when she addressed the Bryan-College Station Branch of The American Association of University Women on Saturday at the Maggie Parker Dining Room.

Judge Hughes gave some of the historical background of women's fight to attain citizenship, one of the highlights of which was the Seneca Declaration of Women's Rights. She emphasized that the doors of opportunity are opening wide to women of this century, but progress has been slow due to prejudice against women in industry and professions, failure on the part of women to realize their duties of citizenship, and inertia.

She said that it is up to women to "get into the arena and fight" and not be "shrinking violets."

The luncheon table was decorated with yellow iris and bridal wreath in a copper container. Judge Hughes wore a corsage of Dutch iris, a gift of the Business and Professional Women's Club. Judge Hughes is state chairman of the economic and legal status of women, AAUW and first vice-president of the National Federation of Business and Professional Women's Clubs, Inc.

W. Melloh, chairman of the legislative committee, AAUW. The economic and legal status of women and legislative committees had charge of the luncheon with Mrs. Wing and Mrs. Melloh as co-chairmen. They were assisted by the following committee members: Mesdames Price Hobgood, W. H. Alexander, Chas. N. Shephardson, H. P. Rigsby, D. W. Fleming and Miss Betty Jean Snyder, legislative; Mrs. J. C. Mrs. O'Byrne Addresses State DAR Conference

Facing serious international problems, the United States must maintain "a strong national defense" Mrs. Roscoe C. O'Byrne, President General of the Daughters of the American Revolution declared Sunday in Galveston.

Also listed by Mrs. O'Byrne as of "vital concern" to the nation's welfare are a good neighbor policy "which does not sap our strength" and a citizenship "awake to the dangers of Communism."

Speaking before the formal opening of the State Conference in the Galvez Hotel in celebration of the Fiftieth Anniversary of the DAR in Texas, Mrs. O'Byrne emphasized the traditional stand of the patriotic society for adequate preparedness and declared its position would remain unshaken. She said:

"Pacifists used to howl at us. We let them howl. Appropriation choppers warned us. We said build adequately. Subversive propagandists raved against us. We let them rave. So, here we stand right where we always have stood, a strong defense the best insurance for peace. To a defenseless nation, a treaty can be just a scrap of paper."

"When we speak of National Defense we mean protection for the United States of America against aggression. And as we become more and more involved in world affairs, careful consideration

should be given mutual defense pacts with other nations. We remember that Washington, in his farewell message, warned of 'entangling alliances.'"

"We hear more and more of World Government, which is quite a different thing to World Cooperation. The DAR has taken a stand against World Government which means a super-government under a world Constitution. We have nothing against World Organization but we certainly do not intend to scrap our Constitution for a World Constitution nor do we believe in making the greatest nation on earth a part of a super-world empire dominated by a world president. We have enough excitement in choosing our own presidents, even after the pollsters have chosen them for us. Let us be sure to distinguish between World Organization and World Government. They are as wide apart as the poles, and I don't mean voting places."

Mrs. O'Byrne said that nearly all of the work of DAR Committees concerns the building of a better citizenship among young people. She mentioned in this connection the activities of the Approved School Committee, Junior American Citizens, and Americanism Committees.

All she said, are educating our rising generations in true citizenship. Commenting upon the importance of the Good Citizenship Pilgrimage contests held nation-wide each year for senior high school girls, Mrs. O'Byrne said that henceforth the winners, representing each state and the District of Columbia, will receive government bonds instead of a free trip to Washington.

Referring to another committee—Manual For Citizenship—Mrs. O'Byrne declared that the arrival of many Displaced Persons in this country has increased the work of distributing the manuals and in helping the new arrivals secure citizenship in Naturalization Courts. National projects of the DAR include the building of an auditorium at Tamasee, a school in the mountains of South Carolina entirely supported by DAR funds; the purchase of a grove of giant redwood trees in California designated as the "National Tribute Grove" and the erection of a Memorial Bell Tower at Valley Forge, Pa., to contain the capstone of Valley Forge Chapel.

The President General is now well on her way on a tour of the country which she began March 1 during which she is attending a number of conferences and meetings. Mrs. Leroy L. Fousaker is the delegate to the conference from La Villita Chapter.

Mrs. Roscoe C. O'Byrne, President General, Daughters of the American Revolution.
