

General Electric's "Carnival of Measurements" was placed on exhibit today in the Assembly Room of Bolton Hall. Featuring instruments in industry, the mobile exhibit is now in the midst of a 14,000 mile tour where it is being shown to research laboratories, governmental agencies, schools, colleges, and engineering societies.

Tau Beta Pi Sets Initiation Monday

Tau Beta Pi will hold its spring initiation ceremonies in the Chemistry Lecture Room at 4:50 p. m. Monday, April 25. An initiation banquet will be held in Sblisa Hall at 7 following the initiation. Essays from candidates must be in the office of the Dean of Engineering before noon, Friday, April 22, according to Howard Oliver, president of the society. Tickets for the banquet will be available until noon Friday, April 22, in the office of the Dean of Engineering. Guests may attend the banquet, and tickets for them are available for \$1.25.

Wallis Speaks To Local Foundrymen

W. B. Wallis, president of the American Foundryman's Society, will speak to the A&M Student Chapter at 7 p. m. Monday in Room 303, Fernier Hall, according to U. Stoermer, chapter reporter. This will be Wallis' first visit to A&M since the installation of the student chapter last fall. During the afternoon Wallis will inspect facilities of the college. All members of the faculty and Student Body have been invited to hear the speaker.

What's Cooking

Kream, Kow Klub To Have Picnic

Plans for the Kream and Kow Klub's annual picnic have been completed. It will be held Saturday in Hensel Park.

A calf will be barbecued for the occasion. Single men of the Klub will furnish the drinks, and the wives of the married members will make the salads.

Boatner Discusses US Policy in China

Colonel H. L. Boatner, PMS&T, discussed the United States' policy toward China for the Great Issues Class yesterday. Speaking "off the record" for the class, Colonel Boatner began with the invasion of China in the year, 1922, and discussed the economic factors controlling Chinese life. Colonel Boatner talked from his years of experience in the China area. He was in China from 1928 to 1934 and again during the war. After the lecture the class was given a 10-minute question period.

Oyster Mortality To Be Discussed

Oyster mortality in the coastal waters of Louisiana and Texas will be discussed by Dr. Sewall H. Hopkins next Monday at 8 p. m. in the Petroleum Engineering Lecture Room. The meeting, which is being sponsored by the Sigma Xi Club, will be of scientific interest and economic importance.

For graduate *Eleanor Morgan*, Mount Holyoke '49
...an **Elgin**
Daughter of Mr. and Mrs. Alva B. Morgan of Darien, Conn., Eleanor is the family's second Mount Holyoke graduate.
"SO BEAUTIFULLY STYLED," says her MOTHER. "Actually, the most beautiful of the many Elgin Watches owned by our family is the model we've chosen for Eleanor."
"THAT BEHAWFEE MAIN-SPRING MEANS BETTER PERFORMANCE," says her FATHER. "She won't be bothered with mainspring repairs in that watch."
Lord Elgin and Lady Elgin
21 JEWELS 19 JEWELS
There's an extra thrill in owning a beautiful star-timed Elgin Watch! For beneath its beauty is Elgin's exclusive DuraPower Mainspring that eliminates 99% of all repairs due to steel mainspring failures. Suggest to those planning a graduation watch for you that you'll be happier with an Elgin . . . an Elgin Watch with the DuraPower symbol on the dial.
