

Aggies End Season With 2-1 Win Over Rice

Fast Time In Century, New Mark In Shot Putt Highlight Mural Meet

Another record was broken in the Intramural Track Meet Tuesday afternoon.

Smith of A Athletic pushed the shot a distance of 48 feet, 10 1/2 inches. This beats the record made by Jim Flowers in last year's meet of 48 feet, 3 inches.

Knox of Dorm 16 was second in the event. His range was 44 feet, 7 inches. Kutz of A Field placed third with a throw of 32 feet, one half inch. Gunther of A Field placed

fourth with a heave of 41 feet, 11 1/2 inches.

Fast times were turned in by contestants in the 100 yard dash. Lippman of A Athletic and London of B Engineers both sped the century in 10.2 seconds. Lippman won the third heat and London took heat eight.

Hinton of C Field took heat one with a 10.9 time. ATC's Gover finished first in the second heat, making the run in 10.6. Candiaric

of Dorm 17 finished heat three with the fastest second to win a shot in the finals.

A 10.5 time was turned in by Gibson of Dorm 14 in the fourth heat to win that one. Walker of B Athletic took heat five in 10.05 to place in the finals. Ordinance's Wooten ran heat six in 10.5. Jackson of Signal Company finished first in heat seven with a 10.6 time.

Only the six fastest winners

were chosen for the finals in the 120 hurdles. A 14.9 time was set by Knox of Dorm 16 to take heat one. His was the fastest time of the afternoon. Campbell of B Air Force beat the field in heat three in a 15.3 time. Mayo of E Flight set the same time to take the fourth heat. Trail of B Air Force ended heat five in 15.3. Hill of A Athletic and Robertson of F Flight crossed the finish of heat six in a dead heat with a 15.35 time. Both will compete in the finals.

Amster of A Flight, Dean of Ordinance, Anderson of QMG, and Gorst of ASA all won their heats in times too slow to enter the finals.

Seven teams from the five heats will enter the finals of the 440 relay. C Field took the initial heat in 47.2 but E Flight's time of 47.3 was fast enough to place them in Wednesday's finals. Dorm 17 took heat two with a 47.6 time. A 48.7 time was set by ASA in the third heat to win it. Ordinance's time of 46.4 won in heat four. B Field finished next with a 46.45 run and will also go to the finals. A Athletic annexed heat five in 46.1 seconds.

Pictures of all Intramural winners will be made in May 26 at 5 p. m. at DeWare Field House.

In Open Badminton, Tittle of Dorm 14 meets Critchfield of Dorm 3 in the semi-finals. McMillan of Dorm 4 takes on Rodgers of Dorm 8 for a crack at the crown.

Milner will meet the winner of the Dorm 16-Dorm 14 softball game on May 23. The winner of this game will play College View for the College championship.

In Club Softball, Lutheran plays Galveston Club for the winner of League A. FFA tackles Poultry Science for the crown of League B. Both games are scheduled for May 23.

The Intramural Weight-Lifting match will be held Thursday afternoon, May 19. Contestants will check in with Barney Welch at 5 p. m. that day.

Fretz Ends Season With Sixth Victory

By ANDY MATULA

Rice tried but couldn't upset the Aggies in the last game of the season as Bobby Fretz pitched his sixth win of the season and ousted the Owls, 2-1.

Against Fretz on the mound was Bill Bishop, ace right-hander. He and Fretz had a pitcher's battle for the nine innings of play. Bishop gave up six hits and Fretz only five but Bobby fanned out Ows to take the pressure off himself.

This victory left A&M securely in second place with 10 wins against 4 defeats. Fretz has not lost a game in conference play and has beaten every team in the league. SMU he defeated twice.

One run was scored by the Farmers in the initial inning. Russell Mays, the first man in the batter's box, was put on base by Bishop. Joe Savarino was hit by a wild pitch. With these two aboard, Guy Wallace advanced them with a perfect sacrifice, tapping the ball in front of the mound and forcing Bishop to throw to first.

Wally Moon, batting in clean-up spot, did just what he was intended to do. He cracked a double into right field, low and straight, and right fielder Charlie Nelson fell in an effort to catch it. Mays scored on the play.

Rice made it's only rally in the next frame. Bob Willard, the Owl's hustling catcher, met one of Fretz's pitches and dropped it into center field. Then Vernon Glass robbed Fretz of a triple. On an inside pitch, Glass sliced the ball along the first base line. Herschel Maltz couldn't reach the ball in time and it hopped past Slug McPherson in right field. Willard crossed home plate.

Not until the fourth frame did the Farmers add their margin of victory. John DeWitt, the first man up, banged a single off third baseman Glenn Fuller's glove. As Bishop fanned McPherson, DeWitt stole second. Calvert fled out but Herschel Maltz had his eye on Bishop's pitches and beat one into right field. DeWitt scored easily and Maltz went to second as Nelson fumbled the ball.

Fretz had trouble in the ninth when his control weakened. He walked the first two men to face him then fanned pinch batsmen,

Eric Reinger and John Finch. Bill Bishop was the last man at bat and he grounded out to Savarino.

Defensively, the Aggies looked fine in their last appearance. Guy Wallace, stellar shortstop and a possible player on the all-conference team, took part in nine put outs but erred once.

Wallace also took part in a double play that ended a Rice threat in the fifth. The double out went Fretz to Wallace to Maltz. Slug McPherson made a sensational catch in the sixth inning to rob John Wright of a base hit.

Bishop didn't let the Aggies fatten their batting averages. Of the six A&M safeties, only Fretz got more than one. He beat out an infield hit in the third and bounced a double off the left field fence in the eighth. This last hit missed by inches of being a home run. Wally Moon hit the other Aggie extra base hit:

Rice (1)	AB	R	O	A	E

Hit by pitched ball: Savarino (Bishop), Proctor (Fretz).

Struck out by: Bishop 2; Fretz 0; Buss on Balls, off Bishop 4; Fretz 3.

Left on base: A&M 7, Rice 8.

Umpires: Bonneau, Tugate.

Time of Game: 1:55.

SACKIN' UP SPORTS

SACK SPOEDE

Southwest Conference basketball coaches may weep and cry but O'Neill Weaver is going to play basketball for Tyler Junior College for the next few years. Far and away the hottest thing on Texas high school hardwoods last winter, Weaver says that he will play for the national junior college champs.

Tyler has three all-stars returning from this year's team; Jack Champion and Bryan Miller from Crozier Tech of Dallas and Jose Palafox of El Paso. The latter will be ineligible for competition in the national tournament next year because it will be his third year in college competition.

The University of Houston will have two of the starters on the Tyler team last winter. They are Rodriguez and Richardson, both have only one year of competition left in university. These two and the three all-stars mentioned above were the starters on the team that breezed to the state junior college basketball championship at DeWare Field House in the tournament last winter.

has moved to a decisive first place in the number of conference records held by the different schools. Aggie land has seven records, Texas four and a half, Rice three and one quarter, SMU one, and Baylor one quarter.

Before the last meet the Aggies held only two records for a some what poor third place. Probably the next conference record to fall will be the 880-yard run. At present that stands at a little over one minute and fifty-three seconds. Each year the runners get a little closer to it.

★ Although Glenn Lippman has not been out for the freshman track team, he has leaped further in the broad jump than any of the boys who have been working out all year. In the intramural meet the other Monday afternoon, the El Campo football star cleared 22 feet one inch. That is slightly better than John Weber, the best Fish jumper so far this year, has ever reached. Weber has gone a half an inch over 22 feet.

★ Wally Anderson, son of track coach Anderson, will do his running for the Naval Academy in Annapolis next year. Wally was a regular member of the Fish mile relay team until he was injured in the Fort Worth meet.

Right now it looks like the only members of the Aggie track squad who are going to go to the Coliseum Relays are those on the mile relay team. Several others are certainly qualified to go. Bob Hall so far has not received a bid to go to the West Coast meet. There are no distance races in the meet so J. D. Hampton will not go.

One of the things that has been well known since the conference meet is the fact that the sprint relay team's victory there was not a fluke. The Aggie quartet turned in the best time reported in the nation this year. They were one tenth of a second faster than the winner of the Penn Relays and two-tenths faster than the winning team at Drake.

That is pretty good for a team that has no sprinters, according to most of the papers. Bill Napier was one of the most underrated track men in the conference this past spring.

After Napier lost out in the triangular meet at Corpus, many

Aggie - Longhorn First Year Teams Rated Even

If the 1948-49 showings of the Texas and Texas A&M freshman athletic teams are a criterion, the two big state schools will provide sports fans of the Lone Star State with some red-hot rivalry during the next three years.

In seven events since they started competing against one another last September, the Young Aggies and Yearlings are dead-locked with three and one-half victories apiece. Since they will not meet, again this spring, the count will remain even-seven.

Boys from almost every section of Texas have sparkled for the two schools in the various sports events.

★ Fish Win - Football

The Aggie Fish got the jump by winning in football, 14-0, although the Yearlings were two touchdowns favorites. Kenny Shobe of Corpus Christi, Bob Saeffer of El Paso, Sam Moses of Lockhart and Bob Davidson of Port Arthur were most conspicuous for the winners. Byron Townsend of Odessa and June Davis of Denton backed up for the young Steers.

★ In basketball, giant Walt Davis of Nederland, Bill Bybee of Amarillo and Raymond Walker of Palestine paced the Aggie Fish to a 58-41 victory here, but with Luther Scarborough of Fort Worth and a couple of mates turning on the steam, the little Steers got revenge on their home court, 45-42.

★ Paul Leming of Beaumont and Ray Graves of Brownwood turned in top-notch performances for the Aggie Fish but the Yearlings had more all-around strength as they won a dual track meet, 73 1/2-40 1/2.

★ Split Baseball

At Ogletree of Austin belted a grand-slam homer and Bob Tankersley of San Antonio pitched a three-hit ball game as the Aggie Fish measured the Yearlings in baseball, 10-5, at Austin. A week later at College Station, little Denby Davidson of Lubbock hurled superb four-hit ball as the Yearlings got even, 4-1.

★ In tennis, the teams deadlocked 3-3. They did not compete in golf.

It all adds up to three and one half victories each and some thrilling, hard-fought games to come in 1950-51-52.

thought that the times that had been reported for him in the two dashes were not exactly correct. But any one that saw Bill leave Charley Parker in the last leg of the sprint relay in the conference meet know that they were watching a top flight dashman in Napier.

All four of the members of the sprint relays were clicking on all cylinders during that event at the conference meet. Every hand-off of the baton was perfect, and the Aggies held the slight advantage given to them by lead off man J. D. Bond all the way. The other members of the team were Warren Wilson and Bob Hall.

Wilson and Napier are finishing their track at A&M this semester and replacements will have to be found for them on the team of next spring.

★ Texas is due to have the greatest sprint relay team in the country next season with returning veteran trackmen Charley Parker and Perry Samuels along with the two very fine freshmen dash men of this year, Punk Rogers of Austin and Carl Mayes of Pampa. This should be the fastest team in the country.

Indianapolis Drivers Wary Of Marion's Car Number

AP Newsfeatures

NEW YORK — Superstitious auto race drivers preparing for the 500-mile Indianapolis May 30 race are eyeing the strange combination of numbers offered by Milt Marion, racing car owner from Jericho, N. Y.

For the 33rd running of the race Marion is entering car number 33. It is the fourth straight time that number has been assigned to his racing entry. And this year Marion also has drawn pit number 33, in the famed "gasoline alley."

To race drivers, many of whom never race without a conglomeration of horseshoes, rabbit's feet and assorted luck charms dangling from the dashboard, this combination could speed Marions car a long way toward a "500" win.

But Marion is not relying on lucky numbers alone in his fourth try for a win in the top auto race.

He is entering a \$22,000 Kurtis-Kraft racer, capable of hitting 160 miles an hour on the Indianapolis straightaways. And to drive the powerful racer, known as the Machine Tool Special, Marion has engaged Walt Brown, 38, a Long Island resident from Massapequa.

Brown drove for Marion in the 1947 race in a red Alfa-Romeo and finished seventh in a fast field in his first try for the huge silver trophy. The mild-mannered driver also drove his way into the "100-

Walt Brown, driver; Milt Marion owner, and Chief Mechanic Jack Cobb, left to right, look over the powerful engine of their Indianapolis entry.

MAN SWEARS By Better Razor Blade

COLLEGE STATION, May 18—Plenty of men swear at their razor blades, but here's a man who swears by his!

When reporters called on Joe Muldoon, they found him whistling in the bathroom. "Boys," he said, "just tell my public I'm razor blade happy. After years of trial and error, mostly error, I finally found my blade — just a 'feather-touch' and so long whiskers! Why, shaving with Pal Hollow Ground is as easy as flicking the top off lemon meringue pie."

Mr. M forgot to say that Pal Hollow Ground still gives you 4 for 10¢ (or 10 for 25¢, 21 for 49¢, 44 for 98¢). He uses Double Edge. Single Edge cost the same.
