

# Father Takes Up Cooking Mother Turns To Drink

By HAL BOYLE

NEW YORK—(AP)—There is a new All-America Male on the scene. He isn't exactly the kind of man his father was. And certainly he isn't the woman his mother was. But in many ways he is like them both, and in some ways he is more talented than either.

Half a century ago father, quite often, was a tobacco-chewing, independent rooster who ruled his wooden castle like an army top sergeant. About all he did around the place was eat, sleep, grunt behind the daily newspaper he read in his easy chair, and carry out coal ashes in the winter.

His spare time he spent at a saloon arguing about the government. He didn't talk much at home, because what was there for him and the old lady to talk about? He was interested in sports, business and politics. Mama was interested in raising the kids and running the manor.

All this is changed. The modern husband is a real All-America male. There has been no husband like him in history. And the American woman is the envy of the women of every other country in the world . . . for having him.

Daddy takes an interest in everything about the house now. He insists on going with Mama to the store to pick out the drapes and furniture.

The cookstove is no longer a feminine empire. Once they put gadgets in the kitchen and cut down on the hours Papa spent at his job, he was bound to turn to cooking.

He not only brags he makes better rolls than his dear old mother did. He's insulted if you don't think his Kartoffelkloesse are better than any the Kaiser ever ate.

## Mumps Dominant In Brazos County

Mumps, diarrhea, and septic sore throat led the list of the weekly Brazos County Morbidity Report. Three cases of malaria, four cases of measles, nine cases of pneumonia were also reported. Influenza has been the most rampant Texas disease for the year 1948-49, with a reported 35,800 cases.

The filly Ruthless won the first running of the Belmont Stakes in 1867.

And Mama no longer can raise the baby without Papa's helping hand. He knows all about formulas, how to ease out an infant's burp, how to tie a running bowline knot in a diaper.

But sometimes Mama feels she's overeducated her man. This All-America male can get underfoot. And this is when Mama has a yearning to sally out to the nearest saloon . . . and talk politics.

## Suits and Coats Steady Next Fall

NEW YORK, June 15.—(AP)—American Woolen Company, largest of the nation's wool and worsted manufacturers, has increased the price of several cloths for women's coatings 10 cents a yard.

Coupled with an announcement that American Woolen is sold up to capacity on these fabrics through August, there is every indication that woolen goods for Fall will remain firm.

The price increase covers 14 numbers in the company's medium range of broadcloths and fleeces for women's coatings.

## Cotton Tour In Washington

Members of the 1949 Cotton Study Tour registered at the Annapolis Hotel in Washington D. C. yesterday for their scheduled four day inspection of the nation's major cotton departments.

J. S. Mogford of the agronomy department is conducting the tour, which consists of the four following agronomy students: G. M. Darby, Ponta; M. E. Rieve, Pottsville; J. C. Webb, Shreveport, La.; W. L. Townsend, Harmon, La.

The tour left A&M June 4, en route to the Cotton Ginning and Fiber Research Laboratory, Greenville, Miss. From there they swung eastward and touched various cotton gins, laboratories, and cotton mills located in Georgia, Alabama, and South Carolina.

Sponsored by proceeds from the annual Cotton Style Show, Pageant and Ball at A&M, the tour will leave the capital on June 16, and continue northward through Delaware, Pennsylvania, New York, Montreal and Ottawa, Canada, and finally double back on the last leg of the journey through Chicago, Iowa, and Oklahoma. They expect to arrive back at A&M on July 2 or 3.

The trip is being made in Darby's car.

The lowest won-lost percentage ever compiled by a major league pennant winning team was the .378 of the 1926 St. Louis Cardinals.

Thomas Lee, cashier of the College Station State Bank.

## Reworked Drivers' Bill Moves Ahead

AUSTIN, Tex., June 15.—(AP)—A much modified version of the original Driver Financial Responsibility Bill passed by the Senate was approved, 5-2, by a House Committee Monday and returned to the House floor.

As amended by the House Commerce and Manufacturers Committee, the substitute bill would not require a blameless driver to deposit security in connection with an accident.

The original bill over which the House wrangled for hours before sending it back to Committee required all drivers to show proof of financial responsibility if involved in accidents causing at least \$20 damage, injury or death.

## Thirty Three OU Negro Applicants

NORMAN, Okla., June 15.—(AP)—Taking advantage of a new state law, 33 negroes have applied for entrance to the University of Oklahoma on a Segregated Basis.

The amended law still requires Segregation within the school, with the Negroes having either separate classrooms or class times.

## Visual Aids To Preview Film

This afternoon at 3:30 in the Ag Engineering lecture room, the Visual Aids department will preview film on the subject of "Using Film in Teaching."

Faculty and students are invited to attend.

## Chilcoat and Wife Will Practice Law

W. J. Chilcoat, of the Department of Business and Accounting, left Thursday afternoon to practice law in Fort Worth. Chilcoat has been teaching business law for the past year.

He received his BA degree from A&M in 1943, and his LL.D. from Texas in 1948. He also attended NEAC, at Arlington, in 1939.

His wife, formerly Miss Jerry Bourke of Weatherford, has also received her LL.B. and will assist him in his practice.

## Richardson Named To School Post

L. S. Richardson has been appointed superintendent of A&M Consolidated School, succeeding A. M. Whittis who will leave July 1 to become principal of schools at Hamilton.

Richardson has been a member of the Consolidated staff for the past three years, serving as coach, instructor in industrial arts, and in 1947 was named principal.

## Future Tessies

A daughter was born Monday, June 13, at the Bryan hospital to Mr. and Mrs. John N. Armstrong. Armstrong is a petroleum engineering student from Corpus Christi.

## Stiles Reassigned To Sam Houston

Captain Lester W. Stiles of College Station has been assigned to the Adjutant General section, Fourth Army headquarters, at Fort Sam Houston, Texas.

Stiles, a graduate of A&M, entered the Army in April 1942 and served in the Aleutian Islands from February, 1944 until January, 1946.
