

## Mural Softball Begins Tomorrow

A meeting of all Intramural athletic officers was held yesterday afternoon in the Student Activities office and the outcome of the first half of summer Intramural sports was discussed.

Only one change was made in the operation of the program. The officers present approved a change in the time of campus softball games from 5:30 to 5:45 for afternoon games to allow the players to get to the playing field and warm up some before the games start.

The following teams were entered in softball competition for the coming semester: Dorm 14, Puryear, Mitchell, Law, Leggett, Milner, Project House, Hart, Walton and TCVV.

The first games will be played Thursday with Puryear meeting Leggett on diamond six and Dorm 14 meeting Project House on diamond five.

Two games will be played every day and on Monday and Tuesday nights, a game will be played on the lighted diamond beginning at 7:45.

two Southwest Conference championships. Both times he was the man who beat Texas.

But think what would have happened had Layne and Walker made contact with Blair Cherry that day in the hotel at New Orleans. Undoubtedly Walker would have gone to Texas and the combination of Layne and Walker would have been too much for any team to handle.

Southern Methodist, say the experts, has its work cut out for it in seeking a third straight conference championship this year. Rice is the team most everybody appears to be picking to take the 1949 title.

Rice has the stuff to warrant top consideration—twenty-one lettermen, eighteen of them seniors. In view of the fact that we picked Texas to win the title in 1947 and 1948, our reputation as an expert can suffer no more.

Therefore, we won't be taken too seriously in the following prognostication.

**Picks SMU**  
We're picking Southern Methodist to win the title. Coach Matty Bell won't like this but we think SMU will be stronger than ever next season despite the loss of Gil Johnson, the great passer, to pro football. The line ought to be better and SMU still has Walker, Kyle Rote and Dick McKissack. And the Methodists didn't exactly make a dry haul in bringing in freshmen last year.

Rice always finishes strong. The trouble with Rice is that it never starts playing championship football until November. That won't get the job done in the Southwest Conference.

Texas Christian and Baylor will be the other two teams of first-division caliber. Either could win the title.

But we have decided we'll pick no team above Southern Methodist until some team can finish above Southern Methodist. Why we've picked Texas in 1947 and 1948 still is a mystery to yours truly.

## Local Swimmers Place in Houston YMCA Swim Meet

The College Station Swimming Team won a number of places in the Houston YMCA Swimming Meet which was held in Houston this past weekend. The College Station team is composed of local swimmers and Aggies.

In the junior division Orin Helvey won second place in the 50 yard freestyle event. Tom Barlow and John Robert Smith came in second and third respectively in the backstroke and the freestyle and medley relay teams came in first and second respectively. The freestyle team was composed of Helvey, Terrel, Boyett and Hickman. The medley relay swimmers were Bonnen, Barlow, and Cleland.

The intermediate division came home with three second places to their credit. Dick Weick won second in the breast stroke, Gayle Klipple was second in the 220 yard freestyle, and the medley relay team of Smith, Weick and Klipple also came in second.

In the senior division, there were seven places won by the College Station team. McKenzie won second place and McBride tied for fourth in the 50 yard freestyle. McKenzie also was second in the 100 yard freestyle event. Comstock and Moye came in second and third, respectively in the breaststroke. The medley relay team of Fleming, Comstock, and Hale placed second while the freestyle relay team of Fleming, Hale, McKenzie and McBride also came in second. The local team was handicapped in this meet by not having a full list of entries for the competition.

This weekend the College Station swimmers will enter the Tyler swim meet with a full list of entries.
