For seven and one-half years they said it, many times a week, as Dick Todd began his innumerable yarns about the things he remembered, and imagin-ed, about his native Texas. Tonight in Madisonville, Loupot's Aggies will meet the Western Auto softball team of Bryan in a game which will advance the winner one step further toward the state soft-ball tournament which is to be held in Brownwood next month. Charley Lattimore, manager of Lou's Aggies, announced yester-day that permission had been given by the Intramural office and the college authorities to let his team represent A&M as the Texas Ag-gies in state softball competition. According to Lattimore, the reg-ular college team under the di-rection of Luke Harrison could not be organized in time to compete in the tournament and Lou's team got the nod. Loupot's Aggies took their open-ing game of the second summer semester when they shut out the Lilly Ice Cream nine 4-0 Tuesday night. Clovis Olsak was the winning pitcher, pitching a two-hit ball game. Besides this, he helped his own cause by tapping out a towering homer in the fourth inning.

Both teams played flawless ball and the hits were the difference. Lou's Aggies got nine hits off the Lilly Ice Cream crew and gave up only two hits in return.

Olsak had a no-hitter well under way, but the Lilly boys killed that in the seventh inning when they b touched him for their two hits.

The leading hitter for the eve-ning was Drake of Loupot's. Out it of his three trips to the plate, he got a single and a double. Score by innings HRE
