Floral Sales Jobs Still Open in Dorm

Positions of salesmen in the Student Floral Concession are still open in some dormitories, according to L. J. Tolle, student manager of the concession.

Dormitories for which salesmen are still needed are Dorms 3, 4, 5, 9, 12, 14, 15, 16, 17, Milner, Leggett, Hart, Law, Puryear. A concession representative is also needed for the Annex.

The salesmen can earn enough money through their sales to make time spent well worth their

while, Tolle said. Concession plans for this following year include wider sales promotion, thus increasing the salesmen's opportunities.

Salesmen who have already applied for one dormitory may now ask for more sales territory if they desire, according to the manager.

Men interested in the sales positions would obtain application blanks in the floriculture greenhouses, Landscape Art Department, or Room 23, Mitchell Hall.

Watchmen Consider Each Other Very 'Suspicious'

ST. PAUL, Minn., Sept. 28.—(AP)—Two detectives were sent out last night to investigate a suspicious-looking man standing in an alley.

They found the man was the watchman at an industrial plant. He told them that for half an hour he had been keeping an eye on a suspicious-looking man at the other end of the alley.

"Fine," said the detectives. "Keep it up. We'll circle and get him from behind."

They did.

Suspicious-looking man No. 2 explained: He is a watchman for another plant and for half an hour had been keeping an eye on a suspicious-looking man at the other end of the alley.

Soviets Escort American Plane

Anchorage, Alaska, Sept. 27.—(AP)—A Northwest Airlines plane was "escorted" for several minutes last Saturday by a Russian fighter plane while flying over the Northern Kuriles, a passenger told the Anchorage Times.

The newspaper said yesterday its informant was Bruce Aichison, Tokyo attorney and a director of the Japanese Chamber of Commerce American Club.

Aichison said the fighter plane shot up from a huge airport on an island in the Northern Kuriles. It flew alongside the new plane for several minutes, looking it over carefully, but making no effort to change its course.

(In Tokyo, I. A. Groe, the NWA Haneda airport station manager, said similar experiences have been reported "perhaps five or six times in the last 18 months" by pilots. He said he presumed they were Russian craft on dawn patrol along

New Professor In Ag Ed Department

Another teacher has been added to the Agricultural Education Department. E. B. Shaw will assist with under-graduate work in the department, according to E. R. Alexander, head of the department.

Shaw is a graduate of Mississippi State College, where he received his BS degree in agricultural education. He received his MS from A&M.

He taught vocational agriculture fourteen years, seven years at Belton, Texas and seven years prior to that.

LUCKIES PAY MORE to give you a finer cigarette!

Yes, at tobacco auctions Lucky Strike pays millions of dollars more than official parity prices for fine tobacco!

There's no finer cigarette in the world today than Lucky Strike! To bring you this finer cigarette, the makers of Lucky Strike go after fine, light, naturally mild tobacco—and pay millions of dollars more than official parity prices to get it! So buy a carton of Luckies today. See for yourself how much finer and smoother Luckies really are—how much more real deep-down smoking enjoyment they give you. Yes, smoke a Lucky! It's a finer, milder, more enjoyable cigarette!

DAN CURRIN, independent warehouse operator of Oxford, N. C., has smoked Luckies for 20 years. He says: "To me, Luckies taste better. I've seen the makers of Luckies buy fine, prime tobacco, you know!" Here's more evidence that Luckies are a finer cigarette!

which sell for \$1.50 each, have been moving fast since they were put up 10 days ago. The tickets are on sale at the Ben Hur Shrine Temple, and can be obtained by either writing or telephone Recorder Abe Swanson.

Swanson said Saturday the preliminary rosters of the two freshmen squads indicates there will be as many, if not more, former high school stars in the game as there were last year when the meeting was billed as a running duel between Glenn Lippman of A&M and Byron Townsend.

"I've heard this boy T. Jones is a whizz," Swanson said, "and I'm sure all the football fans in Central Texas, particularly Austin, want to see what the Longhorn's future quarterback looks like."

(Aggie supporters are not nearly so interested in what T. Jones can do as they are in what the Aggie Fish can keep him from doing. If the Fish are as successful in harnessing "the Longhorn's future quarterback" as last year's freshmen were in stopping Byron Townsend—well, at least the partisan Texas crowd will be able to see something—that is going to happen to the Longhorns in the next few years.—Editor.)

hart giant is only a sophomore but is the anchor of the defense. He probably was the top Aggie lineman against Villanova (the offense unit didn't play as much as the defense unit) and is sure to gain many honors during the season.
