

New Prof Added To Ag Ed Staff

B. H. Shaw of Belton has been added to the staff of A&M College as an Agricultural Education instructor, according to E. R. Alexander, Head of the Agricultural Education Department.

Shaw received his B. S. degree from Mississippi State College in 1934 and his M. S. degree from Texas A&M in 1942. He has taught six years in Killeen, two years in Troy, and the past eight years was Vocational Agriculture teacher in Belton.

Shaw is married and has one child. He has recently bought a house in College Station, Alexander said.

Stuck For Buck, Kids In Luck

Raton, N. M., (AP)—It was bargain night at the Raton 85 Drive-in Theater. You could get in for \$1 per car, jammed full if you wanted.

Things backfired when one enterprising man drove up in a school bus.

"It was loaded to the roof," the theater owners ruefully admitted, as they rang up his dollar.

HANDICAPPED Bell County Club Elects Officers

The State matches funds with the U. S. Government and the State also pays for the administration expenses.

"This department works with civilians only and leaves the disabled veterans to the VA. Any disabled men at A&M should come by my office and see what kind of aid that the state can give them," Abercrombe said.

When asked how he feels when someone stares at his hooks, he said it is a case of double pity. "I feel sorry for the people who looked shocked."

"Many people who have some trouble feel that the world owes them a living, but after a while they get accustomed to their handicap."

"When people ask me how I lost my arms my favorite answer is 'while visiting in New York I saw a long cigar butt and dived for it. And then a battleship ran over me.'"

Abercrombe's hobby is rock collecting, although he admits that he doesn't know anything about it. In addition to his geological interest, he is working on a master's degree in education. He graduated from A&M in 1944.

Mack is a very proud of his "ring." He wears it on a tie-clip.

Bell County Club Elects Officers

Jerry Maxfield, senior engineer student from Temple, was elected president of the Bell County Club last Thursday night.

George Marks of Hidenhamner was elected vice president; Chester Christfield of Temple, secretary; treasurer, Ralph Vernon of Belton, program chairman; and James A. Holland of Belton, reporter.

Plans for a Thanksgiving party were discussed.

All students from Bell County are urged to attend the next meeting in order to finish plans for the Thanksgiving party, according to James Holland, reporter.

Dogs Shoot People In Olney Area

Olney, Tex., (AP)—Man's best friend is turning on him in this area. . . . unintentionally, of course.

Jack Bishop, young farmer near here, had finished dove hunting and headed for his car. His dog scrambled in ahead of him, his paws struck the trigger of a loaded shotgun, and Bishop caught pellets in the face, arm and leg.

A few weeks ago 16-year-old John Schlittler of Graham was shot when his dog clawed a shotgun that was leaning against chair in the Schlittler home. John suffered severe arm injuries.

Help Us Spend Our Advertising Money Up To \$100.00 In Groceries Free

8 BIG AWARDS—Five for merely turning in this coupon

The Southside Food Market serves a community that is extremely difficult to reach with any single medium of advertising, other than handbills. The Battalion, The Eagle, and the new Friday issue of The Bryan News all reach a portion of our potential customers, but ads each week in all three are obviously too expensive for a modest community store. Can we reduce our advertising to one of these papers and still reach most of our customers? Which one shall we use? (In doing this, we would expect still to place handbills in the residential areas occupied by the married students.) To decide this, we need YOUR help. Read the coupon carefully and fill it in COMPLETELY. Then bring it with you this FRIDAY OR SATURDAY to the SOUTHSIDE FOOD MARKET and turn it in at the checking stand. By doing so, you will become eligible to win one of the following awards: FIRST AWARD: Three times your purchases at our store those two days, or \$15.00 in groceries, whichever is greater; SECOND AWARD: Twice the value of your grocery purchases at our store this weekend or \$10.00 in groceries; THIRD AWARD: The value of your weekend grocery purchases here or \$5.00 in groceries, whichever is greater; the next five awards: \$2.50 in groceries FREE. (Your purchases will be determined by the number of appropriately dated cash register receipts you have, EACH SIGNED BY YOURSELF AND COUNTERSIGNED BY OUR CHECKER at the time of purchase.) Persons to receive the awards will be determined after the store closes Saturday night, and they will be notified by mail or telephone Monday. Other than in the cases of incompletely filled in coupons, winners shall be determined by a very young pre-school age child, and its findings shall be final.

Store employees and their families are not eligible.

TO THE SOUTHSIDE FOOD MARKET:
(Please check appropriate statements)
In my own case, your grocery advertisements reach me better when they appear in—
() Bryan Eagle () Bryan News () Battalion () Handbills

BECAUSE:
() We take only one of the newspapers, the one checked.
() We take the Battalion but do not read all the issues.
() My husband leaves the Battalion at the office too often.
() I do () do not () get the Friday issue of the News consistently.

I cut this coupon out of (which paper or handbill)
() I suggest you cover entire community with handbill and stop all expensive newspaper ads.
To Residents of College View, the Project Houses, Vet. Village, Trailer Areas only: I do () or do not () usually get your handbills.
(We are not at present covering any other residential areas with handbills)
