is open to any student who wishes to develop his artistic ability and receive instructions in art. J. Wayne Starke, director of the Student Center, has announced that the club will have a room in the new Student Memorial Center. This is the first organization sponsored by the Student Memorial Center.

The club will hold an organizational meeting within the next week to select officers for the club. Mrs. Terry has already started giving instructions to students. She teaches anyone interested on Tuesdays and Thursday afternoons. The only expense members of the club will have is the buying of their own supplies, such as pencils and paper. The date of the first meeting of the club will be announced in the Battalion. This is a very important meeting and all students wishing to become members should attend to have a hand in the voting, according to Stark. The club will sponsor several art exhibits and contests during the year.
